*A Companion to the Biopic* Deborah Cartmell, Ashley D. Polasek, 2020-01-15 The most comprehensive reference text of theoretical and historical discourse on the biopic film The biopic often viewed as the most reviled of all film genres traces its origins to the early silent era over a century ago Receiving little critical attention biopics are regularly dismissed as superficial formulaic and disrespectful of history Film critics literary scholars and historians tend to believe that biopics should be artistic yet accurate true to life representations of their subjects Moviegoing audiences however do not seem to hold similar views biopics continue to be popular commercially viable films Even the genre's most ardent detractors will admit that these films are often very watchable particularly due to the performance of the lead actor It is increasingly common for stars of biographical films to garner critical praise and awards driving a growing interest in scholarship in the genre A Companion to the Biopic is the first global and authoritative reference on the subject Offering theoretical historical thematic and performance based approaches this unique volume brings together the work of top scholars to discuss the coverage of the lives of authors politicians royalty criminals and pop stars through the biopic film Chapters explore evolving attitudes and divergent perspectives on the genre with topics such as the connections between biopics and literary melodramas the influence financial concerns have on aesthetic social or moral principles the merger of historical narratives with Hollywood biographies stereotypes and criticisms of the biopic genre and more This volume Provides a systematic in depth analysis of the biopic and considers how the choice of historical subject reflects contemporary issues Places emphasis on films that portray race and gender issues Explores the uneven boundaries of the genre by addressing what is and is not a biopic as well as the ways in which films simultaneously embrace and defy historical authenticity Examines the distinction between reality and the real in biographical films Offers a chronological survey of biopics from the beginning of the 20th century A Companion to the Biopic is a valuable resource for researchers

*Sweet and Savage* Mark Goodall, 2018-02-19 The Mondo Cane films were an important key to what was going on in the media landscape of the 1960s especially post the JFK assassination Nothing was true and nothing was untrue J G Ballard Being the first ever English language title devoted exclusively to the controversial and influential mondo documentary film cycle this revised edition of Sweet and Savage remains the only serious study of mondo as a global film phenomenon and includes a detailed examination of the key films of this cult genre Sweet and Savage identifies the principle stylistic aspects of the mondo genre through a fascinating non linear approach that echoes the collage shock effects of the original films In so doing it features exclusive interviews and many unique material contributions It is lavishly illustrated with rare photographs stills posters and record sleeves Foreword by Jeremy Dyson

*Memories and Silences Haunted by Fascism* Daniela Baratieri, 2010 Fascist and colonial legacies have been determinant in shaping how Italian colonialism has been narrated in Italy till the late 1960s This book deals with the complex problem of public memory and discursive amnesia The detailed research that underpins this book makes it no longer possible to claim that after 1945 there was an absolute and traumatic silence concerning Italy's colonial occupation of North and East Africa However the abiding public use of this history confirms the existence of an extremely selective and codified memory of that past The author shows that colonial discourse persisted in historiography newspapers newsreels and film Popular culture appears intertwined with political and economic interests and the power inscribed in elite and scientific knowledge While readdressing the often mistaken historical time line that ignores that actual Italian colonial ties did not end with the fall of Fascism but in 1960 with Somalia becoming independent this book suggests that a new post Fascist Italian identity was the crucial issue in reappraisals of a national colonial past

**Swedish Cinema and the Sexual Revolution** Elisabet Björklund, Maria Larsson, 2016-07-13 Swedish cinema became recognized for daring representations of sexuality with such films as *One Summer of Happiness* 1951 *The Silence* 1963 *I Am Curious Yellow* 1967 and a wave of sex films in the late 1960s and 1970s The association between Swedish film and sexuality shows up frequently in popular culture From *Taxi Driver* 1976 to *Mad Men* 2007 2015 dirty Swedish movie references abound Yet the connection has attracted little critical attention In this collection of new essays Swedish and American scholars go beyond popular misconceptions to explore the origins influences and reception of sexuality in Swedish cinema during the sexual revolution on both sides of the Atlantic A broad range of topics are covered from analyses of key films to a behind the scenes study of the Swedish Film Institute which played a significant role in opposing Swedish film censorship

