Restored Edition *Islands in the Stream* 1970 and *The Garden of Eden* 1986 Linda Wagner Martin provides background and intertextual readings particularly of the way Hemingway's unpublished stories Phillip Haines was a writer and his fiction from *Men Without Women* and *Winner Take Nothing* interface with the memoir The revised edition also highlights and provides background on Hemingway's treatment of F Scott Fitzgerald and Gertrude Stein his life in Paris in the 1920s and his connection to the poetry scene there putting this in conversation with Mary Hemingway's edits of *A Moveable Feast* The new chapters also illuminate the reception of *Islands in the Stream* and a new way of understanding the role of gender and androgyny in *The Garden of Eden* On a whole the book draws from extensive archival research particularly correspondence of all four of Hemingway's wives

Poetic Memory Uta Gosmann, 2012 How do poems remember What kinds of memory do poems register that factual chronological accounts of the past are oblivious to What is the self created by such practices of memory To answer these questions Uta Gosmann introduces a general theory of poetic memory a manner of thinking that eschews simple minded notions of linearity and accuracy in order to uncover the human subject's intricate relationship to a past that it cannot fully know Gosmann explores poetic memory in the work of Sylvia Plath Susan Howe Ellen Hinsey and Louise Glück four American poets writing in a wide range of styles and discussed here for the first time together Drawing on psychoanalysis memory studies and thinkers from Nietzsche and Benjamin to Halbwachs and Kristeva Gosmann uses these demanding poets to articulate an alternative non empirical model of the self in poetry

A History of American Literature Linda Wagner-Martin, 2015-07-20 A HISTORY OF AMERICAN LITERATURE 1950 TO THE PRESENT Featuring works from notable authors as varied as Salinger and the Beats to Vonnegut Capote Morrison Rich Walker Eggers and DeLillo A History of American Literature 1950 to the Present offers a comprehensive analysis of the wide range of literary works produced in the United States over the last six decades and a fascinating survey of the dramatic changes during America's transition from the innocence of the fifties to the harsh realities of the first decade of the new millennium Author Linda Wagner Martin a highly acclaimed authority on all facets of modern American literature covers major works of drama poetry fiction non fiction memoirs and popular genres such as science fiction and detective novels Viewing works produced during this fertile literary period from a wide ranging perspective Wagner Martin considers literature in relation to such issues as the politics of civil rights feminism sexual preferences and race and gender based marketing She also places a special emphasis on works produced during the twenty first century and writings influenced by recent historic events such as the 9 11 terrorist attacks Hurricane Katrina and the global financial crisis With its careful balance of scholarly precision and accessibility A History of American Literature 1950 to the Present provides readers of all levels with rich and revealing insights into the diversity of literary forms and influences that characterize postmodern America A monumental distillation of an enormous range of material Wagner Martin's rich book should be required reading for anyone grappling with making sense of the prolific broad spectrum and diverse writing in the US since 1950 Thadious M Davis University of Pennsylvania

Linda Wagner Martin's history impressively and judiciously surveys all fields of American writing over the past sixty years taking full account of significant cultural and historical contexts and the major critical commentaries that have helped shape our understanding of developments in the second half of the last century and the dozen years following the millennium. Balanced, informative and always highly readable, there is much here for general readers, students and specialists alike.

Christopher MacGowan, the College of William and Mary **Ted Hughes in Context** Terry Gifford, 2018-06-21 Ted Hughes wrote in a wide range of modes which were informed by an even wider range of contexts to which his lifetime's reading interests and experience gave him access. The achievement of Ted Hughes as one of the major poets of the twentieth century is complimented by his growing reputation as a writer of letters, plays, literary criticism and translations. In addition, Hughes made important contributions to education, literary history, emergent environmentalism and debates about life writing. *Ted Hughes in Context* brings together thirty-four contributors who inform new readings of the works and conceptualize Hughes's work within long-standing critical traditions while acknowledging a new awareness of his future importance. This collection offers consideration not only of the most important aspects of Hughes's work but also the most neglected. [American Poets and Poetry](#) Jeffrey Gray, Mary McAleer Balkun, James McCorkle, 2015-03-10 The ethnically diverse scope, broad chronological coverage and mix of biographical, critical, historical, political and cultural entries make this the most useful and exciting poetry reference of its kind for students today. American poetry springs up out of all walks of life; its poems are maternal as well as paternal, stuff'd with the stuff that is coarse and stuff'd with the stuff that is fine as Walt Whitman wrote, adding 'Of every hue and caste am I of every rank and religion.' Written for high school and undergraduate students, this two-volume encyclopedia covers U.S. poetry from the Colonial era to the present, offering full treatments of hundreds of key poets of the American canon. What sets this reference apart is that it also discusses events, movements, schools and poetic approaches, placing poets in their social, historical, political, cultural and critical contexts and showing how their works mirror the eras in which they were written. Readers will learn about surrealism, ekphrastic poetry, pastoral, elegy, the Black Mountain poets and language poetry. There are long and rich entries on modernism and postmodernism as well as entries related to the formal and technical dimensions of American poetry. Particular attention is paid to women poets and poets from various ethnic groups. Poets such as Amiri Baraka, Nathaniel Mackey, Natasha Trethewey and Tracy Smith are featured. The encyclopedia also contains entries on a wide selection of Latino and Native American poets and substantial coverage of the avant-garde and experimental movements and provides sidebars that illuminate key points. *Ted Hughes* Terry Gifford, 2009-01-13 For the first time, one volume surveys the life, works and critical reputation of one of the most significant British writers of the twentieth century, Ted Hughes. This guide offers an accessible, fresh and fascinating introduction to a major British writer whose work continues to be of crucial importance today, presenting new insights on the 'green dimension' of Hughes' work along with previously unpublished archive material.
