 most visible figures in sport today but little is known about the history of their profession This book examines the history of  
 coaching from the early nineteenth to the late twentieth century It uses a number of sports as case studies that includes

cricket swimming rugby union athletics football and tennis The focus is largely English but international examples are used to illuminate the British context A number of themes are explored Initially in the 1800s the coach was like an artisan who learned his skills on the job and coaching was similar to a craft Early coaches were professionals but from the late nineteenth century an amateur elite governed British sport who inhibited and in some sports banned coaching As the twentieth century progressed though different sports at different stages began to embrace coaching as international competition intensified In addition the nature of coaching changed as a more scientific and managerial approach was applied Finally in football the export of early British coaches is examined in light of the migration of international athletes and also as a process of knowledge transfer This book was published as a special issue of Sport in History *Sports Coaching Cultures* Kathleen M. Armour, Robyn Jones, Paul Potrac, 2004-07-31 The art of coaching is recognising the situation recognising the people and responding to the people you are working with that's the big thing to handle people Steve Harrison Coach Middlesbrough Football Club Responding to the fast growing subject in academic sports departments this groundbreaking new coaching studies text offers a view that focuses the coach as a person and the coaching practice as a complex social encounter Unlike existing titles in the field which look at coaching as a science this book examines the personalities histories relationships and individual styles of eight coaches at the top of their profession One to one interviews with some of the best known and respected elite sports coaches include Steve Harrison Hope Powell and Graham Taylor from football Ian McGeechan and Bob Dwyer from rugby Di Bass from swimming Lois Muir from netball and Peter Stanley from athletics and form the basis for subsequent exploration of four key themes in sports coaching coaching pedagogy the coach's role the coach's interaction with athletes the coach's power This text will be of significant interest to students of coaching science and sports science and will appeal to the considerable body of amateur sports coaches with an interest in the styles of those at the top **Swim Wild and Free** Simon Griffiths, 2022-04-28 I love this book Louise Minchin The perfect companion for anyone who wants to swim outdoors Your Healthy Living This is the ultimate practical guide to get you swimming outdoors 365 days a year Whether you want to take your first tentative dip in your local wild swimming spot or take on a long distance swimming challenge you'll find everything you need to embrace outdoor swimming and enjoy the health and wellbeing benefits it offers Have you ever wondered what kit you need for winter swimming or how to fall in love with the cold This book includes dedicated information about each season ensuring you have everything you need to make outdoor swimming something you can enjoy safely all year round Discover how to overcome your outdoor swimming fears and why becoming an outdoor swimmer can help you cope better with the ups and downs of daily life Find out the differences between swimming in oceans rivers and lakes learn how to become a stronger swimmer and how to design your own training plans Featuring case studies from people with a wide range of backgrounds who have embraced the outdoor swimming lifestyle including people living with physical disabilities and mental health challenges this is the book for anyone who wants to swim outdoors Swimming
