Focus On: 60 Most Popular FIFA 100 Wikipedia contributors, The Chemistry of Essential Oils Made Simple David Stewart, 2005-04 This solidly scientific book is anchored in scripture and easy to understand It will give you an appreciation of both the scientific and spiritual bases of healing by prayer and anointing with oils Publisher description *Victorian Literature: Sixty Years of Books and Bookmen* Clement King Shorter, 2019-11-25 In Victorian Literature Sixty Years of Books and Bookmen Clement King Shorter offers a comprehensive exploration of the literary landscape during the Victorian era spanning from the 1830s to 1890s This meticulously crafted work intertwines biographical sketches critical analysis and reflections on the socio cultural influences that shaped the period s literature Shorter s literary style is characterized by an engaging narrative that balances scholarly rigor with an accessible prose style providing readers with insights into the evolution of genres key figures and prevailing themes of Victorian literature Clement King Shorter an esteemed literary critic and biographer spent much of his life immersed in the literary world of the nineteenth century which profoundly informed his writing His connections with contemporary authors and familiarity with the publishing landscape of the time allowed him to bring a unique perspective to his analysis enriching the reader s understanding of the literary milieu Shorter was particularly passionate about advocating for lesser known authors and illuminating the cultural significance of their work within the broader context of Victorian literature This book is highly recommended for scholars students and casual readers alike Its depth and clarity offer valuable insights into Victorian literature s rich tapestry and its enduring impact on modern literary discourse Shorter s work serves as a vital resource for anyone seeking to grasp the complexities and nuances of a pivotal period in literary history **Expressive Networks** Matthew Kilbane, 2025-06-10 Expressive Networks convenes an urgent conversation on digital media and the social life of contemporary poetry Tracing how poems circulate through online spaces and how capitalized platforms have come to pattern the reading and writing of poetry contributors emphasize both the expressivist cast of digital literary culture and the deep running ambivalence that characterizes aesthetic and critical responses to platformed cultural production The volume features chapters on Pan African spoken word programs Singaporean Facebook groups decolonial hemispheric networks and Japanese media critical poetries as well as platforms such as Twitter X Instagram and Amazon Though contributors write from a variety of methodological positions and address themselves to a range of archives they share the primary conviction that the impact of Web 2 0 on literary practice is far reaching far from self evident and far more variegated and unpredictable than easy summations of social media s influence suggest Expressive Networks asks after poetry s present and future by examining what poems themselves express about the social make up of networked platforms Edited by Matthew Kilbane with contributions from Cameron Awkward Rich Micah Bateman Andrew Campana Sumita Chakraborty Scott Challener C R Grimmer Tess McNulty Michael Nardone Seth Perlow Anna Preus Susanna Sacks Carly Schnitzler Melanie Walsh and Samuel Caleb Wee *Social Security and Retirement*

around the World Jonathan Gruber, David A. Wise, 2008-04-15 What accounts for the striking decline in labor force participation at increasingly younger ages *Social Security and Retirement around the World* examines one explanation social security programs actually provide incentives for early retirement This volume houses a set of remarkable papers that present information on the social security systems and labor force participation patterns in Belgium Canada France Germany Italy Japan the Netherlands Spain Sweden the United Kingdom and the United States **Developments in the Economics of Aging** David A. Wise, 2009-08-01 The number of Americans eligible to receive Social Security benefits will increase from forty five million to nearly eighty million in the next twenty years Retirement systems must therefore adapt to meet the demands of the largest aging population in our nation s history In *Developments in the Economics of Aging* David A Wise and a distinguished group of analysts examine the economic issues that will confront policy makers as they seek to design policies to protect the economic and physical health of these older Americans The volume looks at such topics as factors influencing work and retirement decisions at older ages changes in life satisfaction associated with retirement and the shift in responsibility for managing retirement assets from professional money managers of traditional pension plans to individual account holders of 401 k s *Developments in the Economics of Aging* also addresses the complicated relationship between health and economic status including why health behaviors vary across populations and how socioeconomic measures correlate with health outcomes *An Avid's Guide to Sixties Songwriters* Peter Dunbavan, 2017-02-28 An essential reference book for sixties music lovers this encyclopedic overview includes detailed chart statistics and biographical information for eighty songwriters and covers around two thousand songs some of which are among the greatest ever written **Focus On: 100 Most Popular American League All-Stars** Wikipedia contributors, *Wired Wisdom* Eszter Hargittai, John Palfrey, 2025-07-09 A surprising window into the online lives of people sixty and over offering essential insights no matter your age Many popular accounts say the older you are the greater your tech struggles And it s worrying to think of loved ones emailing cringe worthy misinformation falling for phishing attacks or becoming lonelier with increasing time spent online But in their eye opening book on the internet s fastest growing demographic researchers Eszter Hargittai and John Palfrey offer a more nuanced picture debunking common myths about older adults internet use to offer hope and a necessary call to action Incorporating original interviews and survey results from thousands of people sixty and over *Wired Wisdom* shows that many in fact use technology in ways that put younger peers to shame Over sixties are often nimble online and quicker to abandon social media platforms that don t meet their needs Despite being targeted more often they also may be less likely to fall for scams than younger peers And fake news actually fools fewer people over sixty who have far more experience evaluating sources and detecting propaganda Still there are unseen risks and missed opportunities for this group Hargittai and Palfrey offer practical advice and show that our stereotypes can be hurdles that keep us from building intergenerational support communities helping loved ones adopt new technology that may improve their lives and thriving

