

Swiss Foreign Policy, 1945–2002

Edited by Jörg Martin Göttsel and Thomas Fischer

Swiss Foreign Policy 1945

William Z. Slany

Swiss Foreign Policy 1945:

Swiss Foreign Policy, 1945-2002 J. Gabriel, T. Fischer, 2003-09-09 *Swiss Foreign Policy 1945 2002* presents for the first time a comprehensive collection of eight essays addressing the post war foreign policy of Switzerland The essays deal with a diverse range of issues general foreign policy and neutrality defense and security policy relations with the United Nations the Swiss policy of good offices relations with the International Committee of the Red Cross Swiss human rights policy arms control and non proliferation and foreign economic policy Through these essays the dualistic nature of Swiss foreign policy being at once both strongly internationalist and strongly unilateralist is examined

A Swiss Foreign Policy for the 21st Century Thomas Bernauer, Katja Gentinetta, Joëlle Kuntz, 2022-09-30 Switzerland is facing critical foreign policy challenges Its relationship with the EU is still unsettled the geopolitical landscape is changing rapidly and technological innovation brings additional dynamics into play This book provides a forward looking guide for all those concerned with Swiss foreign policy issues and an overview of Swiss foreign policy along its key areas It deals for example with foreign trade international financial markets migration environmental policy humanitarian cooperation and peace promotion and security policy The contributions are written by academics and practitioners They shed light on the respective global or regional context in which Switzerland's foreign policy operates and analyze achievements challenges opportunities and risks as well as potential ways forward Published on behalf of the Swiss Society for Foreign Policy With forewords by Foreign Minister Ignazio Cassis and National Councilor Christa Markwalder President of the Swiss Society for Foreign Policy and contributions by Thomas Bernauer Fritz Brugger Aymo Brunetti Gilles Carbonnier Francis Cheneval Cedric Dupont Katja Gentinetta Isabel Gunther Paula Hoffmeyer Zlotnik Joelle Kuntz Sandra Lavenex Philipp Lutz Matthias Oesch Pascal Sciarini Charlotte Sieber Gasser Cedric Tille Andreas Wenger Achim Wennmann Sacha Zala The German version of *A Swiss Foreign Policy for the 21st Century* is available as *Eine Aussenpolitik für die Schweiz im 21. Jahrhundert*

Swiss Foreign Policy Magdalena Bernath, Laurent Goetschel, Daniel Schwarz, 2004-11-10 *Swiss Foreign Policy* provides in depth insights into the procedures and constraints of Swiss foreign policy answering questions such as Why is Switzerland not a member of the European Union What are the implications of staying apart and how important is neutrality in today's Europe What are the implications of federalism and direct democracy on foreign policy How should conflicting interests in foreign policy decision making be dealt with The book is essential reading to all those interested in foreign policy analysis the relationship between democracy and international relations the significance of being a small state in contemporary Europe and the specificities of the Swiss political system

China-Swiss Relations during the Cold War, 1949-1989 Cyril Cordoba, 2022-07-01 During the Cold War Switzerland functioned as a hub for Chinese propaganda networks Despite its fierce anti communism the Swiss Confederation was one of the first capitalist countries to recognise the People's Republic of China PRC As a neutral country and as the home base for many international organisations Switzerland represented a strategic centre for the spread of

Maoism throughout the world Focusing on cultural diplomacy and questioning the notion of soft power this book explores how the PRC developed its influence and its prestige abroad through its Embassy in Bern the most important in Western Europe The book also discusses how China s approach in Switzerland bypassing traditional diplomatic structures and relying on contacts with individual people foreign friends was then used and continues to be used in many other countries including the United States France and Japan

Western Europe 2023-2024 Wayne C. Thompson,2023-06-23 The World Today Series Western Europe is an annually updated presentation of each sovereign country in Western Europe past and present It is organized by individual chapters for each country expertly covering the region s geography people history political system constitution parliament parties political leaders and elections The combination of factual accuracy and up to date detail along with its informed projections make this an outstanding resource for researchers practitioners in international development media professionals government officials potential investors and students Now in its 40th edition the content is thorough yet perfect for a one semester introductory course or general library reference Available in both print and e book formats and priced low to fit student budgets

