Slang and Colloquialisms in American Prose (20th Century) Givi Zviadadze,1987 Slang and Colloquial Idioms in American Prose (20th Century) Givi Zviadadze,1989 **American Prose** George Rice Carpenter,1898 Studies in the Idioms of Certain Eighteenth Century Prose Writers Lois A. Ludeking,1929 *The Continuum Encyclopedia of American Literature* Steven R. Serafin,Alfred Bendixen,2005-09-01 More than ten years in the making this comprehensive single volume literary survey is for the student scholar and general reader The Continuum Encyclopedia of American Literature represents a collaborative effort involving 300 contributors from across the US and Canada Composed of more than 1 100 signed biographical critical entries this Encyclopedia serves as both guide and companion to the study and appreciation of American literature A special feature is the topical article of which there are 70 **From 19th Century Femininity in Literature to 20th Century Feminism on Film: Discourse Translation and Adaptation** Oana-Celia Gheorghiu,2015-08 Aiming at both identifying the representation of femininity as a social construct and analysing the way in which it can be translated into film adaptations of novels this work focuses on the interpretations of a famous and at the same time problematic *The Uncollected Poetry and Prose of Walt Whitman* Walt Whitman,1921 American Conservative Thought in the Twentieth Century William F. Buckley Jr.,2017-09-04 If America has been an unsympathetic environment for conservatism conservatism has nevertheless demonstrated an extraordinary tenacity in politics literature law religion economics and social thought Conservatism forms a dissent within the liberal tradition and also deserves a hearing from any serious student of American history William F Buckley Jr brought this issue to the forefront in this outstanding collection featuring some of the greatest political thinkers of the twentieth century This volume illuminates many aspects of the elusive conservatism of which so much has been written and helps to explain why it is that conservatism survives in politics economics social sciences and the arts Buckley has drawn from the works of renowned scholars and from those of relatively obscure figures whose contributions he persuasively puts forward as deeply influential in the crystallization of modern conservative thought This collection of essays begins by analyzing the history and background of American institutions It then goes on to inspect strong American presumption in favor of the private sector and the nature of specific challenges to modern society as well as the response of conservative thought and analysis to those challenges Pluralists will welcome the approach in this book and others will be excited by prestigious authors **Slang and Its Analogues Past and Present** John Stephen Farmer,William Ernest Henley,1909 **Authorial Divinity in the Twentieth Century** Barbara K. Olson,1997 Whatever a writer's religious assumptions and histories the literary device of omniscient narration traps a writer into a pose as God at least some sort of God be it one the writer eschews avows or longs for In this study Barbara K Olson examines the relationship between both the writer and the omniscient narrator to God Olson explains how modernists Ernest Hemingway and Virginia Woolf both illustrate how authors particular styles of omniscience bear a reliable though variable relation to their own or their culture's

particular conceptions of God The experience of novelists generally attests to perennial theological conundrums into which their creating and narrating have cast them transcendence vs immanence providential care vs cosmic capriciousness determinism vs freedom Not surprisingly such atheists as John Fowles and Ronald Sukenick have aimed their narrational experiments in omniscience at subverting what Fowles has called the godgame that this device requires Such other writers as Flannery O Connor Graham Greene and Murial Spark have predictably relied on the device as one consonant with their theistic assumptions BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
