Conducting and Rehearsing the Instrumental Music Ensemble John F. Colson, 2012-08-09
Conducting and Rehearsing the Instrumental Music Ensemble is the most comprehensive guide on the rehearsal process for conducting instrumental music ensembles. Ideal for the advanced instrumental music conductor seeking to look beyond basic conducting technique, this work breaks the multidimensional activity of working with an ensemble orchestra or band into its constituent components. Advanced students of conducting will find within the full range of conducting activities. Chapters on the infrastructure of the rehearsal, the rehearsal environment, 10 rehearsal essentials, score study, music imagery, inner singing, and rehearsal procedures with an emphasis on an integrated approach to rehearsing. The technical priorities of intonation and tuning, rhythm patterns, ensemble sonority, tone balance, blend, color, and texture, and articulation. The musical priorities of tempo and ensemble precision, phrasing, and the musical line, style, and interpretation, dynamics, and musical expression. Emphasizing the expectations of 21st century conductors, the challenges of conducting and rehearsing contemporary music, preparing conductor profiles and self-evaluations, and moving from the rehearsal process to concert performance. Conducting and Rehearsing the Instrumental Music Ensemble is a great resource for teachers and students of conducting as well as current conductors wishing to further hone their skills.

Frequencies of Deceit Margaret Elizabeth Peacock, 2025-02-25
On June 8, 1967, Egypt's most famous radio broadcaster Ahmed Said reported that Egyptian, Syrian, and Jordanian forces had defeated the Israeli army in the Sinai, had hobbled their British and US allies, and were liberating Palestine. It was a lie. For the rest of his life, populations in the Middle East vilified Said for his duplicity. However, the truth was that by 1967, all the world's major broadcasters to the Middle East were dissimulating on the air. For two decades, British, Soviet, American, and Egyptian radio voices created an audio world characterized by deceit and betrayal. In this important and timely book, Margaret Peacock traces the history of deception and propaganda in Middle Eastern international radio. Peacock makes the compelling argument that this betrayal contributed to the loss of faith in Western and secular state-led political solutions for many in the Arab world, laying the groundwork for the rise of political Islam.

Musical Courier and Review of Recorded Music, 1913
National Union Catalog, 1983
Daniels' Orchestral Music David Daniels, David W. Oertel, David A. Rahbee, 2022-06-30
Daniels' Orchestral Music is the gold standard for all orchestral professionals, from conductors, librarians, programmers, students, administrators, and publishers to even instructors seeking to research and plan an orchestral program, whether for a single concert or a full season. This sixth edition, celebrating the fiftieth anniversary of the original edition, has the largest increase in entries for a new edition of Orchestral Music: 65% more works (roughly 14,050 total) and 85% more composers (2,202 total) compared to the fifth edition. Composition details are gleaned from personal inspection of scores by orchestral conductors, making it a reliable one-stop resource for repertoire. Users will find all the

familiar and useful features of the fifth edition as well as significant updates and corrections Works are organized alphabetically by composer and title containing information on duration instrumentation date of composition publication movements and special accommodations if any Individual appendices make it easy to browse works with chorus solo voices or solo instruments Other appendices list orchestral works by instrumentation and duration as well as works intended for youth concerts Also included are significant anniversaries of composers composer groups for thematic programming a title index an introduction to Nieweg charts essential bibliography internet sources institutions and organizations and a directory of publishers necessary for the orchestra professional This trusted work used around the globe is a must have for orchestral professionals whether conductors or orchestra librarians administrators involved in artistic planning music students considering orchestral conducting authors of program notes publishers and music dealers and instructors of conducting
