The Mystery Of Christ And The Apostolate:

The Mystery of Christ and the Apostolate François-Xavier Durrwell, 1974 APOSTOLIC EXHORTATION OF THE HOLY FATHER LEO XIV TO ALL CHRISTIANS ON LOVE FOR THE POOR Pope Leo XIV , This declaration of love taken from the Book of Revelation reflects the inexhaustible mystery that Pope Francis reflected upon in the Encyclical *Dilexit Nos* on the human and divine love of the heart of Jesus Christ There we saw how Jesus identified himself with the lowest ranks of society and how with his love poured out to the end he confirms the dignity of every human being especially when they are weak scorned or suffering As we contemplate Christ's love we too are inspired to be more attentive to the sufferings and needs of others and confirmed in our efforts to share in his work of liberation as instruments for the spread of his love For this reason in continuity with the Encyclical *Dilexit Nos* Pope Francis was preparing in the last months of his life an Apostolic Exhortation on the Church's care for the poor to which he gave the title *Dilexi Te* as if Christ speaks those words to each of them saying You have but little power yet I have loved you Rev 3 9 I am happy to make this document my own adding some reflections and to issue it at the beginning of my own pontificate since I share the desire of my beloved predecessor that all Christians come to appreciate the close connection between Christ's love and his summons to care for the poor I too consider it essential to insist on this path to holiness for in this call to recognize him in the poor and the suffering we see revealed the very heart of Christ his deepest feelings and choices which every saint seeks to imitate **The Collected Works of**

Edward Schillebeeckx Volume 2 Edward Schillebeeckx, 2014-09-25 In effect Revelation and Theology is Schillebeeckx's general introduction to theology Its fifteen chapters were originally published separately between 1954 and 1962 but the thematic collection offers a vivid picture of the theological renewal in the wake of World War II Schillebeeckx's erudition and broad scholarly orientation are clearly demonstrated in this volume Throughout there are pointers to the at that time new ecumenical approach to Scripture and tradition The problem concerning the function of the scholastic tradition is highlighted Although Schillebeeckx draws extensively on Thomas Aquinas's thinking this early work already shows that he is not a neo Thomist in the narrow sense of the word Unlike the single Dutch volume the English version was published in two volumes In the Collected works of Edward Schillebeeckx however here they are published together in the sequence that the author envisaged **Christ and the Church. succession Apostolic succession, 1839 The Church of the Word Incarnate: Vol. 1 The Apostolic Hierarchy Charles Journet, 2025-04-01 The monumental work of renowned twentieth century Swiss ecclesiologist Charles Journet The Church of the Word Incarnate is among the most comprehensive and spiritually profound studies of the mystery of the Church Presented here for the first time in English translation is Journet's complete five volume essay in speculative theology in which he undertakes a Thomistic presentation of the Church in light of her four causes efficient material formal and final corresponding to her four marks of apostolicity catholicity unity and sanctity In this first volume Journet examines the

apostolic hierarchy the Twelve chosen by Christ along with their successors and collaborators as the Church's immediate and instrumental efficient cause After an initial consideration of the prior stages involved in the divine institution of the Church Journet devotes much of the rest of the volume to the apostolic hierarchy itself and to its unified exercise of its distinct sacramental and jurisdictional powers from which the Church's existence in the world flows The volume concludes with his reflections on apostolicity as both a property and sign of the true Church *Materials for the Study of the Apostolic Gnosis* Thomas Simcox Lea, Frederick Bligh Bond, 1922 The Relation of the Apostolic Teaching to the Teaching of Christ Robert James Drummond, 1900 The Catholic Apostolic Church and the Rev.
