Sword Of The Lord:

The Sword of the Lord and how to Use it D. W. [from old catalog] Whittle,1895 **The Sword of the LORD - Is the WORD of GOD** Raymond Wells,2018-10-17 Ephesians 6 17 And take the helmet of salvation and the Sword of the Spirit which is the Word Jesus of God Revelation 19 15 And out of His Mouth goeth a Sharp Sword that with it he should smite the nations and he shall rule them with a rod of iron and he treadeth the winepress of the fierceness and wrath of Almighty God

The Sword of the Lord and how to Use it Daniel Webster Whittle,2016 *The Sword of Solomon* Dr. Forrest L. Walker Sr.,2014-02-24 The Sword For the word of God is living and powerful and sharper than any two edged sword piercing even to the division of soul and spirit and of joints and marrow and is a discernor of the thoughts and intents of the heart Heb 4 12 In defining a sword we know that it is a bladed weapon used primarily for cutting or thrusting The sword consists of a straight blade with two edges usually extremely sharp The objective of a sword in battle was to maim or inflict painful and severe wounds to the body of their enemy by means of mangling mutilating and injuring to render the opponent helpless and if these methods were unsuccessful the last resort was to take the life of their opponent by killing Just as the natural sword had its uses even so the spiritual sword The natural sword may maim or kill physically while the spiritual sword renders the demonic host helpless through its destroying power We must always keep in mind as believers that we have authority through the word of God which is symbolized by the sword In history the sword is said to be the emblem of military honor such as in the medieval times when someone was honored as a knight by a monarch or political leader for service to their country This was carried out by touching the shoulders of the honored person with the sword Though there are many types of swords the main concept was the same throughout history to protect and defend In the above mentioned scripture the sword was used as a symbol of the word of God A proper sword in its making was tempered very carefully meaning that it was heated at a certain temperature beaten into form by a sword smith on an anvil and cooled at a predetermined degree to ensure its effectiveness The reason for fashioning the sword in this manner was to ensure that when the combatant entered into battle the sword would be able to withstand all the attacks of their adversary by absorbing the shock of their weapons without shattering Even so when we re engaged in spiritual warfare we cannot afford to have our emotions interfere with the operation of the spiritual weaponry It is not the Word of God that ever falters but when one deals in unrighteousness such as forgiveness and bitterness these character flaws causes the word to become ineffective in our hands Just as the natural sword has to be tempered for effectiveness in battle in like manner we too must be tempered by bringing our bodies into subjection to the will of God Not being tempered enough in our selves gives the allusion that the sword is not pliable however it is we that are unstable and when the word is not activated in our lives this causes us to break as well Often times when dealing with conflict it may be difficult to discern who is telling the truth because the parties having the conflict are both liked in their circle of associates Before there were lie detectors there was God giving the discerning of spirits and the word

of knowledge to help bring about truth The sword is also a discerner of the thoughts and intentions of the heart Let me share a story with you about a boy who said to a girl friend of his I will give you all of my marbles if you give me all of your candy So the night before the exchange the boy took out some of his favorite marbles The next morning the exchange was made but the young man was unsettled all day The question is why was he unsettled The reason was the boy had taken out some of his favorite marbles and was wondering if the girl had taken out some of her favorite candy The truth is if the girl had asked the boy if he had given her all the marbles and he said yes he would have lied The Sword of Solomon will teach you how the Word enables you to become more sensitive in the Spirit to rightly divide who is dealing with truth and who is dealing in deceit The sword as a discerner of truth is able to pinpoint whether something is proceeding out *The Sword of the Lord. A Sermon, Etc* Vernon Faithfull STORR,1917 The Ultimate Heresy Rodger L. Cragun,2018-12-14 Is the Doctrine of Biblical Inerrancy Biblical While theologians throughout church history have condemned numerous doctrines as heresy Cragun boldly declares that the doctrine of biblical inerrancy is the worst heresy that the church has ever faced resulting in the undermining of central teachings of Jesus Treating the Bible as the inerrant word of God often eclipses the very real dimensions of hermeneutics that is the who how and why of biblical interpretation and translation After twenty five years of detailed research in libraries based in six major universities and seminaries Cragun has distilled his work in this book to challenge Christians who hold up inerrancy as a key tenant of the faith *The Holy Bible ... resolute in their mission to share God's message amid the perils of ancient times. This enthralling tale beckons readers to witness the transformative journey of a family committed to spreading the gospel even when faced with the direst of circumstances. As the Cornelius family forges a new life in Greece, their unwavering dedication to God's message inspires and challenges, prompting readers to reflect on their own faith journeys. Prepare to be immersed in a world where the clash of empires meets the quiet strength of believers and where the sword of the Lord becomes a symbol of unyielding faith. With rich historical detail, Furman paints a vivid tapestry of a bygone era, bringing to life characters who embody the resilience and tenacity of those who dared to stand for their beliefs. *Sword of the Lord* is not just a novel; it's an invitation to experience the courage of the early Christians to walk alongside the Cornelius family in their odyssey of faith and to emerge with a renewed sense of the enduring power of God's message.
