George Cardavan a supposedly trusted associate of the Organization managed to acquire it That investigation quickly turns into something much more insidious when the sarcophagus is found open with no mummy and George s brutally murdered corpse nearby Naturally whispers of deadly curses abound But Ishmael knows the killer is all too real the only question is who A member of the fractious Cardavan family A thief willing to kill for treasure Or is it something else Something far more dangerous Something that can be heard walking in the darkest corridors of Cardavan House searching for its next victim
