The New Birth What Bornagain Really Means:

Born Again - What It Really Means Dr. Jan Burke Gallamore, Dr. Larry Gallamore, 2012-11-27 This book is about what it really means to be born again To many people the term born again means a one time Christian experience of accepting Jesus as Lord and Savior However we argue that being born again has a broader meaning including learning how to really live every day of our lives Today's world is at a critical juncture In the past few years we have witnessed a global economy that is out of control Governments spend more than they have people are losing their homes to foreclosure businesses close because they are unable to pay their employees and people are out of work and search for months to find a job which often barely pays them a living wage They lose their self esteem and motivation to even look for work Our whole nation and world is in need of being born again but not just in a religious sense The teachings of Jesus and other spiritual leaders tell us that we are individually responsible for our lives The answers to all life's problems are found within ourselves The kingdom of God is within This means that there is a spark of the divine found within each person To be truly born again means to live in harmony with the laws of the universe We must take responsibility for our own thoughts attitudes and actions Utilizing the teachings of great spiritual teachers we will focus on building each other up and the destructive values such as greed power control and jealousy will be transformed into values of love cooperation understanding and compassion This is the real meaning of being born again

WHAT IS REQUIRED OF YOU TO BE BORN AGAIN? Rev. Paul C. Jong, 101-01-01

Regeneration," etc Thomas Galland HORTON,1864 **Heresies of Catholicism...The Apostate Church** John Schroeder,2003-05-08 Is the longevity of the Catholic Church what Rome says it is Were Christ s Apostles the original Catholics Did Mary the mother of Jesus really help her Son to redeem mankind Was the Gospel Jesus left to His disciples incomplete and in need of many additions to perfect it This book written by a convert from Catholicism to biblical Christianity puts the chief claims and doctrines of the Catholic religion under the divine light of God s Word searches for them in the halls of history combs through the writings of apostolic fathers for evidence of their veracity Chapter by chapter Scripture by Scripture the facade of holiness and patristic authority is peeled away and the true apostate nature of Catholicism is exposed For evangelical Christians this work is a gold mine of information about Catholic doctrines and how to deal with the deeply embedded beliefs of those who call themselves Roman Catholics To the devout Catholic this book will be either a source of enduring anger or a bright neon arrow pointing to the eternal soul saving Word of God "Born Again": A Portrait and Analysis of the Doctrine of Regeneration within Evangelical Protestantism Stephen J. Hamilton,2017-04-03 Stephen J Hamilton attempts to create a portrait of born again Christianity by providing a general introduction to the doctrine of regeneration including its development in modernity as well as short exegeses of relevant scriptural texts followed by a close reading of four theologians Philipp Jakob Spener Jonathan Edwards Friedrich D E Schleiermacher and Charles G Finney who all associate the doctrine of regeneration with an experience of presence in the individual believer In light of these analyses he then traces a general theological structure of the born again understanding of regeneration including a catalogue of theological issues over which there is significant disagreement in order to create a topography of born again theologies In the final section he applies these results to contemporary conversion narratives of non theologians It is in such conversion narratives the author argues that theologians can discover an implicit lived theology that reveals how doctrines are perceived and put into practice among Christians Accordingly this is to be understood as the result of the creative reciprocity between often tacit theological convictions and the experiences of the Christian life The final chapter as a coda to the entire work offers some concluding reflections on the present cultural and political situation in the USA pertaining to born again Christianity and argues against any oversimplifications of the relationship between born again theologies culture and politics A Treatise of that being Born Again without which no man can be saved ...
