The Alchemical Visions Tarot Arthur Taussig, 2019 This deck reveals the often overlooked psychological implications of many of the tarot archetypes exposing multiple aspects of the human psyche Each card is presented as a key to cultivating self awareness and self realization **Easy Tarot Combinations** Josephine Ellershaw, 2023-03-08 Combine the Cards Tell their Full Story Get the Answers You Need Drawing on more than fifty years of tarot experience Josephine Ellershaw teaches you how to link the cards together to produce a cohesive reading She takes you through the deck sharing keywords visual prompts applied meanings and featured combinations from her personal tarot toolbox gleaned from real readings Ellershaw also shares predictive reading techniques to help you find connections interwoven through your cards In tarot everything means something even if it is not immediately apparent Easy Tarot Combinations adds depth and dimension to your readings by showing you how the cards relate to and reinforce one another Ellershaw makes it easy to understand various connections from similar and opposing cards to multiple numbers and badly aspected cards to seamlessly blend the results of your reading This book demonstrates that combinations are not just lists you need to memorize they are extensions of yourself and the personal language you share with your cards Tarot Awareness Stephen Walter Sterling, 2000 Have you ever looked at

the mysterious symbols on the Tarot cards and wondered what they meant Or perhaps you have read the Tarot for others for many years but still don't understand how to use them for meditation and spiritual development Or perhaps you use the intense imagery of the Tarot for meditation but don't think it is appropriate to use this mystical tool for readings Well now you can learn the meaning of the symbols for spiritual development and for giving great readings in Stephen Walter Sterling's Tarot Awareness The Tarot is composed of two major sections the illustrated cards that form the Major Arcana and the cards of the Minor Arcana which are like a deck of playing cards with an extra court card for each suit Each card has a meaning for a reading The meanings of the cards are given in the text The Major Arcana cards also are about the spiritual development of your consciousness As you go through the cards from zero to twenty one you follow the progression of your spirituality The fifty six cards of the Minor Arcana are associated with your development from the spiritual to the physical In fact they deal with the four levels of progression to manifestation the spiritual emotional mental and physical Put this all together and for the first time you have a book which integrates spiritual and practical meditative and divinatory One of the

great things about the Tarot is that it's symbolic. Since the unconscious works through symbols it speaks to you. Just working with the Tarot helps you to evolve especially when you understand the Tarot's spiritual truths. In order to work with the cards the book shares five different readings you can do. As an added bonus the book also deals with the difficult subject of proximity relating the cards in a spread to each other as opposed to just their positions in the spread. This can enhance your readings on your quest for spirituality.
