The Negro's God As Reflected In His Literature:

The Negro's God, as Reflected in His Literature Benjamin Elijah Mays, 1968 *The Negro's God* Benjamin E. Mays, 2010-10-01 The ideas of God in Negro literature are developed along three principal lines 1 Ideas of God that are used to support or give adherence to traditional compensatory patterns 2 Ideas whether traditional or otherwise that are developed and interpreted to support a growing consciousness of social and psychological adjustment needed 3 Ideas of God that show a tendency or threat to abandon the idea of God as a useful instrument in perfecting social change From Chapter IX Summation **The Negro's God, as Reflected in His Literature [by] Benjamin E. Mays** Benjamin Elijah Mays, 1969
The Negro's God Benjamin E. Mays, 1973 **The Negro's God, as Reflected in His Literature** Benjamin Elijah Mays, 1969 **Encyclopedia of African American History, 1896 to the Present** Paul Finkelman, 2009 Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century Langston's Salvation Wallace D. Best, 2019-02-01 Winner of the 2018 Award for Excellence in the Study of Religion in Textual Studies presented by the American Academy of Religion 2018 Outstanding Academic Title given by Choice Magazine A new perspective on the role of religion in the work of Langston Hughes Langston s Salvation offers a fascinating exploration into the religious thought of Langston Hughes Known for his poetry plays and social activism the importance of religion in Hughes work has historically been ignored or dismissed This book puts this aspect of Hughes work front and center placing it into the wider context of twentieth century American and African American religious cultures Best brings to life the religious orientation of Hughes work illuminating how this powerful figure helped to expand the definition of African American religion during this time Best argues that contrary to popular perception Hughes was neither an avowed atheist nor unconcerned with religious matters He demonstrates that Hughes religious writing helps to situate him and other black writers as important participants in a broader national discussion about race and religion in America Through a rigorous analysis that includes attention to Hughes s unpublished religious poems Langston s Salvation reveals new insights into Hughes s body of work and demonstrates that while Hughes is seen as one of the most important voices of the Harlem Renaissance his writing also needs to be understood within the context of twentieth century American religious liberalism and of the larger modernist movement Combining historical and literary analyses with biographical explorations of Langston Hughes as a writer and individual Langston s Salvation opens a space to read Langston Hughes writing religiously in order to fully understand the writer and the world he inhabited
Afrodiasporic Forms Raquel Kennon, 2022-06-29 *Afrodiasporic Forms* explores the epistemological possibilities of the Black world paradigm and traces a literary and cultural cartography of the monde noir and its constitutive African diasporas across multiple poetic visual and cultural permutations Examining the transatlantic slave trade and modern racial slavery Raquel Kennon challenges the US centric focus of slavery studies and draws on a transnational eclectic archive of materials

from Lusophone Hispanophone and Anglophone sources in the Americas to inspect evolving multitudinous and disparate forms of Afrodiasporic cultural expression Spanning the 1830s to the twenty first century Afrodiasporic Forms traverses national linguistic and disciplinary boundaries as it investigates how cultural products of slavery s afterlife including poetry prose painting television sculpture and song shape understandings of the African diaspora Each chapter uncovers multidirectional pathways for exploring representations of slavery considering works such as a Brazilian telenovela based on Bernardo Guimar es s novel *A Escrava Isaura* Robert Hayden s poem *Middle Passage* Kara Walker s sculpture *A Subtlety* and Juan Francisco Manzano s *Autobiografía de un esclavo* Kennon s expansive method of comparative reading across the diaspora uses eclectic pairings of canonical and popular textual and artistic sources to stretch beyond disciplinary and national borders promoting expansive diasporic literacies
