The Mystique Of God:

The Mystique Chronicles Tina Taylor, 2014-12-03 From beyond the boundaries of infinity and the vastness of immortal consciousness a prophecy had been conceived within the majestic expanse of the unbound universe As a result the Mystique have sprung from the womb of Mother Earth like the phoenix rising up from the still burning embers of The Desert of Reality Upon the death of his beloved Cortessa Demonno was literally drove beyond the brink of insanity and throughout the ageless millenniums he had taken it upon himself to single handedly wipe his own species off the face of the planet Violet nearly the last living Mystique in existence has finally come upon the end of her inevitable journey Despite the destruction of her species bitter betrayals and malignant diversities Violet has still managed to fulfill a prophecy that is perhaps as ancient as the universe herself Violet must ultimately pass Samantha Jean Doven the mothering host of a new breed of Mystique the proverbial scepter to continue the self sacrificing journey that she cannot continue However in the aftermath of Demonno's reign of terror he continues his contaminated trail of destruction and will stop at absolutely nothing to finish what he has started and destroy all Mystiques along with anything or anyone who is unfortunate enough to cross his path Samantha must stop this insane beast of hatred and rage and save humankind not only from themselves but Demonno as well Samantha must find the strength within to carry the Mystique and humankind alike into a new age and a new millennium because a new time and existence is about to begin What is life Life is the decisions we choose to make woven among our destiny and in the end all is as it should be

The Mystique of God Virginia Testa, 1995 *A Taste of God* T. van den Hoogen, 2011 In the course of the 20th century a new worldview has arisen in Western society and culture that is defined in this book as immanent mysticism Several major philosophers are sensitive to such a sense of immanent mysticism The same sensitivity is noticeable in the works of poets painters and other artists It expresses the desire for transforming the way to meaningful living *A Taste of God* shows that theological research programs are innovated by insights from aesthetics and studies of spirituality The book's research indicates that contemporary Western

culture requires a reframing of foundational theology Series Nijmegen Studies in Theology Vol 3 *From Virile Woman to WomanChrist* Barbara Newman, 2011-12-16 Why did hagiographers of the late Middle Ages praise mothers for abandoning small children How did a group of female mystics come to define themselves as apostles to the dead and end by challenging God's right to damn Why did certain heretics around 1300 venerate a woman as the Holy Spirit incarnate and another as the Angelic Pope In *From Virile Woman to WomanChrist* Barbara Newman asks these and other questions to trace a gradual and ambiguous transition in the gender strategies of medieval religious women An egalitarian strain in early Christianity affirmed that once she asserted her commitment to Christ through a vow of chastity monastic profession or renunciation of family ties a woman could become virile or equal to a man While the ideal of the virile woman never disappeared another ideal slowly evolved in medieval Christianity By virtue of some gender related trait spotless virginity erotic passion the capacity for intense suffering the ability to imagine a feminine aspect of the Godhead a devout woman could be not only equal but superior to men without becoming male she could become a womanChrist imitating and representing Christ in uniquely feminine ways Rooted in women's concrete aspirations and sufferings Newman's womanChrist model straddles the bounds of orthodoxy and heresy to illuminate the farther reaches of female religious behavior in the Middle Ages *From Virile Woman to WomanChrist* will generate compelling discussion in the fields of medieval literature and history history of religion theology and women's studies

Bāyazīd: The Life and Teachings of the Mystic Abū Yazīd al-Baṣṭāmī (d. ca. 234/848)

Annabel Keeler, 2024-11-04 Ab Yaz d al Bas m d ca 234 848 popularly known as B yaz d remains one of the most celebrated yet controversial figures in the history of Islamic mysticism This in depth study of his life and teachings is based on the earliest available sources The book sets out in detail what is known of B yaz d's family his education his disciples and associates It explores the distinctive rhetoric that has made some of his sayings so memorable and shows how his mode of expression adds a sense of urgency often drama to quite conventional doctrines of Sufism Through the varied corpus of his sayings this study traces B yaz d's teachings concerning many aspects of the mystical path as well as his reflections on God the Prophet heaven and hell Having considered his role as spiritual master his favourable view of women and his place in the wider community the study then turns to the controversial side of B yaz d his apparently blasphemous utterances and his so called *mi r j* The book goes on to explore how the two seemingly contradictory sides to B yaz d might be reconciled and finally provides a brief survey of the extent of his influence on later Sufism and its literature

The Mystery of God C. C.

Rowland, Christopher R. A. Morray-Jones, 2009 This book brings together the perspectives of apocalypticism and early Jewish mysticism to illuminate aspects of New Testament theology The first part begins with a consideration of the mystical character of apocalypticism and then uses the Book of Revelation and the development of views about the heavenly mediator figure of Enoch to explore the importance of apocalypticism in the Gospels and Acts the Pauline Letters and finally the key theological themes in the later books of the New Testament The second and third parts explore the character of early Jewish

mysticism by taking important themes in the early Jewish mystical texts such as the Temple and the Divine Body to demonstrate the relevance of this material to New Testament interpretation

The Mystery of Union with God Bernhard Blankenhorn, 2015 The Mystery of Union with God offers the most extensive systematic analysis to date of how Albert and Thomas interpreted and transformed the Dionysian Moses who knows God by unknowing It shows Albert's and Thomas's philosophical and theological motives to place limits on Dionysian apophatism and to reintegrate mediated knowledge into mystical knowing The author surfaces many similarities in the two Dominicans mystical doctrines and exegesis of Dionysius This work prepares the way for a new consideration of Albert the Great as the father of Rhineland Mysticism The original presentation of Aquinas's theology of the Spirit's seven gifts breaks new ground in theological scholarship Finally the entire book lays out a model for the study of mystical theology from a historical philosophical and doctrinal perspective
