students or union representatives could use this book as a primer and guide to defend labor against persistent assaults by management Which side are you on is a question oft asked by the author You decide as you journey through this tapestry of fact based historic fiction set in splendidly beautiful Oregon landscapes     *Betrayal in the City* F. in King Arthur's Court Jeffrey Hatcher, Mark Twain, 2017-03-16 Lancelot Guinevere and Merlin come tumbling your way in this contemporary adaptation of the satirical tale from America's favorite humorist. With Twain as he time travels to 6th century England through the eyes of Hank Morgan of Hartford Connecticut who is unexpectedly transported back to the time of legendary King Arthur. Hank astonishes the Middle Ages with modern technology and pop culture. These tricks from the future initially advance and improve King Arthur's Court but society ultimately struggles to evolve 1300 years into the future. Jeffrey Hatcher's adaptation of Twain's romp exposes the foibles and fortes of both ages leading audiences to question and laugh at themselves and the principles of the 21st century.

**Medieval Imaginaries in Tourism, Heritage and the Media** Jennifer Frost, Warwick Frost, 2021-08-12 This book examines the pervading influence of medieval culture through an exploration of the intersections between tourism, heritage and imaginaries of the medieval in the media. Drawing on examples from tourist destinations, heritage sites, fictional literature, television and cinema, the book illustrates how the medieval period has consistently captured the imagination of audiences and has been reinvented for contemporary tastes. Chapters present a range of international examples from nineteenth century Victorian notions of chivalry, knights in shining armour exemplified by King Arthur and damsels in distress to the imagining of the Japanese samurai as medieval knights. Other topics explored include the changing representations of medieval women, the Crusades and the Vikings and the challenges faced by medieval cathedrals to survive economically and socially. This book offers multidisciplinary perspectives and will appeal to scholars and students across a variety of disciplines such as cultural studies, history, tourism, heritage studies, historical geography and sociology.
