[Reclaiming Your Identity](#) Eric Wayman, 2018-02-12 Who am I and what am I here for Our lives depend on how we answer that question It will affect everything from our career choices to the way we relate to God and others But where can we turn to find the answer Our friends Our job title Our relationship status Many of us base our identity off what we do or the number of likes we get on a post We constantly perform for other people's approval and then we wonder why we feel so exhausted and insecure But what's the alternative What if we allowed the One who created us to answer the question for us Eric

Wayman a pastor professor and disciple invites us to pull away the masks we have been hiding behind and allow God to show us who we are and what he made us to do Its time to get real How to Find Yourself Brian S. Rosner,2022-05-05 A Christian Answer to the Identity Angst of Our Culture In the 21st century West identity is everything Never has it been more important culturally speaking to know who you are and remain true to yourself Expressive individualism the belief that looking inward is the way to find yourself has become the primary approach to identity formation and questioning anyone s self made self is often considered a threat or attack Prompted by his own past crisis of identity Brian Rosner challenges the status quo by arguing that while knowing yourself is of some value it cannot be the sole basis for one s identity He provides an approach to identity formation that leads to a more stable and satisfying sense of self This approach looks outward to others acknowledging that we are social beings and looks upward to God to find a self who is intimately known and loved by him How to Find Yourself equips readers from a variety of backgrounds to engage sympathetically with some of the most pressing questions of our day Challenges the Status Quo Examines and critiques expressive individualism the leading strategy for identity formation Gospel Centered Identifies an approach to identity formation in Jesus s life story and God s personal knowledge of his children Accessible Helpful for a wide audience of laypeople students and church leaders Foreword by Carl R Trueman Opens with a message from the author of The Rise and Triumph of the Modern Self
