The New Deal An Anthology:

The New Deal Frank A. Warren, Michael Wreszin, 1968

The New Deal Art Projects Francis V. O'Connor, 1972

The New Deal Kiran Klaus Patel, 2016-01-12 The first history of the new deal in global context The New Deal A Global History provides a radically new interpretation of a pivotal period in US history The first comprehensive study of the New Deal in a global context the book compares American responses to the international crisis of capitalism and democracy during the 1930s to responses by other countries around the globe not just in Europe but also in Latin America Asia and other parts of the world Work creation agricultural intervention state planning immigration policy the role of mass media forms of political leadership and new ways of ruling America's colonies all had parallels elsewhere and unfolded against a backdrop of intense global debates By avoiding the distortions of American exceptionalism Kiran Klaus Patel shows how America's reaction to the Great Depression connected it to the wider world Among much else the book explains why the New Deal had enormous repercussions on China why Franklin D Roosevelt studied the welfare schemes of Nazi Germany and why the New Dealers were fascinated by cooperatives in Sweden but ignored similar schemes in Japan Ultimately Patel argues the New Deal provided the institutional scaffolding for the construction of American global hegemony in the postwar era making this history essential for understanding both the New Deal and America's rise to global leadership

The Broadview Anthology of Expository Prose - Third Edition Laura Buzzard, Don LePan, Nora Ruddock, Alexandria Stuart, 2016-08-29 The third edition of this anthology has been substantially revised and updated for a contemporary American audience a selection of classic essays from earlier eras has been retained but the emphasis is very much on twenty first century expository writing Works of different lengths and levels of difficulty are represented as are narrative descriptive and persuasive essays and new to this edition lyric essays For the new edition there are also considerably more short pieces than ever before a number of op ed pieces are included as are pieces from blogs and from online news sources The representation of academic writing from several disciplines has been increased and in some cases the anthology also includes news reports presenting the results of academic research to a general audience Also new to this edition are essays from a wide range of the most celebrated essayists of the modern era from James Baldwin Susan Sontag Joan Didion and Annie Dillard to Eula Biss and Ta Nehisi Coates The anthology remains broad in its thematic coverage but certain themes receive special emphasis notably issues of race class and culture in twenty first century America For the new edition the headnotes have been expanded providing students with more information as to the context in which each piece was written Questions and suggestions for discussion have been moved online to the instructor website

Dealers and Dreamers: A New Look at the New Deal Joseph P. Lash, 2020-04-10 Pulitzer Prize winning biographer Joseph Lash's last work is an account of the men and women who helped Roosevelt pull the country out of the Great Depression When FDR took office in 1933 he set into motion the promise he made when he was first nominated the New Deal also called the Roosevelt Revolution charged the

energies and imaginations of some of the most brilliant minds in the country Lash draws heavily on the private and unpublished papers of Thomas Corcoran and Benjamin Cohen the two most influential brain trusters of the time whose policies invigorated the nation and who independently and together were driven to promote the social and economic transformations of the thirties This new look at the New Deal as the book is subtitled is a history of New Deal legislation from the banking bill that recast the Federal Reserve System on through the Public Utility Holding Company Act the Wagner Labor Relations Act the Social Security Bill and the creation of the alphabetocracy that as Mr Lash believes helped to shift control of the American economy from Wall Street to Washington a dual biography of two young New Deal lawyers Benjamin V Cohen and Thomas G Corcoran a roster of New Deal players Adolph A Berle William O Douglas Marriner Eccles Jerome Frank Leon Henderson Alger Hiss Harry Hopkins Harold Ickes Hugh S Johnson James Landis Max Lowenthal Isador Lubin Raymond Moley Frances Perkins Joseph Rauh Samuel I Rosenman and Rexford G Tugwell and Harvard Law professor and later Supreme Court Justice Felix Frankfurter the ideological struggle that went on between people like Tugwell who wanted to plan the economy and those like Frankfurter and Supreme Court Justice Louis D Brandeis who wanted to break up the trusts and restore freedom to the marketplace Dealers and Dreamers will be valuable to any reader with certain specific questions about the New Deal in mind Christopher Lehmann Haupt New York Times Dealers and Dreamers is a fascinating informative book indispensable for students of the Roosevelt presidency Arthur Schlesinger Jr The New York Review of Books The story of how our present day institutions were created Lash s excellent exploitation of the papers of both Cohen and Corcoran plus judicious use of interviews makes this a valuable work Warren F Kimball Los Angeles Times Joseph P Lash s last book is a fitting capstone to a noble career Dealers and Dreamers is a vivid evocation of an era and a fascinating portrait written with the skill of a master of some of the most wonderfully engaging figures of a glorious age in American history But more than that it is like all of Joe Lash s books and like Joe Lash s life itself a work of the most rare sincerity and integrity What shines forth from every page as it shines forth from Mr Lash s life is his unshakable determination to be truthful honest and scrupulously fair Joe has always been the standard of integrity to which I tried to hold fast and this book is a final triumphant example of the fact that he held that standard high to the last Robert Caro I found Dealers and Dreamers a veritable treasure trove of historical information about Roosevelt s Washington For that reason alone it is an important book Thomas Fleming Dealers and Dreamers not only reports the achievements and operations of the New Deal but also the spirit of the participants a spirit which I think was very much like that which must have existed among the persons who drafted the U S Constitution and put it in force in each case reflecting the excitement and satisfaction of participating in a successful revolution not against government but for government Eugene McCarthy By the Pulitzer Prize winning author of Eleanor and Franklin this is a fresh and admiring look at the original brain trusters Raymond Moley Rexford Tugwell Adolf Berle and others crucial to the legislated social transformation presided over by Franklin D Roosevelt during the Depression years