*Homosexuality and Italian Cinema* Mauro Giori, 2017-11-18 This book is the first to establish the relevance of same sex desires pleasures and anxieties in the cinema of post war Italy It explores cinematic representations of homosexuality and their significance in a wider cultural struggle in Italy involving society cinema and sexuality between the 1940s and 1970s Besides tracing the evolution of representations through both art and popular films this book also analyses

connections with consumer culture film criticism and politics Giori uncovers how complicated negotiations between challenges to and valorization of dominant forms of knowledge of homosexuality shaped representations and argues that they were not always the outcome of hatred but also sought to convey unmentionable pleasures and complicities Through archival research and a survey of more than 600 films the author enriches our understanding of thirty years of Italian film and cultural history

*Masks in Horror Cinema* Alexandra Heller-Nicholas, 2019-10-15 First critical exploration of the history and endurance of masks in horror cinema Written by an established award winning author with a strong reputation for research in both academia and horror fans Interdisciplinary study that incorporates not only horror studies and cinema studies but also utilises performance studies anthropology Gothic studies literary studies and folklore studies Mark E. Smith and The Fall: Art, Music and Politics Mr Benjamin Halligan, Mr Michael Goddard, 2013-01-28 This volume offers a comprehensive range of approaches to the work of Mark E Smith and his band The Fall in relation to music art and politics Mark E Smith remains one of the most divisive and idiosyncratic figures in popular music after a recording career with The Fall that spans thirty years Although The Fall were originally associated with the contemporaneous punk explosion from the beginning they pursued a highly original vision of what was possible in the sphere of popular music While other punk bands burned out after a few years only to then reform decades later as their own cover bands The Fall continue to evolve while retaining a remarkable consistency even with the frequent line up changes that soon left Mark E Smith as the only permanent member of the group The key aspect of the group that this volume explores is the invariably creative unfailingly critical and often antagonistic relations that characterize both the internal dynamics of the group and the group's position in the pop cultural surroundings The Fall's ambiguous position in the unfolding histories of British popular music and therefore in the new heritage industries of popular culture in the UK from post punk to anti Thatcher politics to the Factory fiction of Manchester and on into Mark E Smith's current role as ageing enfant terrible of rock illustrates the uneasy relationship between the band their critical commentators and the historians of popular music This volume engages directly with this critical ambiguity With a diverse range of approaches to The Fall this volume opens up new possibilities for writing about contemporary music beyond traditional approaches grounded in the sociology of music Cultural Studies and music journalism an aim which is reflected in the variety of provocative critical approaches and writing styles that make up the volume

**Social Memory, Silenced Voices, and Political Struggle** Cunningham Bissell, Marie-Aude Fouere, 2018-04-24 This volume focuses on the cultural memory and mediation of the 1964 Zanzibar revolution analyzing its continuing reverberations in everyday life The revolution constructed new conceptions of community and identity race and cultural belonging as well as instituting different ideals of nationhood citizenship sovereignty As the commemoration of the 50th anniversary of the revolution revealed the official versions of events have shifted significantly over time and the legacy of the uprising is still deeply contested In these debates the question of Zanzibari identity remains very much at stake Who exactly

belongs in the islands and what historical processes brought them there What are the boundaries of the nation and who can claim to be an essential part of this imagined and embodied community Political belonging and power are closely intertwined with these issues of identity and history raising intense debates and divisions over precisely where Zanzibar should be situated within the national order of things in a postcolonial and interconnected world Attending to narratives that have been overlooked ignored or relegated to the margins the authors of these essays do not seek to simply define the revolution or to establish its ultimate meaning Instead they seek to explore the continuing echoes and traces of the revolution fifty years on reflected in memories media and monuments Inspired by interdisciplinary perspectives from anthropology history cultural studies and geography these essays foreground critical debates about the revolution often conducted sotto voce and located well off the official stage attending to long silenced questions submerged doubts rumors and secrets or things that cannot be said

Neil Jackson, Shaun Kimber, Johnny Walker, Thomas Joseph Watson, 2016-01-28 The phenomenon of so called snuff movies films that allegedly document real acts of murder specifically designed to entertain and sexually arouse the spectator represents a fascinating socio cultural paradox At once unproven yet accepted by many as emblematic of the very worst extremes of pornography and horror moral detractors have argued that the mere idea of snuff constitutes the logical and terminal extension of generic forms that are dependent primarily upon the excitement stimulation and ultimately corruption of the senses Snuff Real Death and Screen Media brings together scholars from film and media studies to assess the longevity of one of screen media's most enduring cultural myths Thorough provocative and well argued the contributions to this volume address areas ranging from exploitation movies the video industry trends in contemporary horror cinema pornography and Web 2.0
