The Narrows:

The Narrows Alex Irvine, 2005-09-27 From award winning author Alexander C Irvine comes a compelling fantastical riff on history and World War II. Spared fighting in Europe because of a bum hand, Jared wishes he could join the cause instead of mindlessly sifting clay to be made into golems. But there is something that preys on his dreams: the devilish dwarf known as the Nain Rouge. In his youth, Jared once actually saw the Dwarf, a chilling creature that shows itself to individuals just before their demise. Now the Nain Rouge appears to be coming back for Jared himself. Many have a profound interest in Jared's childhood run-in with the Dwarf, including a German spy, Jared's hateful foreman at the golem factory, and a shape-shifting Indian shaman. But what could a simple man who earns a meager living possibly have to do with espionage and dark deeds? While Jared toils invisibly in the bowels of Henry Ford's plant, the answer is about to reveal itself in a cataclysm of mythic and sinister proportions.

The Narrows Ann Petry, 2008 A small New England community, The Narrows, is struggling to right itself after decades of abandonment and racial strife. Link Williams, a smart black kid freshly graduated from university, just might be able to escape. Leaving The Narrows proves to be the easy part as the love Link shares with Camilo Sheffield sets into motion the most unthinkable of acts and rocks their worlds in ways that neither of them could ever have imagined. Ann Petry evokes a bustling vibrant community fighting against the complex racial dynamics of the 1950s.

The Narrows Ronald Malfi, 2024-10-08 A creepy and atmospheric slice of small town horror from the Bram Stoker award finalist and bestselling author of *Come With Me*. Perfect for readers of Christopher Golden and fans of Mike Flanagan. In the aftermath of a terrible storm, the town of Stillwater, Maryland, tries to recover what it has lost. From flooded roads and houses to ruined businesses, the residents of the town begin to clean up and return to normal. In the midst of the clear-up, people begin to see things. Matthew Crawly spies his father in the woodlands above the Narrows, but that cannot be possible. Maggie Quedentock nearly hits a child with her car, only to find an empty road lying before her, and in the middle of it all, Sergeant Ben Journell is thrust into an impossible investigation. Animals are being slaughtered; their brains systematically removed from their bodies. Something is happening to the town of Stillwater; something dark and ancient and evil has its grip on everyone. The saying goes: still waters run deep, but no one in Stillwater is prepared for just how deep they run, and no one can possibly be ready for what they might find when they reach the bottom of the gray waters of the Narrows.

The Narrows Christopher Williams, 2013-09-20 Life as we know it is over. The day of reckoning has arrived. In the heart of historic Bucks County, the fate of the world rests in the hands of a shy teenage boy. In the quaint borough of Newtown, the dead have been whispering. Sixteen-year-old Kadin Godwin hears their voices and bears a terrible secret. Kadin knows of the dark places where the walls between our world and the world of nightmares are narrow. And now the narrows are growing thinner. Imagine a world where every fiction or nightmare was real. Kadin has lived his entire life as an outcast, knowing and training for the terrifying future raging towards us when the gates to the other world are opened and our worst nightmares are unleashed. Signs are

appearing A dark alchemy has been released Modern weapons are useless and transportation has been crippled A defenseless world watches and waits Creatures of myth and legend are being sighted Murder rates and disappearances are soaring and the once peaceful Bucks County is paralyzed with fear The day has arrived Revising the blueprint Alex Lubin,2007 Hearings United States.
