

Sir Francis Drakes Voyage Around 1st Edition

M Planty

Sir Francis Drakes Voyage Around 1st Edition:

Sir Francis Drake's Voyages Around the World Henry Raup Wagner,1926 **Sir Francis Drake and the Famous Voyage, 1577-1580** University of California, Los Angeles. Center for Medieval and Renaissance Studies,Sir Francis Drake Commission,1984-01-01 The Official Price Guide to Collecting Books Marie Tedford,Pat Goudey,2008 The antiquarian s reference to old books features thousands of listings including hundreds of new titles a new Internet buying guide a complete glossary of book collecting terms research resources information on dealers and advice on buying selling and maintaining fragile acquisitions Original **The National Union Catalog, Pre-1956 Imprints** Library of Congress,American Library Association. Committee on Resources of American Libraries. National Union Catalog Subcommittee,1971 *The Secret Voyage of Sir Francis Drake* Samuel Bawlf,2009-05-26 On September 26 1580 Francis Drake sailed his ship the Golden Hinde into Plymouth Harbor on the southwest coast of England Samuel Bawlf masterfully recounts the drama of this extraordinary expedition within the context of England s struggle to withstand the aggression of Catholic Europe and Drake s ambition for English enterprise in the Pacific He offers fascinating insight into life at sea in the sixteenth century from the dangers of mutiny and the lack of knowledge about wind and current to the arduous physical challenges faced every day by Drake s men A cast of luminous characters runs through *The Secret Voyage of Sir Francis Drake* Philip II of Spain Europe s most powerful monarch Elizabeth s spymaster and powerful advisor Francis Walsingham the encyclopedic cosmographer John Dee and Abraham Ortelius the great Dutch mapmaker to whom Drake leaked his Pacific discoveries In the end though it is Francis Drake himself who comes most fully to life through the lens of his epic voyage Remembered most as a privateer and for his victory over the Spanish Armada the Drake that emerges from these pages is so much more a dynamic leader of men a brilliant navigator and sailor and surely one of history s most daring explorers **Travel Literature and the Evolution of the Novel** Percy G. Adams,2014-07-15 Although much has been written about how the novel relates to the epic the drama or autobiography no one has clearly analyzed the complex connections between prose fiction as it evolved before 1800 and the literature of travel which by that date had a long and colorful history Percy Adams skilfully portrays the emergence of the novel in the fiction of the seventeenth and eighteenth centuries and traces in rich detail the history of travel literature from its beginnings to the time of James Cook contemporary of Richardson and Fielding And since the recit de voyage and the novel were then so international he deals throughout with all the literatures of Western Europe one of the book s chief themes being the close literary ties among European nations Equally important in the present study is its demonstration that just as early travel accounts were often a combination of reporting and fabrication so prose fiction is not a dichotomy to be divided into the adult novel on the one hand and the childish romance on the other but an ambivalence the marriage of realism and romanticism *Travel Literature and the Evolution of the Novel* not only shows the novel to be amorphous and changing it also proves impossible the task of defining the recit de voyage with its thousand forms and faces Often the two

types of literature are almost indistinguishable even before Don Quixote Adams writes many travel accounts could have been advertised as having the endless fascination of a wonderfully observed novel This study by Percy Adams will both modify opinions about the novel and its history and provide an excellent introduction to the travel account a form of literature too little known to students of belles lettres The Publishers' Circular and Booksellers' Record ,1929 **American Book Publishing Record Cumulative, 1950-1977** R.R. Bowker Company. Department of Bibliography,1978 The Connoisseur ,1907 *Encyclopaedia Britannica; Or A Dictionary of Arts, Sciences, and Miscellaneous Literature* ,1823

Encyclopaedia Britannica, Or, a Dictionary of Arts, Sciences, and Miscellaneous Literature : Enlarged and Improved. Illustrated with Nearly Six Hundred Engravings ,1815 **Captain Cook's Voyages Round the World** James Cook,Tobias Furneaux,1809 **Dent's continuous readers, ed. by M.T. Yates. [3 pt. 2 issues of pt.1. Continued as] Temple continuous readers, ed. by G.C. Dent** Temple continuous readers,1901 **Johnson's Dictionary of the English language, in miniature [ed. by J. Hamilton]. By J. Hamilton** Samuel Johnson,1798 *Lines Drawn across the Globe* Mary C. Fuller,2023-07-15 Around 1600 the English geographer and cleric Richard Hakluyt sought to honour his nation by publishing a compilation of every document he could find relating to its voyages and trade beyond the boundaries of Europe The resulting collection of travel narratives royal letters ships logs maps lists and commentaries was published as *Principal Navigations Voyages Traffiques and Discoveries of the English Nation* Spanning two thousand pages and documenting more than two hundred voyages *Principal Navigations* is a window onto how the world appeared to England in 1600 *Lines Drawn across the Globe* unlocks Richard Hakluyt s work for modern readers Mary Fuller traces the history of the book s compilation and gives order and meaning to its famously diverse contents From Sierra Leone to Iceland from Spanish narratives of New Mexico to French accounts of the Saint Lawrence and Portuguese accounts of China Hakluyt s shaping of this many authored book provides a conceptual map of the world s regions and of England s real and imagined relations to them exchange alliance aggression extraction translation imitation always depending on the needs of the moment At the height of the British imperial project *Principal Navigations* came to be seen and valued as a founding document of English national identity It remains a crucial piece of evidence on the history of empire the nation and the world Yet after a century and a half of modern scholarship Hakluyt s book needs to be disentangled from the perspectives of the nineteenth century and read anew *Lines Drawn across the Globe* works across the scales of Hakluyt s collection to deliver a dazzling account of an editorial project that was fundamental to England s encounter with the world and the nation s idea of itself *The Bibliographer's Manual of English Literature* Henry G. Bohn,2022-11-09 Reprint of the original first published in 1871 *English Navigational Books, Charts and Globes Printed Down to 1600* David W. Waters,1985 THE ENCYCLOPAEDIA BRITANNICA FOURTEENTH EDITION: A NEW SURVEY OF UNIVERSAL KNOWLEDGE VOLUME 7 ,1929 *Bulletin of the Virginia State Library* Virginia State Library,1909 *The Bibliographer's Manual of English Literature* William Thomas

Lowndes, 1865
