seek and return to our Creator Armageddon Samuel Davies Baldwin,1878 **The Apocalypse Explained** Jimmie Chapman,2015-09-28 The word apocalypse comes from the Greek word apokalupsis which means to disclose uncover or reveal hence we get the name Revelation the last book of the Bible The book of the Revelation is given to uncover or disclose the meaning of some of the great mysteries of the Bible The Apocalypse Explained uncovers many of those mysteries by using the Bible itself to find their meaning This is the most accurate way of interpreting biblical prophecies The purpose of The Apocalypse Explained is to connect the prophecies throughout the Bible with our present and with our future In fact the very first verse of the Revelation of Christ reveals its purpose to show unto his servants things which must shortly come to pass The majority of the book is for the last days the time the Bible calls the great tribulation The fulfillment of the Apocalypse is much closer to a reality than most people believe Are you ready *The Holy Bible* ,1818
