Sweet Kwai Run Softly:

Sweet Kwai Run Softly Stephen Alexander, 2006 **Forgotten Warrior** Michael Snape, 2023-05-18 Eighty years after his death in a Japanese prison camp this compelling new biography charts the career of a distinguished but hitherto neglected hero of the British army Major General Merton Beckwith Smith DSO MC commanded the British 18th Division during the catastrophic Fall of Singapore in February 1942 A highly respected and much decorated veteran of the First World War he was captured along with tens of thousands of other soldiers British Indian Australian and Malay who were then held prisoner on Singapore Island Amidst hunger disease and widespread despair in Changi over the next six months he rallied the spirits of his soldiers created a make shift university and theatre and helped to inspire a remarkable renewal of collective church life At the same time he improved conditions for hospital patients and encouraged sports and other recreations While the fate of many of the men he led was to toil and often die on the infamous Burma Railway Beckwith Smith was exiled to Karenko Camp Formosa present day Taiwan where mistreated and malnourished he died of diphtheria and heart failure on 11 November 1942 Beckwith Smith was the most senior British officer to end his life as a prisoner of war in the Far East Yet until now he has been a strangely forgotten warrior Based on exclusive access to family archives and drawing on an array of other eye witness accounts Michael Snape s richly detailed biography brings to an end that neglect The result is a story that offers vivid insights into one man s experience of two world wars while also revealing why he was so admired by his fellow officers and by the ordinary soldiers who served under him *Death Was Our Bedmate* Agnes McEwan, Campbell Thompson, 2013-03-27 The book tells the story of a little known artillery regiment the 155th Lanarkshire Yeomanry Field Regiment RA which saw constant action during the ill fated Malayan Campaign of 1941 42 and whose members later experienced the worst kind of hell as POWs of a cruel and bestial enemy Following the Japanese invasion of Malaya the Regiment fought a brave and resolute rearguard action all the way down the Malayan Peninsular and onto the so called impregnable fortress of Singapore Held in the highest respect by comrades and foe alike this former territorial cavalry regiment fully deserved its Royal Artillery motto Ubique everywhere In the years that followed the Gunners slaved suffered and died on the infamous Burma Railway in copper mines of Formosa and camps throughout the Far East More men of the Regiment died as POWs than fell in action They should not be forgotten Included is a full nominal roll which allows the reader to identify the camp s where each individual Gunner was held A Roll of Honour provides the date place and cause of death and place of burial commemoration of the Regiments casualties *Our Man in Malaya* Margaret Shennan, 2015-04-01 The career of John Davis was inextricably and paradoxically intertwined with that of Chin Peng the leader of the Malayan Communist Party and the man who was to become Britain s chief enemy in the long Communist struggle for the soul of Malaya When the Japanese invaded Malaya during WWII John Davis escaped to Ceylon sailing 1 700 miles in a Malay fishing boat before planning the infiltration of Chinese intelligence agents and British officers back into the Malayan peninsula With

the support of Chin Peng and the cooperation of the Malayan Peoples Anti Japanese Army Davis led SOE Force 136 into Japanese occupied Malaya where he operated from camps deep in the jungle with Freddy Spencer Chapman and fellow covert agents Yet Davis was more than a wartime hero Following the war he was heavily involved in Malayan Emergency affairs squatter control the establishment of New Villages and vitally of tracking down and confronting his old adversary Chin Peng and the communist terrorists Historian and biographer Margaret Shennan born and raised in Malaya and an expert on the British in pre independence Malaysia tells the extraordinary untold story of John Davis CBE DSO an iconic figure in Malaya s colonial history Illustrated with Davis personal photographs and featuring correspondence between Davis and Chin Peng this is a story which truly deserves to be told *Nagasaki: The Forgotten Prisoners* John Willis,2022-08-02 This is one of the most remarkable untold stories of the Second World war At 11 02 am on an August morning in 1945 America dropped the world s most powerful atomic bomb on the Japanese port city of Nagasaki The most European city in Japan was flattened to the ground as if it had been swept aside by a broom More than 70 000 Japanese were killed At the time hundreds of Allied prisoners of war were working close to the bomb s detonation point as forced labourers in the shipyards and foundries of Nagasaki These men from the Dales of Yorkshire and the dusty outback of Australia from the fields of Holland and the remote towns of Texas had already endured an extraordinary lottery of life and death that had changed their lives forever They had lived through nearly four years of malnutrition disease and brutality Now their prison home was the target of America s second atomic bomb In one of the greatest survival stories of the Second World War we trace their astonishing experiences back to bloody battles in the Malayan jungle before the dramatic fall of Fortress Singapore the mighty symbol of the British Empire This abject capitulation was followed by surrender in Java and elsewhere in the East condemning the captives to years of cruel imprisonment by the Japanese Their lives grew evermore perilous when thousands of prisoners were shipped off to build the infamous Thai Burma Railway including the Bridge on the River Kwai If that was not harsh enough POWs were then transported to Japan in the overcrowded holds of what were called hell ships These rusty buckets were regularly sunk by Allied submarines and thousands of prisoners lived through unimaginable horror adrift on the ocean for days Some still had to endure the final supreme test the world s second atomic bomb The prisoners in Nagasaki were eyewitnesses to one of the most significant events in modern history but writing notes or diaries in a Japanese prison camp was dangerous To avoid detection one Allied prisoner buried his notes in the grave of a fellow POW to be reclaimed after the war another wrote his diary in Irish Now using unpublished and rarely seen notes interviews and memoirs this unique book weaves together a powerful chorus of voices to paint a vivid picture of defeat endurance and survival against astonishing odds **Japan** Malcolm Trevor,2001 This controversial study examines Japan s economic nationalism which forms the basis of central government policy i e the system in which business and politics are inseparable and which impacts on Japan s relations with the world *Japan - Restless Competitor* Malcolm Trevor,2013-12-16 In this important new and controversial study about

