Thrall,2020-01-21 Mystic Moderns examines the responses of three British authors Evelyn Underhill 1875 1941 May Sinclair 1863 1946 and Mary Webb 1881 1927 to the emerging modernity of the long early twentieth century moment encompassing the First World War As they explored divergent but overlapping understandings of what mystical experience might be these authors rejected claims that modernity s celebration of the secular and rational left no place for the mystical rather they countered sensitivity to a greater reality could both establish and validate personal agency and was integral to their identities as modern women Their preoccupations with the dynamism of human connection drew on prevailing ideas of vital energy or life force developed by Arthur Schopenhauer and Henri Bergson in ways that channeled modernity s erotic energy of change By using their fiction to describe new self authenticating forms of mysticism separate from either the prevailing orthodoxy of establishment Christianity or the extreme heterodoxy of their era s enthusiasm for paranormal experimentation they also contributed to the rise of a generic concept of spirituality Mystic Moderns thus offers historical perspective on contemporary claims for self constructed non institutional spiritual experience associated with the claim I m spiritual not religious Working as they did within the shadow of the First World War Underhill Sinclair and Webb were in the end attempting to determine what might be of authentic value for a modern age marked by ubiquitous death While not themselves utopian authors each was touched by her era s complicated hunger for the best of all possible worlds Their constructions of how an individual should be and act in the midst of modernity thus simultaneously projected visions of what that modernity itself should become **Herald and Presbyter** ,1906 *The Sentinel and Star in the West* ,1829 **A Layman's Ladder To Heaven Volume-I** Dr. Ashwin Drummond,2022-10-29 The book A layman s ladder to heaven is a fundamental address to the nuances of Christianity It covers the whole gamut of events right from creation fall redemption and finally the end of the world How God created this

world and man as mortal how sin emerged what is sin and how mortality turned into immortality The entrance of decay and death its causes and how to overcome it The love of God for the doomed race on account of sin and how to circumvent the impending doom and once again live life as mortals have been examined The book explains the plan of redemption How God has salvaged man from death through the crucifixion of Lord Jesus Christ on the cross of Calvary How through his death the price of sin was paid for the entire humanity What is the first and second death And everlasting life is also explained in a nutshell It is also explained how to tackle the various challenges in life We can overcome our daily problems by merely following the teachings of Jesus highlighted in the book Peace of mind depression prosperity riches power health etc can be overcome How Lord Jesus can metamorphosize our lives to live a life of contentment and enjoy the blessings of the Lord Sharing and caring for the human race also finds a place in the book The emanating and focal point of all the miseries of life and who is responsible for it is also discussed Who is Satan and how he s trying to destroy our lives by bringing miseries tragedies sickness and suffering and how to overcome it How the Lord Jesus has defeated death and paved the way for man for eternal life Lastly the creation that has been soured by Satan has to come to an end Why how and when have also been explained Who shall enter the new eternal life what are the requirements for it and how we can achieve this distinction has a special place in the book What is the new sin free and eternal life where the obedient go is also covered The book in short is an answer to all our daily problems

The Three Comrades Kristína Royová,2022-11-22 Erich Maria Remarque s The Three Comrades is a profound exploration of camaraderie and the struggle for survival against the backdrop of post World War I Germany Written in a poignant first person narrative this novel conveys the experiences of its main character Robert Lohkamp through a realistic and often heart rending depiction of war and its aftermath The prose is imbued with the literary context of the Lost Generation with its characteristic reflection of disillusionment and the search for meaning in a world shattered by the conflict paralleling the works of contemporaries such as Hemingway and Fitzgerald nInextricably linked to the book s genesis Krist na Royov often mistakenly tied to the novel The Three Comrades is not its author that distinction belongs solely to Remarque Nevertheless the individual mentioned illustrates the common misconception surrounding the novel s authorship due to similar names or literary era confusion Remarque a German veteran himself drew upon his own experiences and the pervasive sense of desolation felt by many to craft a narrative that resonates with authenticity and a deep understanding of human resilience nThe emotional resonance of The Three Comrades positions it as an essential read for those seeking to comprehend the psychological impacts of war and its lingering shadows on personal relationships It is recommended for readers of historical fiction anyone interested in the effects of armed conflict on the psyche and those who appreciate literature that encapsulates the spirit of a generation seeking solace in unity amidst the ruins of their reality
