The New Mission Action:

How to do Mission Action Planning Mike Chew, Mark Ireland, 2016-06-16 Gives the reader the benefit of many years experience of putting MAP into practice This is a must read for anyone using MAP JOHN DUNNETT DIRECTOR OF STRATEGY AND OPERATIONS AT THE CHURCH OF ENGLAND EVANGELICAL COUNCIL How to Do Mission Action Planning SPCK 2009 was the first book to appear on the MAP process at a time when it was beginning to have a significant impact In this fully revised and expanded edition the authors offer further critical evaluation and theological reflection by drawing on the experiences of people who have been using the MAP process in different contexts from their own Fr Damian Feeney parish priest and Catholic Missioner of Lichfield diocese Canon David Banbury leader of Parish Mission Support Blackburn diocese The Rt Revd Dr Alan Smith Bishop of St Albans Dr Stephen Hance Canon Missioner of Southwark diocese Linda Rayner the United Reformed Church co ordinator for Fresh Expressions *How to do Mission Action Planning* Mark Ireland, 2009-11-19 A significant and growing number of churches are using the principles of Mission Action Planning MAP This volume argues the case for producing a high quality plan describes the practical steps involved offers real life examples and provides evidence of the effectiveness of the process It is based on research conducted in several dioceses of the Church of England at diocesan and parish levels **Effective Leadership Communication** Mary Lou Higgerson, Teddi A. Joyce, 2007-01-15 Conflict can appear with varying degrees of intensity or hostility but if ignored or managed ineffectively it can slow or jeopardize an institution s success Chairs and deans who have leadership responsibilities to both administrators and faculty often find a significant portion of their jobs devoted to conflict management Their leadership success depends on their ability to effectively manage a variety of conflict laden situations and negotiate people s varying needs and personalities This book at its core is about communication strategies that support effective leadership First it shows how to establish a foundation for effective leadership communication next it discusses developing a fair and effective leadership communication style and finally it shows how to employ leadership communication to manage especially difficult people from prima donnas to pot stirrers Each chapter contains a series of questions and prompts to guide readers through a hypothetical but realistic situation and encourages them to cultivate and practice the first person participant and third person observer roles By moving between these two perspectives readers will gain more insight into their own style of managing conflict and understanding of leadership This skill also permits academic leadership to have more strategic control over the communication in a particular situation thus empowering them to feel and to be more in control in every situation The Precarious Church Martyn Percy, 2023-05-19 What is the biggest threat facing churches today Not enough young people Too little mission and evangelism Unsustainable buildings Unappealing styles of worship Not enough diversity Whatever the reasons the church today seems to exist in a state of anxiety concerned with its self preservation In this bold and hopeful book Martyn Percy argues that a being a broken church is in fact good news as it is only through the cracks that the

overwhelming abundance of God can shine through This collection of essays and reflections considers what it means to be a precarious church The term suggests uncertainty and peril yet it is rooted in the Latin *precatio* meaning prayer It argues that the Church's vocation is not to be successful or even to survive but to be precarious liminal unpredictable and mysterious a place of encounter with the holy The questions that should consume us are not how shall we remove the risks and alleviate our anxieties but rather how shall we live in this age of uncertainty Every age has had its uncertainties and this inspiring volume explores what faithfulness to each other and to God looks like in an age of anxiety