Western Europe 2024-2025 Wayne C. Political Change in Switzerland Clive Church,2016-06-10 Political Change in Switzerland explains the striking recent political developments in Switzerland an important but surprisingly little known and often misunderstood country aiming to dissipate prevailing myths about Switzerland in its European context Firstly the title provides an analysis of the way the practice and processes of Swiss politics have so dramatically changed over the last 25 years setting out the differences between outside perceptions and changing Swiss realities Secondly it discusses how far the country has moved

from the stability of the post war period to a new era of uncertainty in which the so called Sonderfall or special case no longer seems to apply In doing so it analyses the populist movement centred on the Swiss People s Party examining its support and tactical operations as well as the response of the establishment to the challenges the movement poses both generally and where key questions of policy on foreigners and the EU are concerned Finally the title explains how much of this change is related to Europe and discusses the prospects for Switzerland Europe and the EU member states in the light of this new Swiss uncertainty The way in which globalization has imposed new stresses on Switzerland both in external policy and social terms is the key theme of the title These stresses have in turn encouraged the growth of a new populist movement drawing on social classes previously supportive of other forces and employing aggressive new tactics creating a challenge that the establishment has found it hard to counter so that stability has been compromised As a result Switzerland now faces two linked policy challenges to find ways of accommodating unease about immigration and to devise a realistic and widely acceptable new relationship with the EU The book s underlying belief is that these changes have left the country divided and uncertain about its future This title offers in depth analysis of Switzerland s domestic and European politics and policies It is also innovative in trying both to bring out the European roots of recent political changes in Switzerland and of the challenges these pose to the Swiss status quo and for the evolution of the EU and member states such as the United Kingdom This is a book for those interested in Switzerland academics business people diplomats journalists and political commentators

Swiss Banks and Attempts to Recover Assets Belonging to the Victims of the Holocaust United States. Congress. Senate. Committee on Banking, Housing, and Urban Affairs,1997 OSCE Yearbook 2013 Bloomsbury Publishing,2015-04-23 This book details the responsibilities and activities of the Organization for Security and Co operation in Europe Chapters range from conflict prevention and crisis management via the promotion of democracy and human rights to arms control with each chapter including analysis and reports on political and diplomatic practice *Foreign Relations of the United States* United States. Department of State,1969 **U.S. and Allied Wartime and Postwar Relations and Negotiations with Argentina, Portugal, Spain, Sweden, and Turkey on Looted Gold and German External Assets and U.S. Concerns about the Fate of the Wartime Ustasha Treasury** William Z. Slany,1998 *The Politics of Nuclear Non-Proliferation* Ursula Jasper,2013-10-08 This book examines the puzzle of why some states acquire nuclear weapons whereas others refrain from trying to do so or even renounce them Based on the predominant theoretical thinking in International Relations it is often assumed that nuclear proliferation is inevitable given the anarchic nature of the international system Proliferation is thus often explained by vague references to states insecurity in an anarchic environment Yet elusive generalisations and grand abstract theories inhibit a more profound and detailed knowledge of the very political processes that lead towards nuclearisation or its reversal Drawing upon the philosophical and social theoretical insights of American pragmatism *The Politics of Nuclear Non Proliferation* provides a theoretically innovative and practically useful

framework for the analysis of states nuclear proliferation policies Rather than recounting a parsimonious lean account of proliferation the framework allows for the incorporation of multiple paradigms in order to depict the complex political contestation underlying states proliferation decisions This pragmatist framework of analysis offers ways of overcoming long standing metatheoretical gridlocks in the IR discipline and encourages scholars to reorient their efforts towards imminent real world challenges This book will be of much interest to students of nuclear proliferation international security and IR theory

Framing China Ariane Knüsel, 2016-04-15 Framing China sheds new light on Western relations with and perceptions of China in the first half of the twentieth century In this ground breaking book Ariane Knüsel examines how China was portrayed in political debates and the media in Britain the USA and Switzerland between 1900 and 1950 By focusing on the political economic cultural and social context that led to the construction of the particular images of China in each country the author demonstrates that national interests anxieties and issues influenced the way China was framed and resulted in different portrayals of China in each country The author's meticulous analysis of a vast amount of newspaper and magazine articles commentaries editorials cartoons and newsreels that have previously not been studied before also focuses on the transnational circulation of images of China While previous publications have dealt with the occurrence of the Yellow Peril and Red Menace in particular countries Framing China reveals that these images were interpreted differently in every nation because they both reflected and contributed to the discursive construction of nationhood in each country and were influenced by domestic issues cultural values pre existing stereotypes pressure groups and geopolitical aspirations

