The Book of Zechariah may be one of the least read books in the Bible For the past twenty years I have taught the Bible to pastors in Asian countries where life is difficult for them My pattern was to begin each day with a devotional that would apply specific Bible lessons to their lives When I started giving devotional thoughts from Zechariah I learned that the Asian pastors had a keen interest in that prophet They would often ask questions or share their thoughts about Zechariah long after our devotional had ended I believe that a daily time with the Lord is essential for believers who desire to serve Him in this knotty world According to Proverbs life is a series of choices between which roads we will travel We decide daily to either take the path of the righteous or the way of the wicked We choose regularly to either walk on the path of the wise person or stroll along the way of the fool

Lykke, 2022-11-22 Live Die Buy Eat These words represent a chain of events which today is disconnected In the past few

years controversies around meat have arisen around industrialization and globalization of meat production often pivoting around health environmental issues and animal welfare Although meat increasingly figures as a problem most consumers knowledge of animal husbandry and meat production is more absent than ever Tracing a historical process of alienation along three distinct axes the authors show how the animal origin of meat is covered up rationalized forgotten excused neglected and denied How is meat produced today and where How do we consume meat and how have our consumption habits changed Why have these changes occurred and what are the social and cultural consequences of these changes Using Norway as a case study this book examines the dramatic changes in meat production and consumption over the last 150 years With a wide range of historical sources together with interviews and observation at farms slaughterhouses and production units as well as analyses of contemporary texts and digital sources Live Die Buy Eat explores the transformation of animal husbandry meat production and consumption together with its cultural consequences It will appeal to scholars of anthropology sociology cultural studies geography and history with an interest in food agriculture environment and culture
