Trout, 2008 Until recently it has been difficult for anyone with an interest in the Army of Northern Virginia s horse artillery which served under legendary cavalry commander J E B Stuart to envision what the men of the battalion endured With the publication in 2002 of Robert Trout s seminal book Galloping Thunder The Stuart Horse Artillery Battalion the endeavors of the unit were rescued

from obscurity In *Memoirs of the Stuart Horse Artillery Battalion* Trout provides readers with complete versions of three important primary documents written by soldiers of the battalion Lt Lewis T Nunnelee's history of Moorman's Battery is based on a seven volume diary that Nunnelee kept during the war and features near daily entries of the battery's actions The History of Hart's Battery as told by Maj James F Hart Dr Levi C Stephens Louis Sherfesees and Charles H Schwing is as Trout puts it a cannon of a different caliber It recounts in broader terms the battery's history from its inception before the war to its surrender as the last horse artillery in the field The authors offer rare glimpses into the development of tactics learned from the school of the battlefield Finally Louis Sherfesees's *Reminiscences of A Color Bearer* fleshes out many of the stories in the history that he co wrote with Hart and his fellow soldiers Filled with short vignettes it offers a behind the scenes look at the battery in action Together these rich documents provide welcome insights into the day to day experiences of the often overlooked Confederate horse artillery which played an important role in cementing Stuart's reputation as one of the most outstanding cavalry commanders in the Civil War

BOOK JACKET     *Bentley's Miscellany*, 1866     *A Life of Wellington, for Boys* Walter Keating Kelly, 1853     *Stonewall Jackson's Campaign in the Shenandoah Valley of Virginia* William Allan, 1912

The operations of General T J Jackson in the Valley of Virginia during the first half of the year 1862 constitute one of the most brilliant and interesting episodes of the great Civil War The theatre on which they took place afforded a quick and easy approach to the Federal capital and to the Northern states The mountains and rivers of the Valley gave to an active and skilful commander many opportunities of neutralizing great disparity of force The celerity energy and skill which Jackson manifested on this field excited the admiration of his countrymen and produced a feeling nearly akin to consternations among his foes His campaign had a most important bearing upon all the military operations in Virginia in the spring and summer of 1862 for he caused to be detained for the defence of Washington and Maryland forces in the aggregate four or five times as numerous his own and thus in fatal degree hampered and paralyzed McClellan The story of this campaign will always be interesting to the actors in it on both sides and not merely to them to the student of military art it affords an admirable example of an aggressive defensive campaign and one of the best instances in modern times of the degree to which skill and daring may neutralize superiority of numbers and resources Our aim has been to give an accurate history of this campaign from official sources