The Palgrave Handbook of European Referendums Julie Smith, 2021-03-02 This handbook provides an empirically rich analysis of referendums in Europe from the end of the Second World War to the present It addresses a range of perennial theoretical and legal questions that face policy makers when they offer citizens the chance to take or influence decisions by referendum not least whether to accept the will of the people Taking a multi disciplinary approach drawing on historical philosophical and political science perspectives the book includes a contextual section on the history of referendums the theoretical questions underpinning their use and on constitutional and legal questions about the use of referendums The empirical sections are divided into those referendums that focus on domestic issues such as constitutional matters or questions of social policy and those related to the European Union including membership referendums and treaty ratification

Britain, Switzerland, and the Second World War Neville Wylie, 2003 This is a study of British policy towards Switzerland during World War II

Switzerland and Sub-Saharan Africa in the Cold War, 1967-1979 Sabina Widmer, 2021-10-25 In Switzerland and Sub Saharan Africa in the Cold War 1967 1979 Sabina Widmer analyses Swiss foreign policy in Angola Mozambique Ethiopia and Somalia in the late 1960s and 1970s at the crossroads of the global East West confrontation and decolonisation Focusing on the independence wars in Angola and Mozambique the Angolan War and the Ogaden War as well as regime changes that brought Soviet allied governments to power this book sheds new light on Switzerland's role in the

Third World during the Cold War Based on extensive multi archival research it exposes the limits of neutrality in North South relations reveals the growing marge de manoeuvre of small states during D tente and highlights the role of non state actors in the making of foreign policy

Small States in Europe Robert Steinmetz,2016-04-01 The effects of recent institutional change within the European Union on small states have often been overlooked This book offers an accessible coherent and informative analysis of contemporary and future foreign policy challenges facing small states in Europe Leading experts analyze the experiences of a number of small states including the Netherlands the Czech Republic Slovakia Luxembourg Cyprus Iceland Austria and Switzerland Each account written to a common template explores the challenges and opportunities faced by each state as a consequence of EU integration and how their behaviour regarding EU integration has been characterized In particular the contributors emphasize the importance of power politics institutional dynamics and lessons of the past Innovative and sophisticated the study draws on the relational understanding of small states to emphasize the implications of institutional change at the European level for the smaller states and to explain how the foreign and European policies of small states in the region are affected by the European Union

Engaged Neutrality Heinz Gärtner,2017-02-08 The notion that neutrality is a phenomenon only relevant to the Cold War is false in many ways The Cold War was about building blocks neutrality about staying out of them From 1975 until the end of the Cold War neutral states offered mediation and good offices and fought against the stagnation of the d tente policy especially in the framework of the CSCE After the end of the Cold War neutral states became active in peace operations outside of military alliances The concept of neutrality has proven time and again that it can adapt to new situations In many ways small neutral states have more room to maneuver than members of alliances or big powers They have more acceptance and fewer geopolitical interests Neutrality has been declared obsolete many times in its long and layered history yet it has also made many comebacks in varying forms and contexts Neutrality in the 21st century does not involve to staying out but engaging In contrast to disengagement and staying out engaged neutrality entails active participation in the international security policy in general and in international peace operations in particular Engaged neutrality means involvement whenever possible and staying out only if necessary

Switzerland and the Second World War Georg Kreis,2000-06-29 This collection of essays sheds light on the history of Switzerland during World War II covering such topics as trade financial relations gold refugees defence and foreign relations It also touches on official post war measures to suppress Switzerland s involvement in the war

FAQs About Swiss Foreign Policy 1945 Books

What is a Swiss Foreign Policy 1945 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Swiss Foreign Policy 1945 PDF?** There are several ways to create a PDF: Use software like

Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Swiss Foreign Policy 1945 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Swiss Foreign Policy 1945 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Swiss Foreign Policy 1945 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
