**Hayman Fire Case Study**, 2003 In 2002 much of the Front Range of the Rocky Mountains in Colorado was rich in dry vegetation as a result of fire exclusion and the droughty conditions that prevailed in recent years These dry and heavy fuel loadings were continuous along the South Platte River corridor located between Denver and Colorado Springs on the Front Range These topographic and fuel conditions combined with a dry and windy weather system centered over eastern Washington to produce ideal burning conditions The start of the Hayman Fire was timed and located perfectly to take advantage of these conditions resulting in a wildfire run in 1 day of over 60 000 acres and finally impacting over 138 000 acres The Hayman Fire Case Study involving more than 60 scientists and professionals from throughout the United States examined how the fire behaved the effects of fuel treatments on burn severity the emissions produced the ecological for example soil vegetation animals effects the home destruction postfire rehabilitation activities and the social and economic issues surrounding the Hayman Fire The Hayman Fire Case Study revealed much about wildfires and their interactions with both the social and natural environments As the largest fire in Colorado history it had a profound impact both locally and nationally The findings of this study will inform both private and public decisions on the management of natural resources and how individuals communities and organizations can prepare for wildfire events **Information Circular**, 1952

is visualization this meditation perhaps more than other meditations presumes the creative power of the mind Visualizations form the basis not only of the creation stage and deity yoga but of all tantric practices and rituals since tantric practice takes place not in mundane existence but in the illusion like purity of the enlightened view While the previously published *Essence of the Ocean of Attainments* is a concise exposition on the practice of the Guhyasamaja sadhana *Ocean of Attainments* is much more detailed providing extensive scriptural citations clear explanation of the body mandala arguments on points of contention reference to other tantric systems and critiques of misinterpretations Complemented by the extensive and clear introduction this volume is a vital contribution to the growing body of scholarship on Guhyasamaja and on Buddhist tantra in general

Bureau of Mines Information Circular, 1953 Lost Edinburgh Hamish Coghill, 2014-03-03 An exploration of the stories behind the many buildings lost to history in Scotland's capital city What happened to Edinburgh's once notorious but picturesque Tolbooth Prison Where was the Black Turnpike once a dominant building in the town Why has one of the New Town designer's major layouts been all but obliterated What else has been lost in Edinburgh From Edinburgh's mean beginnings wretched accommodation no comfortable houses no soft beds visiting French knights complained in 1341 it went on to attract some of the world's greatest architects to design and build and shape a unique city But over the centuries many of those fine buildings have gone Some were destroyed by invasion and civil strife some simply collapsed with old age and neglect and others were swept away in the improvements of the nineteenth century Yet more fell to the developers' swathe of destruction in the twentieth century Much of the medieval architecture vanished in the Old Town Georgian Squares were attacked Princes Street ruined old tenements razed in huge slum clearance drives and once familiar and much loved buildings vanished The changing pattern of industry social habits health service housing and road systems all took their toll not even the city wall was immune The buildings that stood in the way of what was deemed progress are the heritage of Lost Edinburgh In this informative book author Hamish Coghill sets out to trace many of the lost buildings and find out why they were doomed Lavishly illustrated *Lost Edinburgh* is a fascinating insight into an ever changing cityscape
