Midnight's Children Salman Rushdie, 2010-12-31 Winner of the Booker prize and twice winner of the Booker of

Bookers *Midnight's Children* is one of the most important books to come out of the English speaking world in this generation. New York Review of Books Reissued for the 40th anniversary of the original publication with a new introduction from the author Salman Rushdie's widely acclaimed novel is a masterpiece in literature. Saleem Sinai is born at the stroke of midnight on August 15 1947 the very moment of India's independence. Greeted by fireworks displays cheering crowds and Prime Minister Nehru himself Saleem grows up to learn the ominous consequences of this coincidence. His every act is mirrored and magnified in events that sway the course of national affairs; his health and well being are inextricably bound to those of his nation; his life is inseparable at times indistinguishable from the history of his country. Perhaps most remarkable are the telepathic powers linking him with India's 1 000 other midnight's children all born in that initial hour and endowed with magical gifts. This novel is at once a fascinating family saga and an astonishing evocation of a vast land and its people a brilliant incarnation of the universal human comedy. *Midnight's Children* stands apart as both an epochal work of fiction and a brilliant performance by one of the great literary voices of our time.

Exiled from his pack for breaking its rigid codes of behaviour and showing too much imagination Athaba becomes a raven wolf a lonely scavenger living on scraps and his wits. Survival in the icy wastes is hard and dangerous without the comfort and protection of the pack. Injured and stranded far from home Athaba is forced to strike up an uneasy alliance with his natural enemy a man. Together but ever wary of each other the wolf and the solitary hunter start their long walk home across the wilderness. It soon becomes clear that the man must learn to be a wolf if he is to survive in the wolf's world. And Athaba has to use all his imagination to learn new skills and strategies to fend for himself and his new pack member for he discovers that men are frail and often very ignorant.
