The Oxford History of Popular Print Culture Gary Kelly, Joad Raymond, Christine Bold, 2011 Planned nine volume series devoted to the exploration of popular print culture in English from the beginning of the sixteenth century to the present **The Muslim Problem** Ismail Adam Patel, 2021-12-16 This book explains the increasing incidences and normalisation of Islamophobia by analysing the role of signifiers of free speech censorship and fatwa during the Satanic Verses affair in problematising the figure of the Muslim Ismail Patel develops the notion of Islamophobia not as a continuation of the antagonistic relation from the British Empire but as a postcolonial reformulation of the figure of the Muslim The book views Islamophobia studies as a paradigm engages in the debate of Islamophobia as a global phenomenon investigates the contestation over its definition and challenges the view of Islamophobia as a reserve of the far right It assesses the debate around the concept of identity and shows how the colonised figure of the Muslim provided significance in

constructing British imperial identity Providing a decolonial counter Islamophobia approach that challenges Britishness exclusionary white symbolic content the book calls for a liberating idea of Britishness that promotes a post racist rather than a post race society Theoretically rich in analysis this book will contribute to discussions of identity formation Britishness Islamophobia and counter Islamophobia It will be of use to students and researchers across history politics sociology cultural studies literary studies and anthropology

Postcards Lydia Pyne, 2021-10-13 A global exploration of postcards as artifacts at the intersection of history science technology art and culture Postcards are usually associated with banal holiday pleasantries but they are made possible by sophisticated industries and institutions from printers to postal services When they were invented postcards established what is now taken for granted in modern times the ability to send and receive messages around the world easily and inexpensively Fundamentally they are about creating personal connections links between people places and beliefs Lydia Pyne examines postcards on a global scale to understand them as artifacts that are at the intersection of history science technology art and culture In doing so she shows how postcards were the first global social network and also here in the twenty first century how postcards are not yet extinct

 Winner of the 2024 John Brinkerhoff Jackson Prize from American Association of Geographers The Grand Canyon of the Colorado River is an internationally known feature of the North American landscape attracting more than five million visitors each year A deep cultural visual and social history has shaped the Grand Canyon s environment into one of America s most significant representations of nature Yet the canyon is more than a vacation destination a movie backdrop or a scenic viewpoint it is a real place as well as an abstraction easily summoned in the minds of Americans The Grand Canyon or the idea of it is woven into the fabric of American cultural identity and serves as a cultural reference point an icon In Framing Nature Yolonda Youngs traces the idea of the Grand Canyon as an icon and the ways people came to know it through popular imagery and visual media She analyzes and interprets more than fourteen hundred visual artifacts including postcards maps magazine illustrations and photographs of the Grand Canyon supplemented with the words and ideas of writers artists explorers and other media makers from 1869 to 2022 Youngs considers the manipulation and commodification of visual representations and shifting ideas values and meanings of nature exploring the interplay between humans and their environments and how visual representations shape popular ideas and meanings about national parks and the American West Framing Nature provides a novel interpretation of how places especially national parks are transformed into national and environmental symbols **Mind in Society** L. S. Vygotsky,2012-10-01 Vygotsky has long been recognized as a pioneer in developmental psychology But his theory of development has never been well understood in the West Mind in Society corrects much of this misunderstanding Carefully edited by a group of outstanding Vygotsky scholars the book presents a unique selection of Vygotsky s important essays **The Routledge Handbook of Mobilities** Peter Adey,David Bissell,Kevin Hannam,Peter Merriman,Mimi Sheller,2014-01-10 The 21st century seems to be on the move perhaps even more so than the last With cheap travel and more than two billion cars projected worldwide for 2030 And yet all this mobility is happening incredibly unevenly at different paces and intensities with varying impacts and consequences to the extent that life on the move might be actually quite difficult to sustain environmentally socially and ethically As a result mobility has become a keyword of the social sciences delineating a new domain of concepts approaches methodologies and techniques which seek to understand the character and quality of these trends This Handbook explores and critically evaluates the debates approaches controversies and methodologies inherent to this rapidly expanding discipline It brings together leading specialists from range of backgrounds and geographical regions to provide an authoritative and comprehensive overview of this field conveying cutting edge research in an accessible way whilst giving detailed grounding in the evolution of past debates on mobilities It illustrates disciplinary trends and pathways from migration studies and transport history to communications research featuring methodological innovations and developments and conceptual histories from feminist theory to tourist studies It explores the dominant figures of mobility from children to soldiers and the mobility impaired the

