Sladkaia Zhizn:

Research Companion to Language and Country Branding Irene Theodoropoulou, Johanna Tovar, 2020-11-16 Research Companion to Language and Country Branding brings together entirely new interdisciplinary research conducted by scholars working on various sociolinguistic semiotic anthropological and discursive analytical aspects of country branding all over the world Branding is a process of identity construction whereby countries gain visibility and put themselves on the world map as distinctive entities by drawing on their history culture economy society geography and their people Through branding countries aim not only at establishing their uniqueness but also and perhaps most importantly at attracting tourism investments high quality human capital as well as at forging financial military political and social alliances Against this backdrop this volume explores how countries and regions imagine and portray others and themselves in terms of gender ethnicity and diversity today as well as the past In this respect the book examines how branding differs from other related policies and practices such as nation building banal nationalism and populism This volume is an essential reference for students researchers and practitioners with an interest in country nation and place branding processes **Business Profile**

of the Nizhny Novgorod Region of Russia BIA, 2006-12 Bread and Autocracy Janetta Azarieva, Yitzhak M. Brudny, Eugene Finkel, 2023-08-18 Bread and Autocracy focuses on the political role of food in post Soviet Russia In less than twenty years Putin's Russia moved from heavily relying on imports to feed the population to being one of the world's leading food exporters The authors provide a comprehensive analysis of this transformation as well as its causes and consequences for Russia's domestic politics and foreign policy They argue that Russia's food independence agenda is an outcome of a deliberate decades long policy to better prepare the country for a confrontation with the West Moreover they show that for the Kremlin nutritional self sufficiency and domestic food production is a crucial pillar of state security and regime survival
