Derluguian,2005-07-15 Bourdieu s Secret Admirer in the Caucasus is a gripping account of the developmental dynamics involved in the collapse of Soviet socialism Fusing a narrative of human agency to his critical discussion of structural forces Georgi M Derluguian reconstructs from firsthand accounts the life story of Musa Shanib who from a small town in the Caucasus grew to be a prominent leader in the Chechen revolution In his examination of Shanib and his keen interest in the sociology of Pierre Bourdieu Derluguian discerns how and why this dissident intellectual became a nationalist warlord Exploring globalization democratization ethnic identity and international terrorism Derluguian contextualizes Shanib s personal trajectory from de Stalinization through the nationalist rebellions of the 1990s to the recent rise in Islamic militancy He masterfully reveals not only how external economic and political forces affect the former Soviet republics but how those forces are in turn shaped by the individuals institutions ethnicities and social networks that make up those societies Drawing on the work of Charles Tilly Immanuel Wallerstein and of course Bourdieu Derluguian s explanation of the recent ethnic wars and terrorist acts in Russia succeeds in illuminating the role of human agency in shaping history

Partisan Histories P. Kenney,M. Friedman,2016-09-23 Partisan Histories is an introduction to the multiple uses of history in contemporary political debate and conflict As communities reimagine themselves a contest over defining legitimacy identifying us and others and jockeying for political control intersects with fights over history and memory Here distinguished scholars examine how competing versions of national identity are legitimized through appeals to carefully constructed pasts both in democracies and in repressive regimes The essays focus on the cases of Armenia Chile France Germany India and Pakistan Israel and Palestine Japan Nigeria and the United States to draw broader conclusions about the worldwide effect of traumatic memory questions of punishment and restitution and the instrumentalization of the past for political purposes *The Concept of Russia* Katlijn Malfliet,Francisca Scharpé,2003 How can we best define Russias long term national interests in the field of political sovereignty sustainable economic development and military security How will Russia view its federal state structure as it finds itself confronted with a centuries old tension between national and regional identity Does Russia have to make a choice between East and West All these questions relate to the centuries old debate on the Russian Idea The contributors to this book seek to study the quest for Russian identity approaching this multi layered and

diffuse problem from a historical political cultural and economic perspective **Russia** Edward Acton, 2014-09-19 This text has established itself as the best general introduction to Russian history providing a forceful and highly readable survey from earliest times to the post Soviet State At the heart of the book is the changing relationship between the State and Russian society at large The second edition has been substantially rewritten and updated and new material and fresh insights from recently accessible research have been incorporated into every chapter Children of Victory David Ruffley, 2003-02-28 Born after 1940 and finishing higher education between 1965 and 1982 a generation of Russia's best brightest and most privileged came of age in the Brezhnev era Using recently declassified archival material to uncover both personal and professional beliefs this study explores the formative experiences of this group who now hold key positions in all parts of the government and society Comparison of these official documents with letters petitions and complaints published in the Soviet press provides new insight into the dynamic interaction between the Brezhnev regime and Soviet times Confined by the Brezhnev regime's parameters and stability young Soviet specialists developed an ethos that focused personally upon humanism and individualism and professionally upon dignity and autonomy Censored and manipulated they came to hold a complex system of beliefs frustrations and expectations that stood in stark contrast to many of the ideals of the Soviet Union Ruffley analyzes the ethos of this generation via the prism of domination resistance studies to offer unique insight into a generation largely ignored by conventional historical inquiry **Mikhail Gorbachev and the End of Soviet Power** John Miller, 2016-07-27 One of the first studies of the full career of M S Gorbachev as Soviet leader this book traces his seven year struggle to reform the Soviet system and his failure to preserve it Mr Miller analyses characteristics of Gorbachev that puzzled the West his reformist gradualism his relationship to the Communist party his attitudes to communism revolution democracy and nationalism and explores their role in the collapse of Soviet power Ethnopolitics and the Transition to Democracy Rasma Karklins, 1994-03 Woodrow Wilson Center Press Empire of Nations Francine Hirsch, 2014-11-15 When the Bolsheviks seized power in 1917 they set themselves the task of building socialism in the vast landscape of the former Russian Empire a territory populated by hundreds of different peoples belonging to a multitude of linguistic religious and ethnic groups Before 1917 the Bolsheviks had called for the national self determination of all peoples and had condemned all forms of colonization as exploitative After attaining power however they began to express concern that it would not be possible for Soviet Russia to survive without the cotton of Turkestan and the oil of the Caucasus In an effort to reconcile their anti imperialist position with their desire to hold on to as much territory as possible the Bolsheviks integrated the national idea into the administrative territorial structure of the new Soviet state In *Empire of Nations* Francine Hirsch examines the ways in which former imperial ethnographers and local elites provided the Bolsheviks with ethnographic knowledge that shaped the very formation of the new Soviet Union The ethnographers who drew inspiration from the Western European colonial context produced all union censuses assisted government commissions charged with delimiting the USSR's internal

borders led expeditions to study the human being as a productive force and created ethnographic exhibits about the Peoples of the USSR In the 1930s they would lead the Soviet campaign against Nazi race theories Hirsch illuminates the pervasive tension between the colonial economic and ethnographic definitions of Soviet territory this tension informed Soviet social economic and administrative structures A major contribution to the history of Russia and the Soviet Union Empire of Nations also offers new insights into the connection between ethnography and empire
