Library of Congress. Cataloging Policy and Support Office,2009    **Library of Congress Subject Headings** Library of Congress,Library of Congress. Office for Subject Cataloging Policy,2012    *Journal of a Dissenter* Chris Wright,2025-01-20

This is a lengthy intellectual journal by a political radical that ranges over a variety of subjects such as Marxism capitalism history many schools of modern philosophy psychology economics and contemporary American politics It also includes quite a few personal passages but I ve kept those only because they express common experiences and youthful psychological tendencies Its most useful content for students might be its many summaries of good historical and scientific scholarship especially in the journal s second half Ultimately the document is a fairly comprehensive expression of a particular society as refracted through an inquisitive and critical mind from the ages of 15 to 44    **State of the Union** Nelson

Lichtenstein,2013-08-25 In a fresh and timely reinterpretation Nelson Lichtenstein examines how trade unionism has waxed and waned in the nation s political and moral imagination among both devoted partisans and intransigent foes From the steel foundry to the burger grill from Woodrow Wilson to John Sweeney from Homestead to Pittston Lichtenstein weaves together a compelling matrix of ideas stories strikes laws and people in a streamlined narrative of work and labor in the twentieth century The labor question became a burning issue during the Progressive Era because its solution seemed essential to the survival of American democracy itself Beginning there Lichtenstein takes us all the way to the organizing fever of contemporary Los Angeles where the labor movement stands at the center of the effort to transform millions of new immigrants into alert citizen unionists He offers an expansive survey of labor s upsurge during the 1930s when the New Deal put a white male version of industrial democracy at the heart of U S political culture He debunks the myth of a postwar management labor accord by showing that there was at most a limited unstable truce Lichtenstein argues that the ideas that had once sustained solidarity and citizenship in the world of work underwent a radical transformation when the rights centered social movements of the 1960s and 1970s captured the nation s moral imagination The labor movement was therefore tragically unprepared for the years of Reagan and Clinton although technological change and a new era of global economics battered the unions their real failure was one of ideas and political will Throughout Lichtenstein argues that labor s most important function in theory if not always in practice has been the vitalization of a democratic ethos at work and in

the larger society To the extent that the unions fuse their purpose with that impulse they can once again become central to the fate of the republic State of the Union is an incisive history that tells the story of one of America s defining aspirations This edition includes a new preface in which Lichtenstein engages with many of those who have offered commentary on State of the Union and evaluates the historical literature that has emerged in the decade since the book s initial publication He also brings his narrative into the current moment with a final chapter Obama s America Liberalism without Unions Labor'S War At Home Nelson Lichtenstein,2010-06-25 A new edition of a classic book on how World War II changed the face of labor in the US Politics of US Labor David Milton,1982 The alliance of the industrial labor movement with the Democratic Party under Franklin D Roosevelt has perhaps more than any other factor shaped the course of class relations in the United States over the ensuing forty years Much has been written on the interests that were thereby served and those that were coopted In this detailed examination of the strategies pursued by both radical labor and the capitalist class in the struggle for industrial unionism David Milton argues that while radical social change and independent political action were traded off by the industrial working class for economic rights this was neither automatic nor inevitable Rather the outcome was the result of a fierce struggle in which capital fought labor and both fought for control over government labor policy And as he demonstrates crucial to the outcome was the specific nature of the political coalitions contending for supremacy In analyzing the politics of this struggle Milton presents a fine description of the major strikes beginning in 1933 1934 that led to the formation of the CIO and the great industrial unions He looks closely at the role of the radical political groups including the Communist Party the Trotskyists and the Socialist Party and provides an enlightening discussion of their vulnerability during the red baiting era He also examines the battle between the AFL and the CIO for control of the labor movement the alliance of the AFL with business interests and the role of the Catholic Church Finally he shows how the extraordinary adeptness of President Roosevelt in allying with labor while at the same time exploiting divisions within the movement was essential to the successful channeling of social revolt into economic demands *William Green* Craig Phelan,1989-01-01 William Green president of the American Federation of Labor from 1924 to 1952 was a controversial figure whom historians invariably depict as bumbling incompetent vain and ignorant the cheerful servant of selfish and reactionary craft unionists and the person most directly responsible for the split in organized labor in 1935 This biography provides a social and political context for Green s actions in an attempt to vindicate one of the last heirs of a religiously inspired trade unionism that sought cooperation between labor and capital on the basis of biblical precepts **Du Pont Dynasty** Gerard Colby,2014-09-16 Award winning journalist Gerard Colby takes readers behind the scenes of one of America s most powerful and enduring corporations now with a new introduction by the author Their name is everywhere America s wealthiest industrial family by far and a vast financial power the Du Ponts from their mansions in northern Delaware s Chateau Country have long been leaders in the relentless drive to turn the United States into a plutocracy The Du Pont story in this country began in 1800

