Sword Of Allah Islamic Fundamentalism From An Evangelical Perspective:

Sword of Allah David Zeidan, 2004-03 Islam has been called a peaceful religion But many radical Muslim fundamentalists are willing to use violent means to assert their ideology This book puts forth the case that this ideology is not new but is at the core of Islam and examines the doctrinal and ideological roots of Islamic fundamentalism As we understand the premise upon which Islamic fundamentalism is built we are compelled to pursue the millions of Muslims who have zeal without knowledge with the life changing truth of the gospel **Evangelical Christian Responses to Islam** Richard McCallum, 2024-02-08 Do Christians and Muslims worship the same God Who was Muhammad How does the Israeli Palestinian conflict affect Christian Muslim relations This is a book about Evangelical Christians and how they are answering challenging questions about Islam Drawing on over 300 texts published by Evangelicals in the first two decades of the twenty first century this book explores what the Evangelical micro public sphere has to say about key issues in Christian Muslim relations today From the books they write the blogs they post and the videos they make it is clear that Evangelical Christians profoundly disagree with one another when discussing Islam Answers to the questions range from seeing Muslims as the enemy posing an existential threat to Christians through to welcoming them as good neighbours or even as close cousins

in Persia and the Status of Non-muslims in Iran A. Christian Van Gorder, 2010-01-01 This book focuses on the history of Christianity in Persia and the present day relationship that Muslims in Iran have taken toward people of other faith traditions The book provides a comprehensive and readable introduction to a fascinating history with important contemporary ramifications for interfaith and intercultural studies Islam, Peace and Social Justice A Christian van Gorder, 2014-05-29

Islam, Peace and Social Justice examines the ways in which Islamic cultures have dealt with issues of social justice historically and culturally With unwavering objectivity the author helps readers of any faith to gain a nuanced and accurate understanding of the challenges that we face in contemporary multifaith engagements Dr van Gorder offers a comprehensive and sympathetic Christian insight into Islam The contentious issues of social justice that are encountered in this broad yet intricate study include the concept of Jihad poverty political oppression human rights genocide racism sexual injustice homophobia and environmental degradation The challenges are real and the problems are vast partnerships and solutions must be found people of faith Muslim Jewish and Christian must find ways to work together to address these shared challenges This work exposes misrepresentations and stereotypes about Islamic views of social justice that abound in Europe and North America The author encourages a deeper appreciation of how themes of social justice resound through Islamic texts and have been expressed both in the contemporary and historical life of various and diverse Islamic communities worldwide

Religion and Knowledge Mathew Guest, Elisabeth Arweck, 2016-04-15 Religions have always been associated with particular forms of knowledge often knowledge accorded special significance and sometimes knowledge at odds with prevailing understandings of truth and authority in wider society New religious movements emerge on the basis of reformulated often controversial understandings of how the world works and where ultimate meaning can be found Governments have risen and fallen on the basis of such differences and global conflict has raged around competing claims about the origins and content of religious truth Such concerns give rise to recurrent questions faced by academics governments and the general public How do we treat statements made by religious groups and on what basis are they made What authorities lie behind religious claims to truth How can competing claims about knowledge be resolved Are there

instances when it is appropriate to police religious knowledge claims or restrict their public expression This book addresses the relationship between religion and knowledge from a sociological perspective taking both religion and knowledge as phenomena located within ever changing social contexts It builds on historical foundations but offers a distinctive focus on the changing status of religious phenomena at the turn of the twenty first century Including critical engagement with live debates about intelligent design and the new atheism this collection of essays brings recent research on religious movements into conversation with debates about socialisation reflexivity and the changing capacity of social institutions to shape human identities Contributors examine religion as an institutional context for the production of knowledge as a form of knowledge to be transmitted or conveyed and as a social field in which controversies about knowledge emerge **Descobrindo o mundo**

The Tarragona Vortex Lawrence J. McCrank, 2022-09-30 This

extensive bibliographic essay underpins the entire Tarragona Vortex study by focusing on this arena as one of the most contested frontiers in Western history comparable to Jerusalem in the East for broad issues of Romanization Westernization Islamization and Christianization Its book length chapters treat 1 diverse historiographies from local and Spanish to comparative Mediterranean and Crusade History and especially Ethno historiography and the explanatory concept of frontiers 2 the phenomena of religion conversion and reform and the conditioning agents of Islam and Latin Christianity in practice and adversity 3 religious universalism and violence especially religious war 4 the Crusade and Reconquest paradigms and century long debate 5 the environment on land and sea and setting for this History Although these themes are explored to include due reconsideration but avoid major digressions in its telling about Tarragona and the Tarraconensis they underly so much of Late Antique and Medieval historical research that this discussion pertains to the whole field of historical cultural and religious studies

Attempt to Uproot Sunni-Arab Influence ,2017-01-24 In the aftermath of popular uprisings that unleashed the quest for freedom Arab governments scrambled to limit sectarian divisions though much of these efforts came to naught Regrettably weak governments fell into carefully laid traps aimed to divide and rule Protracted wars further destroyed Arab wealth and cohesiveness and Sunni communities saw their power bases marginalised On cue and predicted by some commentators extremist movements like the so called Islamic State emerged targeting Sunnis with extreme violence In 2014 Nabil Khalife an established Lebanese thinker published a widely praised thesis that identified the root causes of renewed sectarian tensions at a time when confrontations polarised awakened Arab societies Based on an extensive discussion of the 1979 Iranian Revolution that toppled the Shah Khalife advanced the notion that the revolution was not Islamic but an Iranian Shiah rebellion that ended the Pahlavi military monarchy and that the post 2011 Sunni Shiah struggle was planned by leading Western powers including Russia to preserve Israel and impose the latters acceptance in the Middle East as a natural element In this translation of Istihdaf Ahl al Sunna Targeting Sunnis Joseph A Kechichian analyses the fundamental questions raised by the author to better place the current sectarian collision in a geo strategic global perspective Based on the books avowals of how the worlds three monotheistic religions perceive each other and Political Sunnism Kechichian assesses Henry Kissinger s famous appellation of the Middle World that houses significant and indispensable oil resources and why that allegedly makes it Political Sunnism dangerous In a comprehensive introduction to the translation he describes various initiatives that led global powers to check the undeniable force of Political Sunnism

The Ethics of Terrorism Thomas Albert Gilly,Yakov Gilinskiy,Vladimir Sergevnin,2009 The goal of this book is to provide a unique and comprehensive examination of the ethics of terrorism s origins history meaning and its numerous avenues of expression There are 18 lectures that address the ethics of terrorism in both traditional and nontraditional explanations including the psychological aspects of abandonment weakness and degradation Inasmuch as ethics and morals are often confused the challenge lies in common misunderstanding and engaging in the discourse of the lectures on the ethics of
