John Johnson

The New Exploration:

Regional Visionaries and Metropolitan Boosters Matthew Dalbey, 2002-06-30 Dalbey Jackson State U hypothesizes that US regional parkways of the 1920s and 1930s emerged out of two conflicting visions of regional planning and examines how the conflict impacted the development of Skyline Drive in Virginia and the proposed Green Mountain Parkway in Vermont The regional view he says coalesced around the work of Benton MacKaye Lewis Mumford and the Regional Planning Association of America and the metropolitan view grew out of market oriented economic boosterism efforts and was supported by Thomas Adams and the Regional Plan of New York and its Environs He also shows how the tussle between vision and reality social reform or economic optimization continues to inform planning Annotation copyrighted by Book News Inc Portland OR

Harry Broadtape - Volume IV - Die Gotterdammerung... Maybe? John Johnson, 2010-05-13 Despite the fact that he had been trying to withdraw from the world of finance since the early 1980s Harry s karma always presented situations that managed to keep him in the game The common thread to these ongoing business dealings now seems in one way or another to represent a form of a breach of contract either by private parties or the Government After retiring from a highly successful executive career in the industrial sector Peggy has now joined Harry to help him fight his way out of his assorted entanglements Here in Volume IV we see how these situations evolved and how they are dealt with in a world gone wild with excessive debt

creation and social engineering Throughout it all Harry and Peggy manage to find comedy in all this social and financial tragedy by treating the whole mess as though it were a soap opera **The Report: Oman 2025** Oliver Cornock, Oman is diversifying its economy reducing reliance on hydrocarbons by expanding sectors like agriculture fisheries banking and manufacturing Strategic reforms infrastructure investment and a focus on sustainability are driving growth The government is also boosting ICT education health care and tourism positioning Oman for long term competitiveness and economic stability
