The Mystical Qabalah:

The Mystical Qabalah Dion Fortune, 2017-02-09 The Tree of Life forms the ground plan of the Western Esoteric Tradition and is the system upon which pupils are trained in the Fraternity of the Inner Light The transliteration of Hebrew words into English is the subject of much diversity of opinion every scholar appearing to have his own system In these pages I have availed myself of the alphabetical table given by MacGregor Mathers in *The Kabbalah Unveiled* because this book is the one generally used by esoteric students He himself does not adhere to his own table systematically however and even uses different spellings for the same words This is very confusing for anyone who wishes to use the Gematric method of elucidation in which letters are turned into numbers When therefore Mathers gives alternative trans literations I have followed the one which coincides with that given in his own table The capitalisation employed in these pages may also appear unusual but it is the one traditionally used among students of the Western Esoteric Tradition In this system common words such as earth or path are used in a technical sense to denote spiritual principles When this is done a capital is used to indicate the fact When a capital is not used it may be taken that the word is to be understood in its ordinary sense As I have frequently referred to the authority of MacGregor Mathers and Aleister Crowley in matters of Qabalistic mysticism it may be as well to explain my position in relation to these two writers I was at one time a member of the organisation founded by the former but have never been associated with the latter I have never known either of these gentlemen personally MacGregor Mathers having died before I joined his organisation and Aleister Crowley having then ceased to be associated with it The Society of the Inner Light founded by the late Dion Fortune has courses for those who wish seriously to pursue the study of the Western Esoteric Tradition Information about the society may be obtained by writing to the address below Please enclose British stamps or international postal coupons in your letter if you wish a response [The Mystical Qabalah](#)
