Susan Gillis, George Amabile

Swimming Among The Ruins:

In Ruins Christopher Woodward, 2010-05-12 In this enchanting meditation on ruins Christopher Woodward takes us on a thousand year journey from the plains of Troy to the monuments of ancient Rome from the crumbling palaces of Sicily Cuba and Zanzibar to the rubble of the London Blitz With an exquisite sense of romantic melancholy we encounter the teenage Byron in the moldering Newstead Abbey Flaubert watching the buzzards on the pyramids Henry James in the Colosseum and Freud at Pompeii We travel the Appian Way with Dickens and behold the Baths of Caracalla with Shelley An exhilarating tour at once elegant and stimulating *In Ruins* casts an exalting spell as it explores the bewitching power of architectural remains and their persistent hold on the imagination

Swimming Among the Ruins Susan Gillis, George Amabile, 2000 The poems in *Swimming Among the Ruins* imagine the reconciliation of material reality with the spirit's longing through travel the physical displacement of time and space through contemplation and through the unsettling of language The submerged foundations of a ruined city place names that recall the past ancient statuary a drop of water echoing in an empty tomb personal memories heat left on a path walked by generations these remnants of passage are examined intensely often through a lens rippled by water or vapour looking back toward their origins and forward into the possibilities of transformation

Criminal Case 40/61, the Trial of Adolf Eichmann Harry Mulisch, 2005-05-24 The trial of Adolf Eichmann began in 1961 under a deceptively simple label criminal case 40 61 Hannah Arendt covered the trial for the *New Yorker* magazine and recorded her observations in *Eichmann in Jerusalem The Banality of Evil* Harry Mulisch was also assigned to cover the trial for a Dutch news weekly Arendt would later say in her book's preface that Mulisch was one of the few people who shared her views on the character of Eichmann At the time Mulisch was a young and little known writer in the years since he has since emerged as an author of major international importance celebrated for such novels as *The Assault* and *The Discovery of Heaven* Mulisch modestly called his book on case 40 61 a report and it is certainly that as he gives firsthand accounts of the trial and its key players and scenes the defendant

s face strangely asymmetric and riddled by tics his speech absurdly baroque Eichmann s character comes out in his incessant bureaucratizing and calculating as well as in his grandiose visions of himself as a Pontius Pilate like innocent As Mulisch intersperses his dispatches from Jerusalem with meditative accounts of a divided and ruined Berlin an eerily rebuilt Warsaw and a visit to the gas chambers of Auschwitz Criminal Case 40 61 the Trial of Adolf Eichmann becomes as a disturbing and highly personal essay on the Nazi extermination of European Jews and on the human capacity to commit evil ever more efficiently in an age of technological advancement Here presented with a foreword by Deb rah Dwork and translated for the first time into English Criminal Case 40 61 provides the reader with an unsettling portrait not only of Eichmann s character but also of technological precision and expertise It is a landmark of Holocaust writing [West Coast Magazine](#) ,1909
