Vaka, 2009-08 The apostolic generation of the 21st century is an omega generation They live at the end of God's purpose and work their way back to their current earthly position They live at the

omega dimension before and during the execution of God's purpose in the natural realm. The omega dimension is their dwelling place and they call it home. They live in the heavens while functioning in the earth. Their sight has been elevated and their spirit catapulted and established in eternity. They have nailed their spirit and mind to the omega of the purposes of God while physically performing and outworking them in the natural. As far as they are concerned, what they are doing for God in the earth is a done deal and they draw their strength from this mentality, truth, and understanding. They are not running towards an uncertain future but from the future they move swiftly to the present. From the omega they alpha the purpose of the Father powerfully on earth, bringing them to an ultimate finish within divinely prescribed time. While many start and are unsure about finishing this generation, finish before they start. They are a generation that lives at the end. **A Modern**

Ninety-Five Nancy A. Almodovar, 2008-06-01. In 1517, an Augustinian monk by the name of Martin Luther nailed ninety-five statements to the door at Castle Church in Wittenberg, Germany. This was not a means of open debate but a desire to discuss scholarly objections to church practices of the time. Five centuries later, many of the same errors and heresies have crept back into the evangelical church. A modern ninety-five theses couched in new terms for a new generation require scholarly debate once again. Through modern-day apostles and prophets and through the elitists within the evangelical church, the doctrine of buying God's grace and favor has been propagated through appeals for seed offerings and atonement day donations in order to garner God's blessings. Pragmatic approaches to preaching the gospel through such movements as the seeker-driven models have moved the focus of the message of Christ and the worship of God from being God-centered to human-centered. Sound historical doctrines such as the Trinity have been relegated to the sidelines in favor of unity and ecumenicalism with Oneness preachers. In the words of Martin Luther, "Out of love for the truth and the desire to bring it to light, the following propositions need to be discussed in their entirety by church leaders, pastors, and laypeople alike."

Deland FL This book brings biblical truth to many controversial topics Raquel Appa Falcao M D Richmond VA **I See Thrones!** Dr. Gordon E. Bradshaw,2015-09-22 I SEE THRONES is a call to spiritual arms and kingship to maturity and wisdom and to cultural relevance engagement and leadership for the modern church and all kingdom citizens globally in the Seven Mountains of Culture It is a call to shift not just attitudinally or behaviorally into a more alert and aggressive and proactive posture and mindset but to shift positionally as well As a theological treatise it is revelatory and scholarly As a roadmap and blueprint for change in tactics and engagement with culture it is strategic and masterful This is an important vital and essential missing piece to the kingdom model that God has released to Dr G E Bradshaw for the benefit of and use by the body of Christ to advance and build His kingdom on Earth as it is in heaven **Book 8 Apostles PB** Kurt Jurgensmeier,2012-08-22 How was NT Scripture created The Apostles are our only link to the truths of the New Covenant we are saved by and live by Who were these men How did they obtain such divine revelation How can we know they did We make the following claims in this book It was through the Scripture gift of divine knowledge and wisdom that Apostles obtained a store of revelation from which they wrote from This revelation was not received through some subjective mystical experience referred to as inspiration but the Apostles physically saw or heard the revelation or received it in visions and then accurately recorded it 1 Corinthians 13 8 13 teaches that the Scripture and sign gifts claimed by charismaticism today were predicted by the Apostle Paul to cease with the completion of the NT revelation and history confirms this very thing Theories of inspiration for the creation of Scripture are unnecessary and nowhere supported in Scripture
