Journal of Reading , 1982 [The Idea and Practice of Reading](#) R. Joseph Ponniah, Sathyaraj Venkatesan, 2018-05-08 This book addresses basic issues in language education and explores how reading with a focus on meaning contributes to the development of all aspects of language including vocabulary spelling grammar and syntax It departs from traditional methods and practices in language learning to investigate the potency of reading in improving language acquisition The traditional practice in language classes to teach language skills explicitly through acquiring forms and structures of language is often less than successful and teachers are gradually incorporating

reading materials and practices into the curriculum This book provides important inputs to language teachers and educators on the need to include reading as an idea and as a practice into the curriculum Among other things it explores the benefits of incidental learning of language properties such as vocabulary syntax and grammar and gives adequate exposure to different types of reading strategies to promote reading among learners It also exploits the possible transfer of L1 reading strategies and capabilities to L2 reading for language acquisition In so doing this book hopes to promote autonomous learning among L2 learners and guide readers in alternative strategies to solve comprehension problems **Resources in Education** ,1990

High Stakes Dale D. Johnson,Bonnie Johnson,2006 High Stakes is a critical ethnography of an underfunded public elementary school in this era of accountability and high stakes testing The book was written during the year the authors served as third and fourth grade teachers and it juxtaposes the experiences of mostly minority children of poverty and their teachers with an examination of high stakes testing policies and the loss of a comprehensive education to political dictates

Research in Middle Level Education ,2000 Instruction in School Library Media Center Use (K-12) Thomas L. Hart,1985 Covers tests library media skills alphabetization parts of a book Dewey Decimal System the card catalog research methods and reference tools and lists additional source materials Teaching Library Media Skills H. Thomas Walker,Paula Kay Montgomery,1983 Power and Meaning Making in an EAP Classroom Christian W. Chun,2015 This book examines how critical literacy pedagogy has been implemented in a classroom through a year long collaboration between the author a researcher and an EAP teacher It details the teacher s introduction to functional grammar and accompanying critical literacy approaches to EAP and her growing critical language and discourse awareness of power and meaning making in the classroom The book traces her evolving classroom practices and addresses how powerful discourses in social circulation found their way into the classroom via the curriculum materials the students encountered The main themes of the book are threefold narrowing the divide between critically oriented researchers and practitioners how critical literacy is actually implemented in a teacher s classroom and how people students and the teacher engage in and with the representations and discourses of the everyday world that include neoliberal globalization racial and cultural identities and consumerism It will be of interest to both researchers and practitioners for the ethnographic and pedagogical issues it raises as well as its accessible theoretical frameworks illustrated by relevant classroom interactional data mediated multimodal and critical discourse analysis **Lightning Yr6/P7: Non Fiction Extreme Survival Teachers Notes** Pearson Education,2003-05-14
