

The New Deal What Was It

William E. Leuchtenburg

The New Deal What Was It:

The New Deal Ronald Edsforth, 2000-04-17 In this concise and lively volume Ronald Edsforth presents a fresh synthesis of the most critical years in twentieth century American history The book describes the collapse of American capitalism in the early 1930s and the subsequent remaking of the US economy during Franklin D Roosevelt s presidency It is written for a new generation of readers for whom the Great Depression is a distant historical event

The New Deal Kathryn Flynn, 2009-09 2008 marks the 75th anniversary of the New Deal the series of programs initiated by President Franklin Delano Roosevelt to help Americans recover during the Great Depression Programs such as the Civilian Conservation Corps the Civil Works Administration and the Works Progress Administration gave hope support and encouragement to millions of Americans Several New deal programs including Social Security continue to help Americans today

The Great Depression and the New Deal Robert F. Himmelberg, 2000-11-30 This essential guide to the Great Depression and the New Deal provides a wealth of information analysis biographical profiles primary documents and current resources that will help students to understand this pivotal era in American history The author an expert on this age of U S history and politics brings to life the traumatic period that began in 1929 and ended only with America s entrance into World War II in 1941 He carefully explains the causes of the Depression the actions taken by Franklin D Roosevelt to lift America out of its economic morass and the economic political social and cultural aspects of the age Following a chronology of events a narrative overview examines the events of the Great Depression and the New Deal Other topical essays address the causes and cure of the Depression America s struggle against the Depression the effect of the Depression on American politics changes in society and culture during the Depression decade and an evaluation of the New Deal from a contemporary perspective Twenty seven biographical profiles of key figures of the era the text of ten important primary documents a glossary of frequently cited terms and an annotated bibliography of print and nonprint materials for student use complete the work This work is an essential source for the most current thinking and resources on the Great Depression and the New Deal

The New Deal, what was It? Morton Keller, 1963

Why the New Deal Failed Bernard C. Beaudreau, 2025-01-22 The New Deal was a radical attempt on the part of the Roosevelt Administration to restore full employment and growth to the US economy It consisted of i the National Industrial Recovery Act of 1933 and ii the National Labor Relations Act of 1936 These two pieces of legislation have been decried and dismissed by the economics profession with the most vociferous critic being Milton Friedman This book provides a more accurate account of the causes of its failure one that while favorable to the underlying motives is critical of its actual implementation In short while its intentions were laudable its implementation was doomed from the start The argument presented differs from the standard run of the mill critique by revisiting the underlying causes of the Great Depression It is shown that it was the result of a massive technological shock in the form of electric unit drive which increased productivity by more than it increased income and expenditure The wage and price policies of the New Deal

sought to close this gap However the actual measures put in place did more harm than good owing in large measure to the heterogeneous nature of the technology shock and the dearth of information

The Rise and Fall of the New Deal Order, 1930-1980 Steve Fraser, Gary Gerstle, 1989 The 10 essays in this book probe the underlying economic social and cultural dynamics of the Roosevelt revolution analyze the durability of the New Deal coalition through the mid 1960s and uncover the racial class and cultural fissures that led to its disintegration The contributors answer such questions as How did the Democratic Party accommodate both poor workers and wealthy capitalists Why did the labor question lose its importance in American politics as soon as the movement achieved political power Why did economic abundance generate political and cultural conservatism in the 1950s but radicalism in the 1960s ISBN 0 691 04761 8 25 00

Fifty Years Later Harvard Sitkoff, 1985

The Rise and Fall of the New Deal Order, 1930-1980 Steve Fraser, Gary Gerstle, 2020-07-21 The description for this book The Rise and Fall of the New Deal Order 1930 1980 will be forthcoming

The New Deal and American Politics John M. Allswang, 1978

Franklin D. Roosevelt and the New Deal William E. Leuchtenburg, 2009-02-24

When the stability of American life was threatened by the Great Depression the decisive and visionary policy contained in FDR's New Deal offered America a way forward In this groundbreaking work William E Leuchtenburg traces the evolution of what was both the most controversial and effective socioeconomic initiative ever undertaken in the United States and explains how the social fabric of American life was forever altered It offers illuminating lessons on the challenges of economic transformation for our time and for all time

Right here, we have countless book **The New Deal What Was It** and collections to check out. We additionally meet the expense of variant types and then type of the books to browse.
