## 1. Serene Waters

In waters cool, a world unfolds,  
Where liquid dreams and stories are told.  
Beneath the sun's warm, golden gleam,  
I dive into this tranquil stream.

## 2. Dance of the Dolphins

Beneath the sky's expanse so wide,  
Where waves and dreams coincide,  
Dolphins leap in graceful glee,  
A dance of joy, forever free.

## 3. The Mermaid's Song

Beneath the moon's enchanting light,  
Where stars adorn the velvet night,  
A mermaid's song echoes through,  
Her secrets held in shades of blue.

## Swimmer Poems:

**The Swimmer** John Koethe, 2025-09-23 A searching new collection from America's philosopher poet John Koethe in his tenth volume of poetry investigates the capricious nature of everyday life the late night jazz great sex and all The human shit defining what we are His poems always dynamic and in process never static or complete luxuriate in the questions that punctuate the most humdrum of routines rendering a robust portrait of an individual complicated quotidian and resounding with truth The Swimmer argues that this energizes everything life's trivialities surprises and disappointments and the terrible feeling of being just about to fall

**The Swimmer** Susan G. Ludvigson, 1984-06-01 In The Swimmer Susan Ludvigson writes of the enveloping sensuality of swimming gliding beneath the waves basking in shimmering light on the surface drifting in the pleasure of the water In these poems swimming can be the perfect escape from life a sublime refuge from the cares and agonies that lie on the shore or wait at the edge of the pool Ludvigson begins with poems that speak of the griefs that punctuate life She writes of the fearsome mysteries of passion the agonies that can be reawakened by memory the sabotage of dreams the sadness of living in a world painfully contracted by the deaths of loved ones It's not the world I care about now but a few lives Yours Mine The friends who go on dying After Don after Anne I can hardly believe how it continues She then turns to poems that seek escape from grief in the dark humor of obscure news items Man Arrested in Hacking Death Tells Police He mistook Mother in Law for Raccoon and in the absorbing depths of art But these are escapes of the mind momentary transformations of identity that cannot finally bring calm to the spirit In the final section of the book Ludvigson returns to the lure of the water Under that starry sky you'll float in the shadows of shadows there might be no end to it just water darkening into night then slowly restoring itself to blue The silence will be a new entrance to dreams sleep a new way to breathe Sensual and moving these are poems of renewal and of loss poems that seek the moments of calm amid the jagged hours of daily life

**Enter Water, Swimmer** Mary Morris, 2022-07-28 These poems travel physically and emotionally addressing the human condition through evocative language Enter Water Swimmer and you will be steeped in various manifestations of this world and beyond daring to take on diverse realms of women belief culture and ethics Day One You slipped through me not by me How could I have known I would fall through these waters into the country of us **101**

**Sports Poems Vol 4 Running Bicycling Sailing Swimming Gymnast , Swimming Swimmers Swimming** Percival Everett, 2011 These poems question the sounds that are meaning They interrogate where meaning resides and whether they are in any way rigidly or loosely wed to the words that carry it There is a nod toward logic and at once an acceptance of its limits These poems are landscapes the meaning altering with the movement of clouds with the changing light Irony sometimes is the way we can be earnest *Swimming The Hellespont - Selected Poems: 1971-2001* Jesse Mavro Diamond, 2015-07-03 All good things take time says a fictionalized Pablo Neruda in the poem that opens this book which itself took many years to write Full of energy passion and telling detail Swimming the Hellespont is peopled with memorable

characters Using a variety of forms ranging from prose poems reminiscent of Gertrude Stein to sonnets and imitation Sapphic stanzas Diamond creates a haunting record of one woman's journey through three politically charged and life changing decades Martha Collins

**Swimming at Midnight** John Matthias, 1995 Swimming at Midnight collects the short and middle length poems from John Matthias's earlier books together with twenty poems that have previously appeared only in magazines It is published simultaneously with *Beltane* at Aphelion which includes all of Matthias's longer poems The two books together represent some thirty years of his work The poems in *Swimming at Midnight* range from early lyrics written in America during the late 1960s to meditative poems dealing with historical geographical and cultural themes deriving from Matthias's years in England in the seventies and eighties they include the epistolary poems from *Turns* Poem for Cynouai from *Crossing A Wind in Roussillon* from *Northern Summer* and the formal experiments engaging issues of poetics and metaphysics for which Matthias is well known The book concludes with a section of new poems and translations dealing both with the public world of modern history and the private experience of life in the century's final decade The last poem of all connects the work in *Swimming at Midnight* with the last of the long poems in *Beltane* at Aphelion Critics have been warm in their praise of Matthias's work Robert Duncan called his early poetry the work of a Goliard one of those wandering souls out of a Dark Age in our own time and Guy Davenport has said that his recent work makes him one of the leading poets in the USA D M Thomas in the TLS admired the virtuosity of *Turns* and the way life presses into the poems while John Fuller in the same journal found the poems in *Crossing* bursting with a masterful intelligence In a long essay on *Northern Summer* Jeremy Hooker wrote In his combination of lyrical and discursive voices as in subject and concern Matthias has an exciting range He writes in some poems from a tension between a scribe's respect for the integrity of his materials and a magician's freedom to transform them and in many poems he brings together the contrasting gifts and is

fully present as himself both scribe and magician      *Educating the Imagination: Writing poetry. Writing fiction. Inventing language. Bi-lingual & cross-cultural. Evaluation. Reading. Cavanaugh, 1995 Lorca's Drawings and Poems focuses on the act of reading Lorca's drawn or written texts and how the reading of one genre can inform the reading of another Throughout the study poetry and drawings from every period of Lorca's career are examined Selected drawings are interpreted next poems contemporary to those drawings are analyzed in their light In chapter 1 a common poetics is extracted from Lorca's comments about his drawings and writing and placed in the context of the literary and artistic movements of his day The evolution of the literary criticism that examines Lorca's drawings is traced and reviewed Lorca's texts are examined from varying perspectives in the chapters that follow In chapter 2 drawings and poems from 1927 to 1928 are analyzed in light of Lorca's participations in artistic and literary movements during those years Texts from each period of Lorca's work are read in chapter 3 in a study of Lorca's employment of space and his depiction of setting and subject in his drawings and poems Such a chronological approach allows the reading of Lorca's texts to reveal the evolution of his aesthetics as well as to identify the imagery and techniques that remained consistent throughout his career      **Swimming to Freedom** Kent Wong, 2021-04-27 When Kent Wong was a young boy his father a patriotic Chinese official in the customs office in Hong Kong joined an insurrection at work and returned with the family to the newly established People's Republic of China Hailed as heroes they settled in the southern city of Canton But Mao's China was dangerous and unstable with landlords executed en masse and millions dying of
