

A person stands on a dirt path that leads towards a sunset. The person's arms are raised in a gesture of triumph or praise. The path is flanked by dark, silhouetted hills or fields. The sky is filled with soft, orange and yellow clouds, suggesting the time is either dawn or dusk. The overall mood is one of awe and spiritual reflection.

The Mystery Of Why Did God Create Mankind:

Why Did God Create Mankind? Roger Ball, 2025-06-13 We live in a universe that did not have to be yet is Christianity offers a startling claim this world exists because God in the boundless freedom of His love and perfection chose to create What does that mean for us If we are here not by cosmic accident but by divine intention what is that intention The answer changes everything It reorders everything To ask why God created is to ask why we exist and what is the purpose of our lives

Why Did God Create Mankind? Dr Ali Ansarifar, 2021-09-28 Millions of people know the Lord God and have experienced His saving grace that changed their lives forever when the Gospel of Christ was preached The wisdom revealed in the pages of the Bible and the saving power of the Gospel of Christ have never been in doubt The Bible gives answers to pressing questions about the origin and nature of the world in which we live the reason for our existence and our final destiny The reality behind the material world is truly astounding The Bible teaches us that the living light from which all things have proceeded coexists and shares the same with darkness This is an indication of the duality of things The problem of duality is highly unsettling for the light and for it to have rest the problem of duality must be resolved So light created the entirety and mankind Evil is the results of darkness and good the results of light and both light and darkness manifest themselves in this entirety The light must separate itself from the darkness to have rest Mankind is the centre of the entirety and its redemption will permanently eliminate duality No human wisdom or methods of inquiry can reveal such valuable and enlightening knowledge but the Bible can This book was written to share this astonishing truth and be a beacon of hope for people

At the same time it provides a limited review of the International Training for Elders and Responsible Ones held in Bangalore India on October 3-5, 2019. The general subject of the training was The One New Man Fulfilling God's Purpose in Creating Man. Through intimate contact with the Lord in His word, the believers can be constituted with life and truth and thereby equipped to prophesy in the meetings of the church unto the building up of the Body of Christ.

The Mystery of the Universe and the Meaning of Human Life Witness Lee, 2024-02-15 Today man feels empty, insecure, wavering, and restless and has no calming and stabilizing power within simply because he lacks God within. God is man's content and man should be God's expression. For this goal, God created a spirit especially for man. This spirit is the organ for man to contact God just like a receiver in a radio. Our conscience, the deep part in us, our spirit always gives us a feeling that there is a Supreme Being, that there is a God in this universe. This proves two things: First, we have a spirit within; and second, we need God in our spirit.

God Created Man in His Image and Likeness Oried E. Graves, 2012-10-26 Everyone who reads the Bible must admit that it tells us to do things that we never have done and cannot do in our fleshly bodies. One reason is that God, our Creator, is telling us what He wants us to be and do as created in His image and likeness. Our purpose is in our image and likeness of God, our Creator, not like the dust of the ground or the flesh of our parents. Most children don't

know that they are created in the image and likeness of God and their parents have not asked God for His spirit for their children so they can be taught this vital truth The reason parents dont ask God for His spirit for their children is because they dont recognize the need for Him There are several things mankind cannot do in the flesh and they must recognize their origin in the image and likeness of God Mankind must recognize being in the image and likeness of God to first love God with all their being and love his neighbors as himself second to obey God and his parents as required in Gods word third to trust God with all his heart fourth to worship God in spirit and in truth and fifth to glorify God in his body and spirit which are God The devil does not want mankind to know that he is created in the image and likeness of God because man will always defeat Satan and fulfill God s will
