Skye Pioneers And The Island

**Laurel Sefton MacDowell, Ian Walter
Radforth**

Skye Pioneers And The Island:

Skye Pioneers and "The Island" Malcolm Alexander Macqueen,1999 Skye Pioneers and "the Island." Malcolm Alexander Macqueen,2012 **Skye Pioneers and the Island** Malcolm Macqueen,1988 **Shipwrecks and Seafaring Tales of Prince Edward Island** Julie V. Watson,1996-07-25 In the 450 years since Jacques Cartier's arrival Prince Edward Island's history has been tied to the sea and to ships From the first explorers through immigrants traders sailors and fishermen thousands of seafaring people and their ships have come and gone many lost to the relentless sea Julie Watson has dug through the archives and unearthed harrowing accounts from the expulsion of the Acadians to the amazing 1836 adventure of Tommy Tuplin age six who was washed overboard in a storm then washed back into the ship's rigging This book includes fascinating stories of buried treasure legends of ghost ships and tales of storms that have become part of the island's history and folklore Add to these stories of seal hunts waterspouts U boats and ice boats and you start to share in what it means to be an islander and what the unforgiving sea can yield **A Very Fine Class of Immigrants** Lucille H. Campey,2007-05-15 P E I was the first Canadian area to acquire Scottish pioneers Its colonization by Scots occurred when the process of immigration and settlement was in its infancy **Three Centuries and the Island** Andrew Hill Clark,1959-12-15 This study is one of the first in the field of historical geography to be published in Canada Written after exhaustive research it uses a particular approach to the study of historical agricultural geography which concentrates on the use of basic distributional evidence for the description and interpretation of the changing character of any region through any period of time By the analysis of over 1200 maps some of which form part of the text of the book Professor Clark studies agriculture as the dominant economic activity of Prince Edward Island and traces with remarkable clarity through the changing patterns of land culture throughout the province The book begins with a description of the natural geography of the Island which despite its small size shows surprising variety It goes on to prove the necessity for careful consideration of the background of habit and prejudice of groups of different origin when studying the changing geographies of land use The settlement of the Island is traced from the time it was used as a summer campground by the Micmac Indians Details of the arrival of the first Acadians the transfer to British rule and the subsequent influx of Scottish Irish Loyalist and English stock are given together with evidence of the effect their coming had on the agriculture of the region One hundred and fifty five maps and sixteen tables to illustrate the distribution of population by area and origin changes in kind and distribution of crops census of livestock etc from the early eighteenth century to the present day and from the days when the potato was unknown as a crop through the fur farming era The author presents this study as part of his life work a programme of research on the settlement overseas in the seventeenth eighteenth and nineteenth centuries of the people from the British Isles He is descended from Prince Edward Island settlers and writes of the province from a background of personal knowledge of and affection for the land of his forbears **All Things in Common** Ruth Compton Brouwer,2021-06-28 The

Canadian Social History Series is devoted to in depth studies of major themes in our history exploring neglected areas in the day to day existence of Canadians The emphasis of this innovative series is on increasing the general appreciation of our past and opening up new areas of study for students and scholars The editor of the series is Gregory S Kealey Professor of History University of New Brunswick A leading historian of the Canadian working class Dr Kealey was the founding editor of Labour Le Travail Book jacket

Dictionary of Prince Edward Island English Terry Kenneth Pratt,1996-01-01 Strupac fornenst trappy scriss kippy snool flying axehandles from across these and hundreds of other fascinating and colourful words and phrases give the English language as it has been spoken in Canada s smallest province a flavour all its own With the Dictionary of Prince Edward Island English T K Pratt makes a major scholarly contribution to the growing list of regional dictionaries that enable us to discover the rich heritage of the language as spoken throughout North America at the same time it offers a splendid general introduction to the historical and sociological life of the island There are approximately 1000 entries of non standard or dialect words past and present The notes deal with usage pronunciation alternate forms and spellings and stylistic and regional labels Entries include definitions supportive quotations from P E I sources editorial notes about various subtleties and dictionary notes which provide links to some thirty five other dictionaries Pratt s introduction defines the criteria for inclusion of words explains his research methods and outlines the layout of entries The end matter includes a bibliography and an important sociolinguistic essay The Dictionary in Profile which places the work in the broader context of Prince Edward Island speech Its range and depth of coverage make this an essential work not only for those concerned with P E I and Maritimes studies but for all those interested in the regional usage of English

