Girl Zines Alison Piepmeier, 2009-11-01 The first book length exploration of the quirky feminist booklets With names like The East Village Inky Mend My Dress Dear Stepdad and I'm So Fucking Beautiful zines

created by girls and women over the past two decades make feminism's third wave visible. These messy photocopied do-it-yourself documents cover every imaginable subject matter and are loaded with handwriting, collage, art, stickers, and glitter. Though they all reflect the personal style of the creators, they are also sites for constructing narratives, identities, and communities. *Girl Zines* is the first book-length exploration of this exciting movement. Alison Piepmeier argues that these quirky, personalized booklets are tangible examples of the ways that girls and women do feminism today. The idiosyncratic, surprising, and savvy arguments and issues showcased in the forty-six images reproduced in the book provide a complex window into feminism's future where zinesters persistently and stubbornly carve out new spaces for what it means to be a revolutionary and a girl. *Girl Zines* takes zines seriously, asking what they can tell us about the inner lives of girls and women over the last twenty years. *New Books on Women and Feminism*, 2006

Styles of Cultural Activism Philip Goldstein, 1994. The ground covered by these essays also reflects this diversity. Literary works discussed include the film *Bless Their Little Hearts*, Abraham Cahan's book *The Rise of David Levinsky*, Edgar Allan Poe's antebellum novel *The Narrative of Arthur Gordon Pym*, and the journal *Jewish Studies*. Other subjects discussed include the ideology of an eighteenth-century survey course, the rhetorical authority of the feminist teacher, readers of the Broadway musical, the incommensurate historical accounts of Europeans and Native Americans, and the mainstream media's one-sided coverage of the Gulf War. Global Sceptical Publics Jacob Copeman, Mascha Schulz, 2022-12-08. Global Sceptical Publics is the first major study of the significance of different media for the reproduction of non-religious publics and publicity. While much work has documented how religious subjectivities are shaped by media, until now the crucial role of diverse media for producing and participating in religion-sceptical publics and debates has remained under-researched. With some chapters focusing on locations hitherto barely considered by scholarship on non-religion, the book places in comparative perspective how atheists, secularists, and humanists engage with media as means of communication and forming non-religious publics, but also on occasion as something to be resisted. Its conceptually rich interdisciplinary chapters thereby contribute important new insights to the growing field of non-religion studies and to scholarship on media and materiality more generally. Activism, Feminism, Politics and Parliament Margaret Wilson, 2021-08-13. Margaret Wilson has always lived a political life. From her days as a child growing up in the Waikato in a Catholic family attuned to fairness, an unlikely law student in the 1960s in a class with a few other women and an emerging socialist feminist who read radical texts and attended women's conventions, her key concerns became cemented early: the rights of women and equality for all under the law. This is the story of one of New Zealand's most eminent political actors. A policy-focused campaigner reluctant to join a political tribe and uncomfortable with the combative attitudes and personal jockeying that politics seemed to entail, Wilson nevertheless rose to become the president of the Labour Party during the turbulent mid-1980s. Going on to become a central, far-sighted, occasionally controversial minister in the Clark government, Wilson held significant roles as Attorney General and Speaker of the House.

Activism Feminism Politics and Parliament is a powerful analysis of political life in New Zealand over four decades From pay equity to a home grown Supreme Court employment relations legislation to paid parental leave the policies Wilson championed were based always in the long held principles of a true conviction politician
