The New Haggadah Press Reconstructionist:

Open Judaism Barry L. Schwartz, 2023-07 Open Judaism offers a big tent welcome to all Jews and Judaism. It is at once an invitation to the spiritually seeking Jew a clarion call for a deeply pluralistic and inclusive Judaism and a dynamic exploration of the remarkable array of thought within Judaism today. In honest engaging language Barry L. Schwartz a practicing rabbi and writer presents traditional secular humanistic and liberal Jewish views on nine major topics: God, soul, Torah, halakhah, Jewish identity, inclusion, Israel, ethics, and prayer. Teachings from many of Judaism's greatest thinkers organically reveal and embellish foundational ideas of Orthodox, Reform, Conservative, Reconstructionist, Renewal, and Humanistic Judaism. The conclusion sets forth core statements of belief in Judaism for believers, atheists, and agnostics, thereby summarizing the full spectrum of thought and enabling readers to make and act on their own choices. *From Ideology to Liturgy* Eric Caplan, 2022-11-01 In the 2002 edition of *From Ideology to Liturgy* Eric Caplan examined Reconstructionism's interpretation and adaptation of the traditional Jewish liturgy and its creation of new prayer texts to convey and express the movement's changing ideology. Further insight into Reconstructionist liturgy was gained through comparing these prayerbooks to the contemporaneous liturgies of Reform and Conservative Judaism and to the work of Jewish Renewal. In this new supplemented reprint edition Caplan offers an expansive study of liberal Jewish prayerbooks published in the decades since *From Ideology to Liturgy* first appeared and revisits his earlier conclusions in light of more recent expanded access to Mordecai Kaplan's diaries and archives. *My People's Passover Haggadah Vol 2* David Arnow, PhD, Rabbi Lawrence A. Hoffman, PhD, 2012-03-19 *My People's Passover Haggadah: Traditional Texts, Modern Commentaries*. In two volumes, this empowering resource for the spiritual revival of our times enables us to find deeper meaning in one of Judaism's most beloved traditions: the Passover Seder. Rich Haggadah commentary adds layer upon layer of new insight to the age-old celebration of the journey from slavery to freedom and makes its power accessible to all. This diverse and exciting Passover resource features the traditional Haggadah Hebrew text with a new translation designed to let you know exactly what the Haggadah says. Introductory essays help you understand the historical roots of Passover, the development of the Haggadah, and how to make sense out of texts and customs that evolved from ancient times. Framed with beautifully designed Talmud-style pages, *My People's Passover Haggadah* features commentaries by scholars from all denominations of Judaism. You are treated to insights by experts in such fields as the Haggadah's history, its biblical roots, its confrontation with modernity, and its relationship to rabbinic midrash and Jewish law, feminism, Chasidism, theology, and kabbalah. No other resource provides such a wide-ranging exploration of the Haggadah, a reservoir of inspiration and information for creating meaningful Seders every year. The Haggadah is a book not just of the Jewish People but of ordinary Jewish people. It is a book we all own, handle, store at home, and spill wine upon. Pick up a Siddur and you have the history of our People writ large; pick up a Haggadah and you have the same but also the chronicle of Jewish life writ small: the story of families and friends whose

Seders have become their very own local cultural legacy My People's Passover Haggadah is for each and every person looking to enrich their annual experience of Passover in their own unique way

The Radical American Judaism of Mordecai M. Kaplan Mel Scult, 2018-11-01 An important and powerful work that speaks to Mordecai M Kaplan's position as perhaps the most significant Jewish thinker of the twentieth century Deborah Dash Moore coeditor of Gender and Jewish History Mordecai M Kaplan founder of the Jewish Reconstructionist movement is the only rabbi to have been excommunicated by the Orthodox rabbinical establishment in America Kaplan was indeed a radical rejecting such fundamental Jewish beliefs as the concept of the chosen people and a supernatural God Although he valued the Jewish community and was a committed Zionist his primary concern was the spiritual fulfillment of the individual Drawing on Kaplan's 27 volume diary Mel Scult describes the development of Kaplan's radical theology in dialogue with the thinkers and writers who mattered to him most from Spinoza to Emerson and from Ahad Ha Am and Matthew Arnold to Felix Adler John Dewey and Abraham Joshua Heschel This gracefully argued book with its sensitive insights into the beliefs of a revolutionary Jewish thinker makes a powerful contribution to modern Judaism and to contemporary American religious thought An interesting stimulating and well done analysis of Kaplan's life and thought All students of contemporary Jewish life will benefit from reading this excellent study Jewish Media Review The book is highly readable at times almost colloquial in its language and style and is recommended for anybody with a familiarity with Kaplan but who wants to understand his thought within a broader context AJL Reviews

Liberating News Orlando E. Costas, 2002-04-22 This book approaches the topic of contextual evangelization from the standpoint of the poor the powerless and the oppressed It is as Orlando Costas explains written against the backdrop of the radical evangelical tradition in dialogue with other streams of the larger ecumenical church Costas begins by exploring the biblical roots of contextual evangelization focusing on two models The Old Testament model is illustrated by believers like Esther who in her heroic liberation of her people in politically difficult circumstances showed us how to come to the aid of those who live on the margins of society The New Testament model is illustrated first and foremost by Christ who showed us how to minister to the marginalized by operating from the Galilean periphery On what does one base contextual evangelization On the Trinity which Costas defines as community the foundation for evangelization as a communal event The substance of evangelization is the apostolic message of the cross which announces God's gift of life through the suffering and

death of Christ If we believe that message we look forward to life in God's kingdom even as we work and pray for justice and peace Costas accordingly views conversion not as a single event but rather as a continual transformative process that involves a passage from self absorption to active communal commitment Costas's creative sound blend of evangelical commitment and enlightened social thinking recommends this book to well informed laypeople as well as pastors theologians and scholars

The Evolution of Judaism from Ezra to the Present Martin

Sicker,2019-07-15 Pharisaic Judaism discussed in part 1 of this study was an inseparable element in the political history of the Second Hebrew Commonwealth With the destruction of the Second Temple in Jerusalem along with the skeleton of what was once a Jewish state Judaism entered a period of crisis far more severe than experienced with the destruction of the First Temple along with the First Hebrew Commonwealth Pharisaic Judaism integral to the now nonexistent Jewish state of necessity gave way to Rabbinic Judaism which as a minority religious culture took root primarily in the enclaves of Jews strewn throughout the diaspora with little or mostly no control over their very existence And in the absence of a centralized religious authority such as the Sanhedrin in the Temple complex Jewish communities throughout the Diaspora developed different religious customs traditions and in some instances belief systems all nominally based on the core teachings of Scripture Part 2 of this study of the evolution of Judaism from Ezra to the present day will attempt to trace significant developments along that evolutionary path from the transition from Pharisaic to Rabbinic Judaism that is Judaism as understood by the different schools of rabbis as decisors scholars and teachers over the past two millennia
