The Mystery Of Israel's Flag:

The Mystery of Israel's Flag David F. Gray, 1986-06-01 Body of Secrets James Bamford, 2007-12-18 The National Security Agency is the world's most powerful most far reaching espionage Now with a new afterword describing the security lapses that preceded the attacks of September 11 2001 *Body of Secrets* takes us to the inner sanctum of America's spy world In the follow up to his bestselling *Puzzle Palace* James Bamford reveals the NSA's hidden role in the most volatile world events of the past and its desperate scramble to meet the frightening challenges of today and tomorrow Here is a scrupulously documented account much of which is based on unprecedented access to previously undisclosed documents of the agency's tireless hunt for intelligence on enemies and allies alike *Body of secrets* is a riveting analysis of this most clandestine of agencies a major work of history and investigative journalism A New York Times Notable Book The Secret War Against the Jews John Loftus, Mark Aarons, 2017-05-16 The coauthors of *Unholy Trinity* uncover a wide ranging international conspiracy against the Jews from WWI to the Reagan administration Drawing on thousands of declassified documents and numerous insider accounts attorney John Loftus and investigative reporter Mark Aarons expose nearly a century of clandestine operations against Israel and the Jews carried out by Western countries such as the United States and Great Britain Professed allies of Israel on the world stage these countries are revealed to have repeatedly spied on Palestine and Israel in pursuit of money oil and geopolitical gains Unearthing a series of scandals from Oliver North to the British royal family *The Secret War Against the Jews* reveals as much about political corruption inside Western intelligence as it does about the history of Israel This book transcends the realm of mere history raising grave allegations that will be the subject of debate for years to come **The Secret History of Al Qaeda** Abdel-Bari Atwan, 2012-08-01 Over the last ten years journalist and al Qaeda expert Abdel Bari Atwan has cultivated uniquely well placed sources and amassed a wealth of information about al Qaeda's origins masterminds and plans for the future Atwan reveals how al Qaeda's radical departure from the classic terrorist guerrilla blueprint has enabled it to outpace less adaptable efforts to neutralize it The fanaticism of its fighters and their willingness to kill and be killed are matched by the leadership's opportunistic recruitment strategies and sophisticated understanding of psychology media and new technology including the use of the internet for training support and communications Atwan shows that far from committing acts of violence randomly and indiscriminately al Qaeda attacks targets according to a decisive design underwritten by unwavering patience He also argues that events in Iraq and Saudi Arabia are watershed moments in the group's evolution that are making it more dangerous by the day as it refines and appropriates the concept of jihad and makes the suicide bomber a permanent feature of a global holy war While Osama bin Laden and Ayman al Zawahiri remain al Qaeda's figureheads Atwan identifies a new kind of leader made possible by its horizontal chain of command epitomized by the brutal Abu Musab al Zarqawi in Iraq and the bombers of London Madrid Amman Bali and elsewhere Israel's Secret Wars Ian Black, Benny Morris, 1991 This title surveys Israeli intelligence

operations from the 1930s to the Ostrovsky affair and describes relations with the American intelligence community

Mossad: The Secret History of Israel's Intelligence Agency (How the Israeli Secret Service Recruit and Train Its Officers)

Frank Gaughan, 2011-01-01 The Mossad is one of the most well known intelligence agencies in the world It has been involved in some of the most high profile covert operations in history from the capture of Nazi war criminal Adolf Eichmann to the assassination of Iranian nuclear scientists Despite its reputation as a secretive organization the Mossad has captured the imagination of people all over the world This book takes a comprehensive look at the Mossad from its origins in the early days of Israel's intelligence community to its current operations and challenges It explores the agency's successes and failures its methods and techniques and its role in shaping Israel's security policy The Mossad has always been shrouded in mystery and much of what it does is still unknown to the public But through extensive research and interviews with former Mossad agents this book provides a unique glimpse into the inner workings of one of the world's most powerful intelligence agencies Since its inception in 1949 the Mossad has been credited with incredible rescues violent assassinations and the clever sabotage of enemy operations Whether nefarious or essential both critics and supporters of Mossad recognize that its estimated 1 200 employees have the unique ability to adapt to uncertain and hostile circumstances accomplish large scale objectives with limited resources and persevere when seemingly hopelessly outnumbered

Israeli Secret Services Frank Clements, 2017-07-05 The Israeli Institute for Intelligence and Special Services the Mossad is probably the best known of the world's intelligence services one of the most suspected and certainly one of the most intriguing However despite its fame the available literature other than Hebrew is limited and scattered amongst a variety of subject areas because the tentacles of the Mossad are similarly varied The aim of this volume is to document the range of English language material available on the Mossad from its pre official origins in Europe during the Second World War to the present period of the Middle East peace process The organization had its origins in the aftermath of the Holocaust being the agency responsible for organizing the illegal Jewish immigration into Palestine before becoming officially constituted in 1951 Since its formation the Mossad has been intimately involved in each of the significant events in Israel's history including actions against its Arab neighbors the hunting of wanted Nazis spectacular actions such as the raid on Entebbe to free the hostages counter terrorist activities and high technology espionage against friend and foe alike This bibliography will be of interest to researchers covering intelligence activities and to students scholars and librarians interested in the history of Israel and its relations with its Arab neighbors The early material on the Mossad will also be of special concern to students of the Holocaust and its aftermath
