The Church On Its Knees Dynamic Prayer In The Local Church:

The Church on Its Knees Book Jeremy Jennings, 2005 *Repackaging Christianity* Andrew Atherstone, 2022-07-21 The story of Alpha is of major significance for understanding the place of religious faith in the modern world but that story has never been told until now Since its launch in 1993 the Alpha movement has evolved from supper party evangelism in the Kensington suburbs into a global brand of Christian outreach Today over a million people attend Alpha every year but the history of its rise to popularity has never been documented What caused such spiritual renewal in an age of scepticism And what propelled Alpha into a phenomenon that is recognised across the globe Alpha is far more than an introductory course to Christianity At the core of its brand identity is a repackaging of the Christian message for contemporary audiences Innovation and cultural adaptability are built into Alpha s DNA one of the chief reasons for its longevity and influence Nimble utilising the multimedia and digital revolutions it has contextualised into cultures and languages across the planet And led by charismatic savvy individuals it has attracted people from across the social spectrum making waves in national media Andrew Atherstone leaves no stone unturned as he presents this fascinating history With exclusive access to original archives Atherstone recounts the miraculous stories of HTB s early years the first full account of Nicky Gumbel s conversion and the strategic decisions that launched Alpha onto the global stage of Christian influence With sharp historical analysis Andrew Atherstone uncovers the story of Christian resurgence in our contemporary age **The Church on Its Knees** Joseph EVANS (of Carmarthen.), 1875 **The Church on Its Knees** Jeremy Jennings, 1998-01 The story of how prayer developed at Holy Trinity Brompton a dynamic church in central London and home of the Alpha course Written by Jeremy Jennings this book is a practical approach to dynamic prayer in the local church See related Prayer Ministry Training video and manual **North-western Christian Advocate** , 1920 [From Vision to Action](#) Tricia Neill, 2006-10 Recommended by church leaders worldwide this encouraging book by Tricia Neil is a practical how to for turning vision into reality Drawing on more than 12 years experience as Executive Director at Holy Trinity Brompton Tricia offers valuable insights for churches of all sizes When Tricia Neill came on staff at HTB there were about 200 Alpha courses in the world Now there are over 32 000 Humanly speaking I don't think this would have been possible without Tricia's professionalism expertise and flair From Vision to Action tells the story and I suspect there is something here for churches of any size or situation NICKY GUMBEL Vicar of HTB London **Evangelism through the Local Church** Michael Green, 2023-09-28 A comprehensive guide to practical evangelism its biblical basis theological backbone and current practice Michael Green draws from a lifetime s experience in this seminal work on the theory and practice of evangelism Green shows how the good news of Christ is communicated most effectively through the local church This comprehensive resource includes a primer on Christian apologetics and concrete suggestions for congregations and individuals sharing the gospel Green challenges the hang ups which so often accompany the very mention of evangelism His classic work will continue to inspire new generations of

evangelists **The Living Church** ,1964 *Representing the Passions* Richard Evan Meyer,2003 Through an interlocking series of texts and images this work explores how extreme sensations such as wonder misery ecstasy and rage have been portrayed at different moments in Western culture Moving across multiple fields of creative endeavour and intellectual inquiry from classical artefacts to Chicano art political protest to operatic performance Rene Descartes s writings on the soul to the Internet s digitised flesh it reveals how the passions have elicited eluded and transformed the act of representation

The Calloused Knees G.B. Kulp,1909 by George B Kulp dated 1909 **Building Dynamic Faith** Jerry Falwell,2007-07-01 Though perhaps better known for political activism through his creation of the Moral Majority the late Dr Jerry Falwell s personal activities confirmed his passion for being a pastor and a Christian educator Out of this desire to teach and lead he wrote Building Dynamic Faith so that readers would know God better and see their lives radically changed for Him Divided into 31 chapters Building Dynamic Faith is perfect for a month of daily readings but it is more than simply a devotional Readers will progress from a simple understanding of faith to practicing the skills needed to exercise their faith and finally to experiencing the blessing of God through answered prayer *Vision Bearers* Richard Kew,Cyril

Okorocho,1996 This book captures the essence of what it means to advance the mission of the Church through dynamic witness and evangelism It both inspires and issues a challenge to Christians to move from passivity to an active ministry of bold proclamation **The Lutheran Witness** ,1929 Expanding Energy Christopher H. Evans,Mark A.

Lamport,2024-02-07 This book is the seventh and final volume in the Global Story of Christianity series The volume s chapters written by major scholars in the field spotlight vital episodes and themes for understanding the historical development of Christianity in the United States and Canada Serving as an accessible text for students and an informative volume for scholars the book provides new insights into Christianity s development in North America offering fresh perspectives on topics frequently overlooked by scholars The book situates the history of North American Christianity within broader themes associated with Christianity s role as a global religion **She Changed the Nation** Mary Ellen

Curtin,2024-09-10 An important new biography of Barbara Jordan the first Black woman from the South to serve in Congress During her keynote speech at the 1976 Democratic Party convention Barbara Jordan of Texas stood before a rapt audience and reflected on where Americans stood in that bicentennial year Are we to be one people bound together by a common spirit sharing in a common endeavor or will we become a divided nation For all of its uncertainty we cannot flee the future The civil rights movement had changed American politics by opening up elected office to a new generation of Black leaders including Jordan the first Black woman from the South to serve in Congress Though her life in elected politics lasted only twelve years in that short time Jordan changed the nation by showing that Black women could lead their party and legislate on behalf of what she called the common good In *She Changed the Nation* biographer Mary Ellen Curtin offers a new portrait of Jordan and her journey from segregated Houston Texas to Washington DC where she made her mark during the Watergate crisis by

eloquently calling for the impeachment of President Nixon Recognized as one of the greatest orators of modern America Jordan inspired millions and Black women became her most ardent supporters Many assumed Jordan would rise higher and become a US senator Speaker of the House or a Supreme Court justice But illness and disability along with the obstacles she faced as a Black woman led to Jordan s untimely retirement from elected office though not from public life Until her death at the age of fifty nine Jordan remained engaged with the cause of justice and creating common ground proving that Black women could lead the country through challenging times No change in the law alone could guarantee the election of Black leaders It took courage and ambition for Barbara Jordan to break into politics This important new biography explores the personal and the political dimensions of Jordan s life showing how she navigated the extraordinary pressures of office while seeking to use persuasion governance and popular politics as instruments of social change and betterment *Metropolitan Pulpit and Homiletic Monthly* ,1913 *The Homiletic Review* ,1913 *The Christian Union* Henry Ward Beecher,1878