together online **The Principles of Experimental Research** K Srinagesh,2011-04-01 The need to understand how to design and set up an investigative experiment is nearly universal to all students in engineering applied technology and science as well as many of the social sciences Many schools offer courses in this fundamental skill and this book is meant to offer an easily accessible introduction to the essential tools needed including an understanding of logical processes how to use measurement the do s and don ts of designing experiments so as to achieve reproducible results and the basic mathematical underpinnings of how data should be analyzed and interpreted The subject is also taught as part of courses on Engineering statistics Quality Control in Manufacturing and Senior Design Project in which conducting experimental research is usually integral to the project in question Covers such essential fundamentals as definitions quantification and standardization of test materials Shows students and professionals alike how to plan an experiment from how to frame a proper Hypothesis to designing an experiment to accurately reflect the nature of the problem to designing with factors Includes a separate section on the use of Statistics in Experimental Research including overview of probability and statistics as well as Randomization Replication and Sampling as well as proper ways to draw statistical inferences from experimental data *The Modern Pocket Hoyle* William Brisbane Dick,1868 **Text, Discourse and Corpora** Michael Hoey,Michaela Mahlberg,Michael Stubbs,Wolfgang Teubert,2007-09-28 Corpus linguistics is often regarded as a methodology in its own right but little attention has been given to the theoretical perspectives from which the subject can be approached The present book contributes to filling this gap Bringing together original contributions by internationally renowned authors the chapters include coverage of the lexical priming theory parole linguistics a four part model of language system and language use and the concept of local textual functions The theoretical arguments are illustrated and complemented by case studies using data from large corpora such as the BNC smaller purpose built corpora and Google searches By presenting theoretical positions in corpus linguistics *Text Discourse and Corpora* provides an essential overview for advanced undergraduate postgraduate and academic readers *The Years of Anger* Andy Croft,2020-05-01 Randall Swingler 1909 67 was arguably the most significant and the best known radical English poet of his generation A widely published poet playwright novelist editor and critic his work was set to music by almost all the major British composers of his time This new biography draws on extensive sources including the security services files to present the most detailed account yet of this influential poet lyricist and activist A literary entrepreneur Swingler was founder of radical paperback publishing company Fore Publications editor of *Left Review* and *Our Time* and literary editor of the *Daily Worker* later becoming a staff reporter until the paper was banned in 1941 In the 1930s he contributed several plays for Unity Theatre including the Mass Declamation *Spain* the Munich play *Crisis* and the revues *Sandbag* *Follies* and *Get Cracking* In 1936 MI5 opened a 20 year long file on him prompted by a song he co wrote with Alan Bush for a concert organised to mark the arrival of the 1934 Hunger March into London During the Second World War Swingler served in North Africa and Italy and was awarded the Military Medal for his

part in the battle of Lake Comacchio His collections *The Years of Anger* 1946 and *The God in the Cave* 1950 contain arguably some of the greatest poems of the Italian campaign After the war Swingler was blacklisted by the BBC Orwell attacked him in *Polemic* and included him in the list of names he offered the security services in 1949 Stephen Spender vilified him in *The God That Failed* The book will challenge the Cold War assumptions that have excluded Swingler's life and work from standard histories of the period and should be of great interest to activists scholars and those with an interest in the history of the literary and radical left

Process of Aging David Popenoe, 2018-10-26 *Processes of Aging Social and Psychological Perspectives* is based on a monumental series of studies on the psychological and social aspects of aging in relation to mental health This effort gives scientists from North America and Europe an opportunity to explore the concepts methodological problems and conclusions of their researches in the rapidly growing field of gerontology Much work has been done in an attempt to present this material in sequential and systematic fashion Original work of sixty six research workers from twelve countries is represented in this two volume set They offer an inventory of principal fields of gerontological research in advanced countries Human aging in its many ramifications is becoming one of the major areas of research interest among an increasing number of students in the biological behavioral and social sciences Although the phenomena of aging were largely overlooked as subject matter for research during the early stages in the development of all basic sciences it was inevitable that students would eventually become curious about the final processes of maturation Events of recent years have hastened the need for social action on behalf of older people and consequently the need for scientific knowledge about their characteristics circumstances and requirements *Processes of Aging Social and Psychological Perspectives* will be of interest to research workers teachers and advanced students concerned with the psychological psychiatric psychosocial and socioeconomic aspects of aging Many of the theoretical and analytical discussions and the specific studies offer guidance for top level planners and policy administrators in public agencies and voluntary organizations This volume is highly sensitive to older people as such how they feel about themselves and the world and in the way they behave in relation to others It is must reading in the health and welfare of aging

Foster's Complete Hoyle Robert Frederick Foster, 1909

Equality and the Family Don S. Browning, 2007 In *Equality and the Family* Don Browning pulls together essays he has published in the past in order to shed light on the path we should take in the future He contends that practical theology can be envisioned as a practical research program and he uses the very concrete example of the family to illustrate how this works Though it may sound unlikely that equality in the family can be based on Christian ideas Browning insists that it can and that it should His desire is to be pro family and pro marriage in ways that create justice and equality within the family Based on this goal he argues for the church's ideal model of the mother father partnership to be balanced with an understanding and acceptance of the pluralism of family forms as a part of modern life including church life A brief introduction of each essay is included to

help the reader understand the original context of the piece *Comrade Heart* Andy Croft, 2003-11-08 This is the extraordinary story of the English poet Randall Swingler godson of the Archbishop of Canterbury communist librettist publisher propagandist poet and war hero It is a book about the Second World War and the story of the African and Italian campaigns recorded uniquely through the eyes of the ordinary soldier It is a case study of the intellectual consequences of the Cold War in Britain McCarthyism and Zhdanovism Croft's retelling of Randall Swingler's life from comfortable childhood and public school through to crushing penury will appeal to cultural political and literary historians *Gleanings in Bee Culture*, 1926 *Annual Report of the Governor of Porto Rico for the Fiscal Year Ending June 30 ...* Puerto Rico.