Among the others Lash pays particular attention to are Thomas G Corcoran the unofficial whip of the New Deal and Benjamin V Cohen principal draftsman of several ground breaking bills sent to Congress The author describes Cohen as the intellectual coordinator of the New Deal and the keeper of its conscience Working from Corcoran and Cohen s private papers he sheds light on the significance of the Securities Exchange Act FDR s court packing attempt the 1936 presidential campaign the effect of the New Deal on black Americans and other issues throughout the decade before Pearl Harbor Publishers Weekly Lash focuses on two talented technocrats Benjamin V Cohen and Thomas C Corcoran protégés of Felix Frankfurter then a professor at Harvard Law School Though neither had held high office both played important frequently pivotal roles in drafting and ensuring passage of vital New Deal measures like the Securities Exchange Act of 1934 Pragmatists as well as idealists Cohen and Corcoran viewed politics as the art of the possible With revolution a decided possibility they opted for trial and error reform as the best means to the end of preserving any vestige of a free enterprise constitutional system Kirkus Reviews Lash has written an absorbing narrative that captures the spirit of those yeasty times when a heady generation of young intellectuals was ready to roll up its sleeves to rescue America R Frank Saunders Jr The Georgia Historical Quarterly Dealers and Dreamers conveys an unmistakable sense that there was something special about the experience of the generation of lawyers who entered public service in the 1930 s G Edward White Harvard Law Review

The Rise and Fall of the New Deal Order, 1930-1980 Steve Fraser, Gary Gerstle, 2020-07-21 The description for this book The Rise and Fall of the New Deal Order 1930 1980 will be forthcoming

Out of Time Robert Slifkin, 2013-08-31 Focusing on the thirty three paintings that Philip Guston exhibited at the Marlborough Gallery in 1970 this in depth account reconsiders the history of postwar American art and the conception of figuration in modern art history Through a myriad of cultural touchstones including evidence from literary and musical vogues of the period Robert Slifkin examines the role of history as both artistic medium and creative catalyst to Guston s practice as a painter Slifkin employs a wealth of visual examples archival materials and original scholarship to situate Guston s paintings within broader artistic debates of the time using the cultural movement of the sixties as its orienting foreground This historical framework provides an interface between the notions of time in art and time in the material world Lively and edifying Slifkin s comprehensive text productively complicates the prescribed traditions of postwar art history and in turn shifts our perception of Guston and his place in the domain of modern art

The Broadview Anthology of Expository Prose - Third Canadian Edition Laura Buzzard, Don LePan, Nora Ruddock, Alexandria Stuart, 2017-08-08 The third Canadian edition of this anthology has been substantially revised and updated for a contemporary audience a selection of classic essays from earlier eras has been retained but the emphasis is very much on twenty first century expository writing There is also a focus on issues of great importance in twenty first century Canada such as climate change the Truth and Reconciliation Commission the Jian Ghomeshi trial Facebook police discrimination trans rights and postsecondary education in the humanities Works of different lengths and levels of difficulty

are represented as are narrative descriptive and persuasive essays and new to this edition lyric essays For the new edition there are also considerably more short pieces than ever before a number of op ed pieces are included as are pieces from blogs and from online news sources The representation of academic writing from several disciplines has been increased and in some cases the anthology also includes news reports presenting the results of academic research to a general audience Also new to this edition are essays from a wide range of the most celebrated prose writers of the modern era from Susan Sontag Eula Biss and Michel Foucault to Anne Carson and Ta Nehisi Coates The anthology also offers increased diversity of representation including for example a larger proportion of First Nations writers and women writers than previous Canadian editions Unobtrusive explanatory notes appear at the bottom of the page and each selection is preceded by a headnote that provides students with information regarding the context in which the piece was written Each reading is also followed by questions for discussion A unique feature is the inclusion of a set of additional notes on the anthology s companion website notes designed to be of particular help to EAL students and or students who have little familiarity with Canadian culture The anthology is accompanied by two companion websites The student website features additional readings and interactive writing exercises as well as the additional notes The instructor website provides additional discussion questions and for a number of the anthology selections background information that may be of interest

A Modern Mosaic Townsend Ludington, 2000 Examines the impact of the modernist art movement on American popular culture in a collection of critical essays

Hearts Crossing Ranch: The Anthology Tanya Hanson, 2017-06-22 Take a trail ride to Hearts Crossing Ranch where you ll encounter a family full of love a land rich in history and contemporary challenges and a band of brothers and sisters who ll do anything for each other and the men and women they love Hearts Crossing Ranch Anthology contains all seven Hearts Crossing Ranch series of Christian romances plus the never before published Cross Your Heart the final chapter in the Martin siblings stories of heartbreak triumph and finding those happily ever afters western style Includes Hearts Crossing Ranch Redeeming Daisy Sanctuary Right to Bragg Soul Food Angel Child Seeing Daylight Cross Your Heart
