Love in America Francesca M. Cancian, 1990-08-31 In the last twenty five years Americans have gained considerable freedom in thier personal lives Relationships are now more flexible and self development has become a primary goal for both men and women Most scholars have criticized this trend to greater freedom arguing that it undermines family bonds and

promotes selfishness and extreme independence Francesca Cancian is more optimistic In this book she shows that many American couples succeed in combining self development with commitment and that interdependence not independence is their ideal In interdependent relationships love and self development do not conflict but reinforce each other Love in America compares traditional forms of marriage with these newer forms of close relationships Starting with the nineteenth century Cancian shows how gender roles became polarized with love which was identified with emotional expression no practical help being the responsibility of women while self development was regarded as a masculine concern These traditional images of love and relationships are still held by many Americans today even though as Cancian points out this can lead to marital conflict and individual stress and illness By contrast new images of love emphasizing self development for men and women and flexible androgynous roles began to emerge around 1900 accelerating in the 1960s She concludes that this trend to self development and androgyny will continue but that whether it will lead to more interdependent relationships or to more independence and isolation depends partly on economic and political changes in the wider society The evidence for Cancian's argument comes from sociological historical and psychological sources Her book will interest readers in these disciplines as well as appeal to a wide general audience

Seeing God David Nelmes, 2011-08-11 Is God a God of love or a God of fear I believe God is a God of love so this book was written to clearly show that God is a God of love and that He does not teach through fear or use fear in any way The ancient angry jealous and fearful God depicted in many writings does not reflect his true image God is a God of peace God is a God of harmony God is a God of everlasting joy

Leadership and Management Compendium David Obatomi, 2024-09-04 A complete dependence on capable leadership is one of few things every organisation has in common In the absence of talented leadership the workforce and by extension the entire business cannot achieve its full potential Leadership Management are two very different concepts though are intrinsically interconnected For an organisation to perform at its best a strategic combination of both Leadership Management is required It's one thing to master the art of effective delegation instruction and supervision It's something else entirely to inspire a workforce to achieve more by setting a strong example To become a talented manager and an inspiring leader is to enjoy extraordinary career prospects worldwide This booklet is a compilation of all the assignments and answers provided through thorough research using a wide range of resources It is anticipated that the compendium will be a valuable document to consult for anyone aspiring to be an excellent managers or leaders in their organisation

Doms Need Love Too! Allan D. Moore, 2009-03 In the humorous novel DOMs Need Love Too a Yale psychology professor encounters a small group of healthy vigorous flag loving seniors at a racquetball and health club and secretly decides to create a case study out of the merry makers better known as the Day Old Muffins Middle aged Eve is obligated to submit an academic paper titled Men Without Partners to the University at the conclusion of the school year When she witnesses the senior comrades hitting on a young pretty maiden with an array of grandiose promises she is both dismayed and intrigued by their sophomoric behavior As Eve

infiltrates the voyeuristic group to study their chauvinistic attitudes she wonders if there is such a thing as male menopause a condition that causes men to overcompensate a diminished libido Eve is surprised to find the men boast an intellectual depth beyond her expectations and as two Day Old Muffins vie for her attention jealousy extortion and love encircle the group complicating matters even further As Eve seeks to uncover the nature of the force which brings the six men together so faithfully her analytical harness is unleashed revealing her true womanhood Thugs Need Love 3 Jahquel J.,2015-03-16
