The Life and Times of Baba Ramdev Ashok Raj,2010-04-01 The continuing saga of a contemporary mass leader who sought out a vision and a method to amalgamate yoga and health care into the mainstream consciousness Baba Ramdev s emergence as the new ideologue of a national and global spiritual resurgence is considered by many as a curious phenomenon This work is a study on the making of the Ramdev spectacle with all its inescapable assertiveness mass enthusiasm and of course controversies It seeks to locate his philosophy in today s socio cultural milieu while tracing its origins in Indian spiritual history and the past landmark reformist movements that have been initiated in the country by earlier path breakers including Sri Aurobindo Swami Dayananda Paramhansa Yogananda Swami Sahajanand Saraswati Bhagwan Nityananda J N Krishnamurty and Sri Ramana Rishi Indeed Ramdev represents a renewed continuity to the great revival of the ancient Indian spiritual traditions and yoga that took place in the twentieth century and received recognition worldwide With his own version of holistic yoga as a ploy for instituting the universal right to health Baba Ramdev has proposed two distinct ideological alternatives to the current established order of the world pranayama and the yogic way of life as the key to health restoration and well being and manifestation of an enabling spiritual environment for personal and social transformation Ramdev s arrival once again underlines the continuing significance of Oriental spiritualism the world over as it offers perhaps the most promising insights for the creation of a new spiritually awakened man a man at ease with himself and with the world around him

GHOSH The epic story of how Buddha Bose Bishnu Ghosh and Yogananda took yoga from Calcutta to the rest of the world In Calcutta Yoga Jerome Armstrong deftly weaves the multi generational story of the first family of yoga and how they modernized the ancient practice The saga covers four generations the making of a city personal friendships and shines light on the remarkable people who transformed yoga and made it a truly global phenomenon Along the way we also meet the people who founded the schools of yoga that are so well known today Enriching the cast of characters are the internationally renowned B K S Iyengar Mr Universe Monotosh Roy even as the book uncovers the truth about Bikram Choudhury the founder of Bikram Yoga We follow them and others from the streets of Calcutta to the United States London Tokyo and beyond where they perform astounding feats and help revise Western perceptions of yoga Cleverly researched and enjoyably anecdotal Calcutta Yoga gives a holistic picture of the evolution of yoga and pays homage to yogic heroes previously lost from history while highlighting the pivotal early role the city of Calcutta played in redefining the practice A culmination of rigorous fieldwork and numerous interviews this book is as much about yoga as it is about history relationships and human nature
