Death Rode a White Horse Luther Butler, 2000-10-16

DEATH RODE A WHITE HORSE starts with the Creation story only Lucifer is a playboy who does back flips off the high dive Creator is a little forgetful and leaves scalpels in some of his creations Some of his creations have to be destroyed before their waste pollutes the earth but when he creates Adam his creation is perfect until Eve and Lucifer screw the whole thing up Adam and Eve are driven out of the Garden of Eden before they give birth to Cain and Able By the way when Cain is born Creator has to rest up by going fishing As you can see the characters in this novel are humorous pathetic and sometimes downright human like you and me While Adam and Eve and their son Cain tends the farm Able takes his animals to warmer climes in the winter and cooler places in the summer While in the Kargos Mountains Able rescues a princess and marries her Fixed up with a nice wife his life is idyllic until his mother in law sticks her nose into the story In a short time Cain gets the hots for the queen and all hell breaks loose You must read the book to find out why jealousy drives Cain to kill his brother Able By the way the ending should run chills up your spine To add to the excitement Creator and Gabriel fly through the air in a chariot throwing lightning bolts at poor old Lucifer If you read this the Bible should never be a dull book again