Canadian Working-class History Laurel Sefton MacDowell,Ian Walter Radforth,2006 Canadian Working Class History Selected Readings Third Edition is an updated version of the bestselling reader that brings together recent and classic scholarship on the history politics and social groups of the working class in Canada Some of the changes readers will find in the new edition include better representation of women scholars and nine provocative and ground breaking new articles on racism and human rights women s equality gender history Quebec sovereignty and the environment

Rural Protest on Prince Edward Island Rusty Bittermann,2006-01-01 In Rural Protest on Prince Edward Island Rusty Bittermann examines this conflict and the dynamic of rural protest on the Island from its establishment as a British colony in the 1760s to the early 1840s The focus of Bittermann s study is the remarkable mass movement known as the Escheat movement which emerged in the 1830s in the context of growing popular challenges elsewhere in the Atlantic World The Escheat movement aimed at resolving the land question in favour of tenants by having the state resume escheat the large grants of land that created landlordism on the Island Although it ultimately gained control of the assembly in the late 1830s the Escheat movement did not produce the land policies that tenants and their allies advocated

North American Gaels Natasha Sumner,Aidan Doyle,2020-11-18 A mere 150 years ago Scottish Gaelic was the third most widely spoken language in Canada and Irish was

spoken by hundreds of thousands of people in the United States A new awareness of the large North American Gaelic diaspora long overlooked by historians folklorists and literary scholars has emerged in recent decades North American Gaels representing the first tandem exploration of these related migrant ethnic groups examines the myriad ways Gaelic speaking immigrants from marginalized societies have negotiated cultural spaces for themselves in their new homeland In the macaronic verses of a Newfoundland fisherman the pointed addresses of an Ontario essayist the compositions of a Montana miner and lively exchanges in newspapers from Cape Breton to Boston to New York these groups proclaim their presence in vibrant traditional modes fluently adapted to suit North American climes Through careful investigations of this diasporic Gaelic narrative and its context from the mid eighteenth century to the twenty first the book treats such overarching themes as the sociolinguistics of minority languages connection with one s former home and the tension between the desire for modernity and the enduring influence of tradition Staking a claim for Gaelic studies on this continent North American Gaels shines new light on the ways Irish and Scottish Gaels have left an enduring mark through speech story and song

Geographical Names of Prince Edward Island A. Rayburn, Canadian Permanent Committee on Geographical Names, 1973 After the Hector Lucille H. Campey, 2007-05-15 This is the first fully documented and detailed account produced in recent times of one of the greatest early migrations of Scots to North America The arrival of the Hector in 1773 with nearly 200 Scottish passengers sparked a huge influx of Scots to Nova Scotia and Cape Breton Thousands of Scots mainly from the Highlands and Islands streamed into the province during the late 1700s and the first half of the nineteenth century Lucille Campey traces the process of emigration and explains why Scots chose their different settlement locations in Nova Scotia and Cape Breton Much detailed information has been distilled to provide new insights on how why and when the province came to acquire its distinctive Scottish communities Challenging the widely held assumption that this was primarily a flight from poverty After the Hector reveals how Scots were being influenced by positive factors such as the opportunity for greater freedoms and better livelihoods The suffering and turmoil of the later Highland Clearances have cast a long shadow over earlier events creating a false impression that all emigration had been forced on people Hard facts show that most emigration was voluntary self financed and pursued by people expecting to improve their economic prospects A combination of push and pull factors brought Scots to Nova Scotia laying down a rich and deep seam of Scottish culture that continues to flourish Extensively documented with all known passenger lists and details of over three hundred ship crossings this book tells their story The saga of the Scots who found a home away from home in Nova Scotia told in a straightforward unembellished no nonsense style with some surprises along the way This book contains much of vital interest to historians and genealogists Professor Edward J Cowan University of Glasgow a well written crisp narrative that provides a useful outline of the known Scottish settlements up to the middle of the 19th century avoid s the sentimental victim scapegoat approach to the topic and instead has provided an account of the attractions and mechanisms of settlement Professor

Michael Vance St Mary's University Halifax *Dictionary of Canadian Biography / Dictionnaire Biographique Du Canada*