disparate materialities of mobility such as flows of water and waste to the vectors of viruses key infrastructures such as logistics systems to the informal services of megacity slums and the important mobility events around which our world turns from going on vacation to the commute to the catastrophic disruption of mobility systems The text is forward thinking projecting the future of mobilities as they might be lived transformed and studied and possibly brought to an end International in focus the book transcends disciplinary and national boundaries to explore mobilities as they are understood from different perspectives different fields countries and standpoints This is an invaluable resource for all those with an interest in mobility across disciplinary boundaries and areas of study *Hereafter: Anthology of Postcards* Pasquale De Marco, Her Anthology of Postcards transports readers on a captivating journey through the tapestry of human experiences and diverse expressions Within these pages discover a treasure trove of insights into the beauty of nature the grandeur of history and the power of creativity Venture into the heart of shared experiences where we uncover the common threads that bind us as a global community Explore the wonders of the natural world marveling at the intricate symphony of life and the delicate balance between humanity and the environment Delve into the vibrant tapestry of cultures and traditions where rituals and symbols hold hidden meanings traditional cuisines tantalize the taste buds and music and dance weave together the fabric of human societies Her Anthology of Postcards invites you to explore the allure of cities where skyscrapers and hidden gems coexist where innovation and tradition dance in harmony and where the challenges of urban life are met with resilience and creativity Journey through the annals of history witnessing pivotal moments transformative leaders and the lessons we've learned from both triumph and adversity Immerse yourself in the diverse expressions of human creativity from the vibrant colors and patterns of art and crafts to the evocative melodies and lyrics of music and poetry Embark on culinary adventures savoring the flavors and aromas of cuisines from around the world from the bustling street food markets to the warmth of home cooked meals Journey to the frontiers of discovery where scientific advancements push the boundaries of knowledge and where the mysteries of the universe beckon us to explore Her Anthology of Postcards is a celebration of the beauty and diversity of our world a tribute to the human spirit and an invitation to embrace the unknown As you turn the pages let your imagination take flight your heart expand and your spirit be enriched by the countless stories and perspectives that await you If you like this book write a review *Postcard Collector* Barbara Andrews, 2012-10-15 An exciting overview of the manufacturers design and subject matter used in 19th and 20th century American postcards *Voices* Juan Fernando Botero-Garcia, Kathryn Vincent, 2011-07-12 *Voices* Postgraduate Perspectives on Inter disciplinarity was created out of a compilation of papers presented at the University of Aberdeen's annual College of arts and Social Sciences Postgraduate Conference more widely known as Moving Forward This conference reached its sixth year in 2009 Both the conference and proposed collection incorporate the colleges of Divinity History and Philosophy Education Language and Literature Law Social Sciences Music and Business Moving Forward is an annual event sponsored by the College of Arts and Social Sciences

University of Aberdeen and the Roberts Fund Given the variety of papers received for and the number of disciplines involved in this project it was deemed that a theme of voice would be particularly appropriate This theme attempts to incorporate the interdisciplinary approach taken both within the selection of papers and within the papers themselves Voice is approached in a variety of manners not only referring to the sound produced from the human vocal cords or the literary tool of an author but also through the works of a musical artist or by using unique research methods to understand the perspectives of those lacking a public voice This work seeks to demonstrate an entire range of what voices may do and how they are experienced