leuth re Ir n e du Pont official keeper of the gunpowder of corrupt King Louis XVI fled from revolutionary France to America Two years later he founded the gunpowder company that called itself America s armorer and that President Wilson s secretary of war called a species of outlaws for war profiteering Du Pont Dynasty introduces many colorful characters including General Henry du Pont who profited from the Civil War to build the Gunpowder Trust one of the first corporate monopolies Alfred I du Pont betrayed by his cousins and pushed out of the organization landing in social exile as the powerful Count of Florida the three brothers who expanded Du Pont s control to General Motors fought autoworkers right to unionize and then launched a family tradition of waging campaigns to destroy FDR s New Deal regulatory reforms Governor Pete du Pont who ran for president and backed Newt Gingrich s 1994 Republican Revolution and Irving S Shapiro the architect of Du Pont s ongoing campaign to undermine effective environmental regulation From plans to force President Roosevelt from office to munitions sales to warlords and the rising Nazis to Freon s damage to the planet s life protecting ozone layer to the manufacture of deadly gases and the covered up poisoning of Du Pont workers to the reputation the company earned for being the worst polluter of America s air and water the Du Pont reign has been dappled with scandal for centuries Culled from years of painstaking research and interviews this fully documented book unfolds like a novel Laying bare the bitter feuds power plays smokescreens and careless unaccountability that erupted in murder Colby pulls back the curtain on a dynasty whose formidable influence continues to this day Suppressed in myriad ways and the subject of the author s landmark federal lawsuit Du Pont Dynasty is an essential history of the United States

**Traveling Through Time** Laura R. Ashlee, 2005 The definitive illustrated guide to nearly 1 500 of Michigan s historic sites updated and revised *Library of Congress Subject Headings* Library of Congress. Office for Subject Cataloging Policy, 1992

**Midnight in Vehicle City** Edward McClelland, 2021-02-02 Winner of the 2021 Midland Authors Book Award in History In a time of great inequality and a gutted middle class the dramatic story of the strike heard around the world is a testament to what workers can gain when they stand up for their rights The tumultuous Flint sit down strike of 1936 1937 was the birth of the United Auto Workers which set the standard for wages in every industry Midnight in Vehicle City tells the gripping story of how workers defeated General Motors the largest industrial corporation in the world Their victory ushered in the golden age of the American middle class and created a new kind of America one in which every worker had a right to a share of the company s wealth The causes for which the strikers sat down collective bargaining secure retirement better wages enjoyed a half century of success But now the middle class is disappearing and economic inequality is at its highest since before the New Deal Journalist and historian Edward McClelland brings the action packed events of the strike back to life through the voices of those who lived it In vivid play by plays McClelland narrates the dramatic scenes including of the takeovers of GM plants violent showdowns between picketers and the police Michigan governor Frank Murphy s activation of the National Guard the actions of the militaristic Women s Emergency Brigade who carried billy clubs and vowed to protect strikers from police and

tense negotiations between labor leader John L Lewis GM chairman Alfred P Sloan and labor secretary Frances Perkins The epic tale of the strike and its lasting legacy shows why the middle class is one of the greatest inventions of the 20th century and will guide our understanding of what we will lose if we don t revive it      **El Terrible: Life and Labor in Pueblonuevo, 1887-1939** Patricia A. Schechter, 2024-07-12 This book is a biography of Pueblonuevo del Terrible a mining town located in Andalusia Spain Based on previously unexamined sources the study paints a fresh portrait of industrial workers and their families in C rdoba province enriching our understanding of this mostly agricultural region Previous studies of laboring communities in Spain have identified radical workers miners among them as a destabilizing element due to their insurgent protest activity including lethal violence This study by contrast describes both worker activism and cross class organizing as constructive not destructive and aimed at integration into Spanish society Economically the mining zone was dominated by a French company in the Rothschild portfolio But by running their own city waging peaceful labor strikes raising a church building housing and honoring their dead residents turned a quasi colonial outpost into a pueblo worth defending and they rallied in defense of the Republic at the outbreak of the Spanish Civil War In the making of Pueblonuevo del Terrible Spanish men and women contended with the perils of mine work the jolts of industrial capitalism creeping fascism and civil war As such this book tells a village scale story of global events that defined the twentieth century

## Unveiling the Power of Verbal Beauty: An Psychological Sojourn through **Sit Down The General Motors Strike Of 1936 1937**

In some sort of inundated with screens and the cacophony of immediate interaction, the profound energy and mental resonance of verbal artistry usually disappear into obscurity, eclipsed by the constant onslaught of noise and distractions.