the nature and focus of the Japanese economic agenda the author argues forcefully that the official mind set of leading bureaucrats top politicians and big business makes it virtually impossible for the western industrialized world to do business on an equal footing Put simply it is a question of western free market economics facing Japanese economic nationalism which is by its very nature both an expansive and a protectionist ideology International observers continue to ask is Japan changing or more forcefully is Japan capable of change Notions of reform and restructuring are today part of the Japanese lexicon but appear to hold little substance Trevor argues that any western notion of Japan changing fundamentally i e adopting western or Anglo Saxon philosophies is facile completely unrealistic This book is for everyone who wonders what motivates Japan s politico economic system and whether it is changing

Surviving the Death Railway Hilary Custance Green,2016-08-31 The ordeals of the POWs put to slave labour by their Japanese masters on the Burma Railway have been well documented yet never cease to shock It is impossible not to be horrified and moved by their stoic courage in the face of inhuman brutality appalling hardship and ever present death While Barry Custance Baker was enduring his 1000 days of captivity his young wife Phyllis was attempting to correspond with him and the families of Barrys unit Fortunately these moving letters have been preserved and appear edited by their daughter Hilary in this book along with Barrys graphic memoir written after the War Surviving the Death Railways combination of first hand account correspondence and comment provide a unique insight into the long nightmare experienced by those in the Far East and at home The result is a powerful and inspiring account of one of the most shameful chapters in the history of mankind which makes for compelling reading

Ian Watt Marina MacKay,2018-11-15 Before his masterpiece *The Rise of the Novel* made him one of the most influential post war British literary critics Ian Watt was a soldier a prisoner of war of the Japanese and a forced labourer on the notorious Burma Thailand Railway Both an intellectual biography and an intellectual history of the mid century this book reconstructs Watt s wartime world these were harrowing years of mass death deprivation and terror but also ones in which communities and institutions were improvised under the starkest of emergency conditions Ian Watt *The Novel and the Wartime Critic* argues that many of our foundational stories about the novel about the novel s origins and development and about the social moral and psychological work that the novel accomplishes can be traced to the crises of the Second World War and its aftermath

Singapore Burning Colin Smith,2006-05-04 Churchill s description of the fall of Singapore on 15 February 1942 after Lt Gen Percival s surrender led to over 100 000 British Australian and Indian troops falling into the hands of the Japanese was no wartime exaggeration The Japanese had promised that there would be no Dunkirk in Singapore and its fall led to imprisonment torture and death for thousands of allied men and women With much new material from British Australian Indian and Japanese sources Colin Smith has woven together the full and terrifying story of the fall of Singapore and its aftermath Here alongside cowardice and incompetence are forgotten acts of enormous heroism treachery yet heart rending loyalty Japanese compassion as well as brutality from the bravest and most capricious enemy the British ever had to face

Corfield, 2001 If there was an honour roll of bibliographies of the Malayan campaign and the Japanese occupation of Malaya Singapore and Borneo this work would come close to the top of the list With over 4 000 entries it is a formidable collection and there is no doubt that Justin Corfield s efforts will be valuable to scholars working on this important aspect of military as well as Malayan and Singapore history Corfield has compiled a virtual treasure trove of hitherto seemingly untouched material in the form of original diaries and other unpublished personal accounts including material not only in English and Dutch but also in Malay and Chinese Three indices greatly facilitate the looking up of entries

Social Sciences Index, 1997 *Whitaker's Books in Print*, 1998 ￼￼￼￼ ￼￼￼, 2008-06-20 *The Man Behind the Bridge* Peter Davies, 2013-12-17 Lieutenant Colonel Philip Toosey was the senior British officer concerned with the building of the notorious Bridge over the River Kwai Toosey understood from the very beginning that the only real issue was how to ensure that as many of his men as possible should survive their captivity Many thousands who knew how Toosey stood up to their oppressors at great personal risk were incensed by Alec Guinness s brilliant portrayal of Colonel Nicholson in the film version of Boulle s book This book provides an accurate historical account of the terrible events during which more than 16 000 PoWs died while building the Thai Burma railway of which the bridge formed an essential part A memorial to Toosey this book is also a definitive history of the building of the railway in the context of the Far Eastern theatre of World War II First published in 1991 this title is part of the Bloomsbury Academic Collections series *U.S. Camera and Travel*, 1964