Creative Research Methods for Critical Event Studies Louise Platt, Rebecca Finkel, Briony Sharp, 2024-12-13 This timely and innovative book offers an introduction to a range of creative methods providing both empirical and conceptual guidance Based upon existing empirical work and richly illustrated throughout each chapter carefully examines creative methodology and or methods within an event and festival context International case studies are incorporated throughout providing real world examples of how these methods have been used in practice as well as highlighting potential ethical issues Each chapter includes a concise how to set of guidelines to help researchers and students employ creative methods in their own work as well as a series of think points to help develop ethical practices Chapters illustrate new pathways or lessons learned from research during the pandemic and other challenging landscapes This significant volume offers festival and event researchers and students a different approach to their work that could result in better research reaching hidden and marginalised groups

Ukrainian Postcards Owen Hatherley, 2022-04-05 An ebook on the threatened built environment of urban Ukraine with all proceeds going to the CWU's Ukraine fund and Artists at Risk This is a short limited edition ebook with all proceeds being divided between the Communication Workers Union's Humanitarian Fund for Ukraine and Artists at Risk's Ukraine appeal Today during Russia's imperialist war on Ukraine everyone is talking about this large beautiful and multicultural country but when doing so they're often repeating some poorly understood clichés and myths *Ukrainian Postcards* written firmly from the political left draws on the author's writings on the modern architecture of various Ukrainian cities written between 2010 and 2020 to build up a picture of a country that could one day be a model of how to live with a difficult past and a multicultural present but which has been consistently undermined by politicians who use it as a cashbox and above all a neighbour who uses it as punchbag Above all at a time when Ukraine's architectural heritage is literally under threat shelled and bombed by the Russian air force day in day out it outlines just how valuable and special this country's buildings are and how much we stand to lose with their destruction

American Holiday Postcards, 1905-1915 Daniel Gifford, 2013-08-29 In the early 20th century postcards were one of the most important and popular expressions of holiday sentiment in American culture

Millions of such postcards circulated among networks of community and kin as part of a larger American postcard craze. However, their uses and meanings were far from universal. This book argues that holiday postcards circulated primarily among rural and small town Northern white women with Anglo Saxon and Germanic heritages. Through analysis of a broad range of sources, Daniel Gifford recreates the history of postcards to account for these specific audiences and reconsiders the postcard phenomenon as an image based conversation among exclusive groups of Americans. A variety of narratives are thus revealed: the debates generated by the Country Life Movement, the empowering manifestations of the New Woman, the civic privileges of whiteness and the role of emerging technologies. From Santa Claus to Easter bunnies, flag waving turkeys to gun toting cupids, holiday postcards at first seem to be amusing expressions of a halcyon past. Yet with knowledge of audience and historical conflicts, this book demonstrates how the postcard images reveal deep divides at the height of the Progressive Era.

The Epistolary Renaissance Maria Löschnigg, Rebekka Schuh, 2018-09-10 Since the late twentieth century, letters in literature have seen a remarkable renaissance. The prominence of letters in recent fiction is due in part to the rediscovery by contemporary writers of letters as an effective tool for rendering aspects of historicity, liminality, marginalization, and the expression of subjectivity vis-à-vis an other. It is also due, however, to the artistically challenging inclusion of the new electronic media of communication into fiction. While studies of epistolary fiction have so far

concentrated on the eighteenth century and on thematic concerns this volume charts the epistolary renaissance in recent literature entering new territory by also focusing on the aesthetic implications of the epistolary mode In particular the essays in this volume illuminate the potential of the epistolary including digital forms for rendering contemporary sensitivities The volume thus offers a comprehensive assessment of letter narratives in contemporary literature Through its focus on the aesthetic and structural aspects of new epistolary fiction the inclusion of various narrative forms and the consideration of both conventional letters and their new digital kindred The Epistolary Renaissance offers novel insight into a multi faceted re new ed genre
