regional study of the history and contemporary condition of two Polish punk communities the one in Warsaw and surrounding areas and the Upper Silesian region both rich in varied and sometimes conflicting punk traditions The author a self identified member of the punk subculture formerly living and active in Warsaw explores the various political economic and social dimensions of the development of these unique communities and the meaning of the punk ethos for people across different age groups genders and life experiences in relation to other subcultures especially skinheads and the broader society An additional dimension previously unexplored in scholarship are the ties between these Polish punk communities and their counterparts in the United States and Canada The personal connections between early bands and the long lasting transnational aspects of punk practices are shown to be an important factor in the shaping of punk attitudes across time and space The economics of everyday punk life are discussed referring to contemporary scholarship on the subject punk lyrics and ethnographies which throughout the book illustrate selected themes and problems This study includes insight about obscure yet foundational Silesian bands and their defiant sardonic humor about punk and anarchy punk versus communism and the political opposition in the 1980s punks attitudes toward the transformation of 1989 about being a punk girl on the streets of Warsaw or Wodzislaw Slaski Discover punk as an old subculture that cherishes its own past and remains an important alternative to mainstream cultural practices in a rapidly Westernizing and corporatizing country **The Shingle**

Weaver's Picnic P. C. Smith, 2019-03-15 It s 1941 and the chill of something evil is spreading around the world like a black plague Suspicion and fear have replaced the trust of innocence of humankind The news of unheard of violence and brutality presses heavily on the hearts of mankind What is tomorrow going to look like What has happened to the world as we once knew it World War II begins its escalation extending its chaos in all directions including the outer shores of America Pearl Harbor Hawaii Annie Elizabeth Jordan known to most as Cricket can t make any sense of the turbulence that is swirling around her life This thing called war newspapers headlines that are hidden from her the heartache the fears of loved ones all around her are very disturbing and no one seems to want to explain it all to her She is looking forward to her annual visit with her grandparents who live in the Northwestern United States This summer will be slightly different than past visits for she will be traveling on her own because her mom is on travel restriction due of the baby that is to arrive in the early fall Her grandparents live in the small lumber town of Everett Washington in a blue collar neighborhood of hardworking families with a plethora of children In many ways Everett is the quintessential example of small town America in its day It is peopled with an abundance of vividly unique colorful characters To name just a few there is Doc Miller who is involved at the start or end of life for most of the population He also closely guards with the ferocity of a pit bull the secrets given to him at times of stress or sorrow Sheriff Davis functions in much the same way when it comes to his town folk He looks upon every resident as his own personal responsibly The death the murder of one of the children in Cricket s neighborhood sends more than a shock wave through the town Nothing like this has ever happened before Who could have done such a horrific thing Who

living among them could be so evil It is beyond explanation to Cricket but she would soon see her grandfather a retired lawyer and judge untangle this twisted scenario with its many suspects and astonishing conclusion
