Jump at the Sun Alicia D. Williams,2021-01-12 From the Newbery Honor winning author of *Genesis Begins Again* comes a shimmering picture book that shines the light on Zora Neale Hurston the extraordinary writer and storycatcher extraordinaire who changed the face of American literature Zora was a girl who hankered for tales like bees for honey Now her mama always told her that if she wanted something to jump at de sun because even though you might not land quite that high at least you d get off the ground So Zora jumped from place to place from the porch of the general store where she listened to folktales to Howard University to Harlem And everywhere she jumped she

shined sunlight on the tales most people hadn't been bothered to listen to until Zora. The tales no one had written down until Zora. Tales on a whole culture of literature overlooked until Zora. Until Zora jumped. **Black Authors and Illustrators of Books for Children and Young Adults** Barbara Thrash Murphy, Deborah L. Encyclopedia of the American Novel Abby H. P. Werlock, 2015-04-22 Praise for the print edition: no other reference work on American fiction brings together such an array of authors and texts as this. Zora and Me Victoria Bond, Tanya R. Simon, 2010 A tale inspired by the early life of Zora Neale Hurston finds the imaginative future author telling fantastical stories about a mythical evil creature until a racially charged murder threatens to shatter the peace in her turn of the century Southern community. A first novel. **Zora Neale Hurston** Cynthia Davis, Verner D. Mitchell, 2013-05-09 Zora Neale Hurston 1891-1960 the most prominent of the Harlem Renaissance women writers was unique because her social and professional connections were not limited to literature but encompassed theatre, dance, film, anthropology, folklore, music, politics, high society, academia, and artistic bohemia. Hurston published four novels, three books of nonfiction, and dozens of short stories, plays, and essays. In addition, she won a long list of fellowships and prizes, including a Guggenheim and a Rosenwald. Yet by the 1950s, Hurston like most of her Harlem Renaissance peers had faded into oblivion. An essay by Alice Walker in the 1970s, however, spurred the revival of Hurston's literary reputation, and her works, including her 1937 novel *Their Eyes Were Watching God*, have enjoyed an enduring popularity. Zora Neale Hurston: An Annotated Bibliography of Works and Criticism consists of reviews of critical interpretations of Hurston's work. In addition to publication information, each selection is carefully crafted to capture the author's thesis in a short, pithy, analytical framework. Also included are original essays by eminent Hurston scholars that contextualize the bibliographic entries. Meticulously researched but accessible, these essays focus on gaps in Hurston criticism and outline new directions for Hurston scholarship in the twenty-first century. Comprehensive and up to date, this volume contains analytical summaries of the most important critical writings on Zora Neale Hurston from the 1970s to the present. In addition, entries from difficult-to-locate sources such as small academic presses or international journals can be found here. Although intended as a bibliographic resource for graduate and undergraduate students, this volume is also aimed toward general readers interested in women's literature, African American

literature American history and popular culture The book will also appeal to scholars and teachers studying twentieth century American literature as well as those specializing in anthropology modernism and African American studies with a special focus on the women of the Harlem Renaissance *How to Write a Children's Book and Get It Published* Barbara Seuling, 2011-01-06 Your one stop guide to writing and selling books for children Get the tools you need to Develop story ideas that work Strengthen your writing skills Improve your work habits Write for different age groups Look at your work critically Submit proposals and manuscripts Find the right publisher for your work Understand and negotiate contracts Work with agents and editors Join the writing community Do you dream of becoming the next J K Rowling Are you excited about writing for children but have no idea how to begin or where to send your material Now respected children s writer Barbara Seuling gives you the essential steps to getting published in the competitive exciting world of children s literature From finding story ideas and creating character sketches to plotting writing dialogue editing and revising your work you ll learn how to complete a manuscript and prepare it for submission Whether you want to write picture or chapter books fiction or nonfiction poetry or plays Seuling helps you master the different genres and capture a child s interest and imagination from the early years to young adult Her fully revised guide also covers the major developments in book publishing including vital information about using the Internet to research the market and contact publishers Seuling even discusses recent successes such as the Harry Potter series as well as the growth of Amazon com Complete with updated lists of writing organizations marketing information and recommended reading this is the only guide you need to start writing get published and touch the lives of children *Ain't I an Anthropologist* Jennifer L. Freeman Marshall, 2023-02-28 Iconic as a novelist and popular cultural figure Zora Neale Hurston remains underappreciated as an anthropologist Is it inevitable that Hurston s literary authority should eclipse her anthropological authority If not what socio cultural and institutional values and processes shape the different ways we read her work Jennifer L Freeman Marshall considers the polar receptions to Hurston s two areas of achievement by examining the critical response to her work across both fields Drawing on a wide range of readings Freeman Marshall explores Hurston s popular appeal as iconography her elevation into the literary canon her concurrent marginalization in anthropology despite her significant contributions and her place within constructions of Black feminist literary traditions Perceptive and original *Ain t I an Anthropologist* is an overdue reassessment of Zora Neale Hurston s place in American cultural and intellectual life **Book Review Index Cumulation** Dana Ferguson, 2005-09 Book Review Index provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make Book Review Index an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers Book Review Index is available in a three issue subscription covering the current year or as an annual cumulation covering the past year Middle and Junior
